17 **"13-1-603. State banking commissioner; powers and duties.**
18
19 (g) Except for the salary of the commissioner as provided by
20 W.S. 13-1-602(b), the commissioner shall establish personnel
21 classifications and salaries for the division of banking in
22 consultation with and subject to the approval of the governor and
23 subject to legislative appropriation. Classifications and salaries
24 shall be commensurate with other state and federal financial
25 regulators. The specialized skills required to supervise special
26 purpose depository institutions and financial technology shall be
27 defined by the state banking commissioner. Classifications and
28 salaries established pursuant to this subsection shall not be
29 subject to any classifications or any compensation plan
30 established pursuant to W.S. 9-2-3207(a)(i) and (ii), (b) and (c).
31 The provisions of W.S. 9-2-3207(a)(viii) shall not apply to
32 personnel of the division of banking. Upon the creation of the
33 classifications and salaries for the division of banking the
34 division shall provide a report on the classifications and salaries
35 to the joint appropriations committee. The report shall include
36 any estimated increase in requested appropriations, the duties of
37 each person for which the classification shall apply, including
38 specific skills required to skillfully and competently fill the
39 position, and any other information requested by the joint
40 appropriations committee. Salary increases requested pursuant to
41 this subsection shall be included in the department's exception
42 budget.". DOCKSTADER, CHAIRMAN
