"9-4-227. Wyoming's next generation account.

(a) There is created Wyoming's next generation account. The account shall consist of all funds transferred or appropriated to the account by law. All monies deposited or transferred into the account are inviolate and constitute a permanent or perpetual trust fund, subject to the provisions for the withdrawal of funds provided by this section.

(b) The state treasurer shall invest all funds within Wyoming's next generation account in accordance with W.S. 9-4-715(a) and (c) through (e) and 9-4-716. W.S. 9-4-716(e) shall not apply to the account. The state treasurer, or the treasurer's designee, which shall be registered under the federal Investment Advisor's Act of 1940, as amended and if required to be registered by the terms of that act, may invest the unobligated, unencumbered balance of the account in equities, including stocks of corporations. The account shall be invested so that the overall risk profile of the account's investments shall not materially exceed the risk profile of a reference portfolio that consists of eighty-five percent (85%) private equity and fifteen percent (15%) private credit investments. In adopting investment policy statements for the account, the board shall seek to preserve the balance of the account in a manner that strives for the highest possible risk-adjusted total net return consistent with an appropriate level of safety and liquidity, giving consideration to the account's potential extended investment period and the extended period during which monies in the account may be ineligible for withdrawal.

(c) Beginning on July 1, 2026 and annually on each July 1 thereafter until fourteen (14) fiscal years have elapsed, transfers shall be made by the state auditor from the legislative stabilization reserve account to Wyoming's next generation account in accordance with all of the following:

7 dollars (\$1,750,000,000.00);

8
9 (B) Seventy-five million dollars
10 (\$75,000,000.00), if the balance of the legislative stabilization
11 reserve account exceeds one billion five hundred million dollars
12 (\$1,500,000,000.00) but is less than or equal to one billion seven
13 hundred fifty million dollars (\$1,750,000,000.00);

14
15 (C) Fifty million dollars (\$50,000,000.00), if the
16 balance of the legislative stabilization reserve account exceeds

23 exceeds one billion dollars (\$1,000,000,000.00) but is less than
24 or equal to one billion two hundred fifty million dollars
25 (\$1,250,000,000.00);

26
27 (E) Zero dollars (\$0.00), only if the balance of
28 the legislative stabilization reserve account is equal to or less
29 than one billion dollars (\$1,000,000,000.00).

31 (ii) Transfers shall be made under this subsection if
32 funds are available from the legislative stabilization reserve
33 account;

34
35 (iii) The transfer required under this subsection shall
36 be made after all other transfers and appropriations from the
