11 biological sex, either male or female, at birth;

15 exhibits XX chromosomes and does not exhibit a Y
16 chromosome;

14 between the sexes are substantially related to the
15 important governmental objectives of protecting the health,
16 safety and privacy of persons in such circumstances.

17

18 (d) Any school district, or public school thereof,
19 and any state agency, department, office or other political
