5           "(i) "Abortion" means the act of using or prescribing  
6 any instrument, medicine, drug or any other substance, device or  
7 means with the intent to terminate the clinically diagnosable  
8 pregnancy of a woman, including the elimination of one (1) or more  
9 unborn babies in a multifetal pregnancy, with knowledge that the  
10 termination by those means will, with reasonable likelihood, cause  
11 the death of the unborn baby. "Abortion" shall not include any  
12 use, prescription or means specified in this paragraph if the use,  
13 prescription or means are done with the intent to:

14

15                   (A) Save the life or preserve the health of the  
16 unborn baby;

17

18                   (B) Remove a dead unborn baby caused by  
19 spontaneous abortion or intrauterine fetal demise;

20

21                   (C) Treat a woman for an ectopic pregnancy; or

22

23                   (D) Treat a woman for cancer or another disease  
24 that requires medical treatment which treatment may be fatal or  
25 harmful to the unborn baby." STEINMETZ
