28 instruction and any federal office shall be nominated in an instant
29 runoff election to be held in conjunction with the partisan primary
30 election on the third Tuesday in August in even-numbered years

32
33 (b) All candidates for the offices listed in subsection (a)
34 of this section shall file nominating applications during the
35 candidate filing period specified in W.S. 22-5-209 in the year of
36 their election.
37
38 (c) If more than two (2) candidates file for a partisan
39 nomination for any of the offices listed, all candidates for that
40 nomination shall appear on the instant runoff election ballot. If
41 not more than two (2) candidates file for a partisan nomination,
42 the candidates shall appear on the regular partisan primary ballot.
43

1 (d) At the instant runoff election, voters shall rank all
2 candidates appearing on the ballot in descending order of their
3 individual preference for each office on the ballot.

4
5 (e) If no candidate receives a majority of first-choice
6 votes on the first round of counting of ballots, the candidate
7 with the lowest number of first-choice votes will be eliminated
8 from the next round of tabulation.

9
10 (f) Any ballot cast for a candidate who has been eliminated
11 will be reexamined and counted for the next highest-ranked
12 candidate who has not been eliminated. A new tally will then be
13 conducted to determine whether any candidate has won a majority of
14 ballots.

15
16 (g) This process will be repeated in succeeding rounds until
17 a candidate wins an outright majority of votes cast. The successful
18 candidate will win that party's nomination as a candidate for the
19 specified office in the general election."
