

FISCAL NOTE

	FY 2026	FY 2027	FY 2028
NON-ADMINISTRATIVE IMPACT			
Anticipated Expenditure increase			
HIGHWAY FUND	\$2,000	\$0	\$0

Source of expenditure increase:

The bill provides for the creation of a rodeo license plate. The Department of Transportation (Department) would experience an expenditure increase for plate design and testing.

Assumptions:

It is assumed that there would be one-time expenditure increase of \$2,000 for plate design and testing.

Application forms shall include the option for the applicant to donate \$1.00 or more to support rodeo programs at the University of Wyoming and Wyoming community colleges. These monetary donations received each year will be split evenly between the University of Wyoming and each community college for purposes of supporting rodeo programs.

The expenditure increase reflected above could be considered an administrative cost. However, for simplicity and to follow consistent practice on legislation of this type, it is included on the fiscal note.
