- 7
- 8
- 9
- 10 Page 2-line 4 After "drop box." insert "A county clerk may receive ballots through a secured receptacle in the courthouse or in another government building in the county. The receptacle may be accessible on the exterior of the courthouse or other government building provided the ballots, after being inserted into the receptacle, are deposited into a secure location within the courthouse or other government building. The receptacle shall only be used for the purpose of receiving ballots and only be accessible by the county clerk or their designee. The receptacle shall be under video surveillance and checked daily by the clerk or their designee. A clerk shall have a memorandum of understanding in place in order to use a government building other than the county courthouse for the purpose of hosting a secured receptacle.".
