

Bill No.: HB0044 **Effective:** **Multiple Dates**
LSO No.: **23LSO-0026**
Enrolled Act No.: HEA No. 0042
Chapter No.: 77
Prime Sponsor: Joint Transportation, Highways & Military Affairs Interim Committee
Catch Title: **Road and bridge construction-alternative contracting.**
Subject: Alternate design and construction delivery methods.

Summary/Major Elements:

- This act provides that the Wyoming Transportation Commission may use alternate design and construction delivery methods for road and bridge construction work. Under existing law, these methods include construction manager agent, construction manager at risk and design-build. The act also requires the Transportation Commission to promulgate rules to implement the act.

Comments:

- Multiple effective dates, including a delayed effective date. This act is effective October 1, 2023, except the section requiring the Transportation Commission to adopt rules is effective immediately.

The above summary is not an official publication of the Wyoming Legislature and is not an official statement of legislative intent. While the Legislative Service Office endeavored to provide accurate information in this summary, it should not be relied upon as a comprehensive abstract of the bill.
