

SF0042S2003

1 Page 4-line 11 After "taken" insert "to determine the market
2 for carbon or carbon dioxide from the
3 electricity generation and".
4

5 Page 4-line 13 After "subsection" insert ". In the annual
6 report required under this paragraph, each
7 public utility shall, for purposes of
8 determining the market for carbon or carbon
9 dioxide from electricity generation, report
10 the potential customers or organizations
11 representing potential customers the public
12 utility has contacted and any information or
13 estimates the customers are willing to make
14 public on the quantities of carbon or carbon
15 dioxide they may need, the breakeven prices or
16 price range the customers estimate needing for
17 carbon dioxide, oil and gas and the effect of
18 any sequestration subsidies available. The
19 commission shall, as appropriate, append to
20 each annual report filed under this paragraph
21 any relevant written comments the commission
22 has received from potential carbon dioxide
23 customers".
24

25 Page 6-line 15 After "subsection." and after the first Ellis
26 second reading amendment (SF0042S2001/A) to
27 this line, insert "If the public utility's
28 attempt to determine the market for carbon
29 dioxide is inadequate, as determined by the
30 commission, the commission shall deny the
31 public utility the rate recovery authorized by
32 this paragraph.". SCOTT
