

**FISCAL NOTE**

	FY 2026	FY 2027	FY 2028
<b>NON-ADMINISTRATIVE IMPACT</b>			
Anticipated Expenditure (decrease)			
GENERAL FUND	(\$50,000)	(\$50,000)	(\$50,000)

Source of expenditure (decrease):

This bill repeals the School Activity Eligibility Commission.

Assumptions:

The School Activity Eligibility Commission would be repealed July 1, 2025, and no longer require clerical or administrative support from the Wyoming Department of Education and members of the School Activity Eligibility Commission would not receive per diem. The Wyoming Department of Education estimates a General Fund expenditure decrease of \$50,000 each fiscal year related to the costs associated with the School Activity Eligibility Commission.

This bill also expands the prohibition of males competing in an athletic activity designated for females to grades kindergarten through six and institutions of higher education.

The University of Wyoming (University) indicates there is no fiscal or personnel impact. The Wyoming Community College Commission (WCCC) indicates there is no fiscal or personnel impact to the WCCC and an indeterminable impact to the colleges.

This bill provides for governmental entities to be liable for damages resulting from a violation of W.S. 21-25-102 caused by the negligent, reckless or intentional acts of public employees while acting within the scope of their duties. The Department of Administration and Information indicates there is an indeterminable expenditure increase related to potential legal claims brought against the State of Wyoming.

The fiscal impact to the judicial system is indeterminable due to an unknown number of cases.
