"**Section 4.** There is appropriated five hundred thousand dollars ($500,000.00) from the general fund to the University of Wyoming center for blockchain and digital innovation. Funds from this general fund appropriation shall be expended by the University of Wyoming center for blockchain and digital innovation, provided that the center develops software for the secretary of state's office that would allow for initial business entity formation and amendments, notary registration and renewal, apostille or authentication certification requests, lobbyist registration and renewal and all initial and additional filing types, as well as amendments, to be filed online. This appropriation shall be for the period beginning with the effective date of this act and ending June 30, 2026. This appropriation shall not be transferred or expended for any other purpose and any unexpended, unobligated funds remaining from this appropriation shall revert as provided by law on June 30, 2026. It is the intent of the legislature that this appropriation not be included in the University of Wyoming's standard budget for the immediately succeeding fiscal biennium.".
