

FISCAL NOTE

The Attorney General's Office (A.G.) states that this bill will have a fiscal impact in the form of increased expenditures to the Division of Criminal Investigation (DCI). However, these increased costs are indeterminable. The A.G. does not know the volume of investigative requests that will come to the DCI from the Wyoming Office of Homeland Security (WOHS). The A.G. does not know how in depth those investigations will have to be, how many of these investigations they will be required to conduct, nor the time or resources that will be required.
