5 "(II) "Residential real property" means real

6 property improved by a dwelling designed to house not more than

7 three (3) families and includes associated residential land where

8 the dwelling is located if the land is owned by the owner of the

9 dwelling. The dwelling may be any type of residence including a

10 single family home or an individual condominium unit if the

11 dwelling is used as a primary residence." MCKEOWN, CHAIRMAN
