

**Bill No.:** SF0023 **Effective:** 7/1/2024  
**LSO No.:** 24LSO-0275  
**Enrolled Act No.:** SEA No. 0053  
**Chapter No.:** 76  
**Prime Sponsor:** Joint Corporations, Elections & Political Subdivisions Interim Committee  
**Catch Title:** **Public utilities-energy resource procurement.**  
**Has Report:** No  
**Subject:** Public utilities-energy resource procurement.

**Summary/Major Elements:**

- This bill establishes a process for electrical utilities to use when acquiring or constructing a significant energy resource. The bill requires the Public Service Commission to approve the solicitation process being used by an electrical utility company and requires the Public Service Commission to adopt rules outlining the solicitation approval process as well as any waiver of the process.
- The bill provides for the appointment of an independent evaluator by the Public Service Commission to monitor and report on the solicitation approval process.
- This bill requires affected electrical utilities to comply with the solicitation approval process for the acquisition or construction of any significant energy resource after July 1, 2024.
- The bill provides definitions of "affected electrical utility", "significant energy resource" and "solicitation".
