SR004/WITHDRAWN

Section 1. Rules of the Senate Rule 12-13 is created to read:

12.0 Voting

12-13 All Votes to be Recorded.

(a) All votes on any motion before the senate, except as provided in subsection (d) of this section and Joint Rule 14-1(f)(ii), shall be recorded through an electronic push-button voting system administered by the chief clerk. If the electronic push-button system is not functioning, the chief clerk may record the vote through the calling of the ayes and noes, provided the vote will later be entered and uploaded to the legislative website.

(b) Votes cast through an electronic push-button voting system shall be displayed in the chambers of the senate and on the legislature's website and video streaming platform.

(c) Each vote, once called by the chief clerk, shall be open for one minute, except as provided in Senate Rule 7-7(b) and 13-5(b). The chief clerk shall announce when there is thirty seconds remaining in the vote and when the vote is closed. After the vote is closed, the chief clerk shall announce on the floor the final vote total on the motion and whether the motion passed or failed.

(d) The following motions may be approved through a voice vote without using the push-button voting system:

(i) Adjourn;

(ii) Recess;

(iii) To re-refer or recommit a bill;

(iv) For the committee of the whole to rise and report;

(v) The previous question;

(vi) Withdraw.

Section 2. Rules of the Senate 6-5(a), 7-7(b), 7-11, 8-2(c), 10-4, 10-6(b), 12-1(b) and (d), 12-2(a), 12-4, 12-5, 12-6, 12-9, 12-10(d), 13-1(c), 13-5(b), 14-2 and 16-1(c) are amended to read:

6.0 General File and Committee of the Whole Procedures

6-5 Senate Rules Apply; Exceptions. The rules of the Senate shall be observed in the "Committee of the Whole", so far as they may be applicable, except:

(a) ~~The ayes and noes shall not be taken unless the original motion made for passage of a given bill has failed in the Committee of the Whole. At that time, the ayes and noes shall be taken and entered in the Committee of the Whole Report. The result of the roll call vote shall determine the action of the Committee of the Whole.~~ If, after a ~~roll call~~ vote, the bill fails to pass Committee of the Whole, the bill is deemed to be indefinitely postponed. Except as provided in this subsection, the motion to indefinitely postpone shall not be in order during Committee of the Whole;

7.0 Floor Action on Bills

7-7 Uncontested Bills.

(b) At the beginning of third reading and final passage of bills, the majority floor leader shall move the consent list by reading each bill number followed by the catch title and the presiding officer shall call for the ~~roll call~~ vote on all the bills on the consent list. After the ~~roll call~~ vote is completed, the Chief Clerk will then ask any member who wishes to change his vote ~~to stand and identify himself as to~~ on each bill or bills on the consent list to do so through the voting system when each bill on the consent list is open during a thirty-second consent list redesignation vote. The results of the final ~~roll call~~ vote will then be announced for each bill.

7-11 Question on Third Reading. Upon the conclusion of the third reading, the President shall put the question this way: "The bill (naming it by number) having been read three separate times, the question is: Shall the bill pass? The Chief Clerk will call the ~~roll~~ vote." ~~The ayes and noes shall be taken.~~

8.0 Debate

8-2 Third Reading Debate. After the President announces "Third Reading of the Bill", any member may debate the bill or any amendment then proposed or any debatable motion then made, provided:

(c) The Chief Clerk shall then call the ~~roll~~ vote without interruption.

10.0 Motions

10-4 Withdrawal of Motion. If no one objects, any motion may be withdrawn by the mover at any time before a decision, amendment, or ~~ordering of the ayes and noes~~ commencement of the vote, except a motion to reconsider, which shall not be withdrawn without leave of the Senate.

10-6 Motion to Adjourn. The motion to adjourn is not debatable, cannot be amended and is always in order except:

(b) during ~~roll call~~ a vote

12.0 Voting

12-1 Voting Requirements.

(b) A motion to excuse a member from voting shall be made before the call of the ~~ayes and noes~~ vote is commenced, and any member wishing to be excused from voting may briefly and pertinently explain his reason therefor; but, when the ~~ayes and noes are~~ vote is being taken ~~the call~~ it shall not be interrupted for any purpose whatsoever.

(d) No member shall be recognized by the Chair, or be allowed to vote, when such member is at the time outside the bar of the Senate, and no member, or other person, shall remain by the Chief Clerk's table while the ~~ayes and noes are being called~~ vote is being taken.

12-2 Disclosure of Personal or Private Interest.

(a) A member who has a personal or private interest in any bill proposed or pending before the legislature shall disclose the fact to the Senate members at the time of initial consideration during the committee of the whole or at the first subsequent time the conflict becomes apparent to the declarer, or at the time of introduction during the budget session. If the status of the conflict changes during the legislative process, the member shall disclose the change in the status of the conflict. Disclosure of a conflict of interest by any member shall be entered in the Daily Journal. If the member later makes a declaration of no conflict of interest in the matter, prompt entry of that declaration shall be made in the journal. The published Journal shall clearly reflect the declaration of the conflict of interest of the member with respect to a ~~roll call~~ vote.

12-4 Interruption of Voting Prohibited. When the ~~ayes and noes are~~ vote is being taken~~, the call~~ it shall not be interrupted for any purpose whatsoever~~ and members shall answer the call from their seats, if possible~~.

12-5 No Vote After Decision Announced. When the ~~ayes and noes~~ vote ~~shall~~ be taken on any question, in pursuance of Senate Rule 7-11, no member shall be permitted under any circumstances whatever to vote after the decision is announced from the Chair.

12-6 Vote Changing. Any member may change his vote ~~on a roll call of ayes and noes only after the call is completed, but~~ only before the vote is closed.

12-9 Call for Division. It shall be in order for any member or the presiding officer to order a vote by division to verify a voice vote. Should there be doubt about the voice vote, the motion from the floor is simply to call "Division" immediately before or after the announcement of the vote.

When the call is made, the presiding officer orders a ~~standing~~ recorded vote~~, first the ayes and then the noes~~ pursuant to Senate Rule 12-13.

12-10 Reconsideration of the Vote.

(d) The motion once made and disposed of cannot be renewed. The motion is not debatable nor can it be amended, and is carried or lost by a simple majority vote regardless of the vote required of the original question. Once the motion is adopted, the question is in exactly the same condition it was when the vote being reconsidered was originally ordered, which means no amendment or debate is allowed on the question and the President shall put the question this way: "On reconsideration of the vote, the question is, shall (naming the bill by number) pass? The Chief Clerk will call the ~~roll~~ vote."

13.0 Rules for the Budget Session

13-1 In General. For the introduction of any bill, other than the budget bill or a bill to apportion the legislature, the following procedure will be followed:

(c) Upon approval of two-thirds of the elected members by a ~~roll call~~ recorded vote, a bill will be accepted by the Senate and assigned by the President to the appropriate Standing Committee.

13-5 Budget Session Consent List. Notwithstanding Rule 13-1, the President in consultation with the minority floor leader may propose a Consent List of interim committee bills to be voted upon for introduction under the following procedure:

(b) Subject to subsection (a) of this rule, and at the appropriate order of business, the majority floor leader shall move the Consent List. No debate shall be permitted on the Consent List, but any member may remove any interim committee bill from the Consent List upon request before the vote. A ~~roll call~~ vote shall be taken and the results applied to each interim committee bill on the list except that opportunity shall be made for any member to request a redesignation of his vote on any interim committee bill on the list during a thirty-second consent list redesignation vote before the Chief Clerk announces the vote.

14.0 Senate Journal and Records

14-2 Report of Journal Committee. The Journal Committee shall have leave to report at any time when the Senate is in session, except when ~~the "ayes and noes" are~~ a vote is being taken.

16.0 Confirmation of Appointments

16-1 Confirmation of Appointments.

(c) Prior to confirmation of any prospective appointee the committee appointed under this rule shall report its recommendations regarding any prospective appointee to the Senate. A ~~roll call~~ recorded vote of the Senate to confirm or reject an appointment shall be taken within five (5) legislative working days after the prospective appointee's name is submitted to the Senate for consideration. Confirmation of an appointee by the Senate shall require a simple majority vote.

Section 3. Joint Rules of the Senate and House of Representatives 12-1 and 14(f)(ii) are amended to read:

12. ADMINISTRATIVE RULE ORDERS

12-1 On or before the final day for bill introduction each house shall schedule Committee of the Whole action on administrative rule reports and proposed legislative orders disapproving specified administrative rules, together with expressions of legislative intent, received from the Legislative Management Council as required by W.S. 28-9-107. Members of the Management Council in each house shall present the recommendations contained in the reports. The proposed orders are subject to debate, amendment, three readings and ~~roll call~~ recorded votes in each house and conference committees in the same manner as bills except that it shall be referred directly to the Committee of the Whole and that there shall be no requirement for a two-thirds affirmative vote for introduction during the Budget Session. Recommendations receiving the approval of each house shall be denoted Legislative Orders, signed by the Speaker of the House and President of the Senate, entered in the Journal and presented to the Governor as prescribed by Article 3, Section 41, Wyoming Constitution.

14. GENERAL APPROPRIATIONS BILL

14-1 (f) (ii) Consideration on third reading in the second house of the mirror budget bill passing the house of origin shall be limited to an explanation of, or, at the direction of the presiding officer, a non-binding ("straw poll") vote regarding each of the amendments adopted by the house of origin which are not identical to amendments adopted by the second house on its own mirror budget bill. Any other amendment shall be out of order. If a "straw poll" vote is taken, Senate Rule 8-1(a) and House Rule 8-1 do not apply to debate on amendments to the mirror budget bill being considered on third reading in the second house to the extent those rules limit members to speaking no more than twice on the same issue. Third reading may be extended beyond one (1) day to consecutive days to permit explanation of, or "straw poll votes" on amendments. Non-binding ("straw poll") votes shall be taken by ~~roll call~~ a recorded vote only at the direction of the presiding officer. The purpose of these "straw poll" votes are solely to provide non-binding guidance to members of the conference committee from the house in its deliberations on developing a conference committee report.

Section 4. Rules of the Senate 11-3 and 12-3 are repealed.

Section 5. These proposed rules, amendments to rules and repeals of rules shall only be effective for the 2026 budget session and for each session thereafter if 2025 HB 0158 is enacted into law and an operational push-button electronic voting system is installed in the Senate prior to the commencement of the 2026 Budget Session. LAURSEN

Senator Nethercott moved to adopt SR005.

SR005/ADOPTED

Rules of the Senate 2-8 is amended to read:

2-8 Changes in ~~Committee Membership~~ Committees.

(a) No change shall be made in any committee chairmanship or membership during the session except by vote of a majority of the members of the Senate.

(b) The President of the Senate with the consent of the majority and minority floor leaders may remove a committee chairman or committee member or declare a vacancy in any committee during the interim if a committee chairman or member cannot or will not fulfill their duties on the committee. A vote of the majority of the members of the Senate present taken during the next legislative session shall be sufficient to sustain an appeal of a committee chairman or member removal or a declaration of vacancy under this subsection.

(c) The President of the Senate may appoint a member to fill any vacancy occurring on any committee during the interim providing the appointment is made with the advice of the respective majority or minority leader, dependent upon the party in which the vacancy has occurred. BARLOW, ROTHFUSS

JR002/ADOPTED

Joint Rules of the Senate and House of Representatives 22-1 is created to read:

22-1. ETHICS COMPLAINTS

22-1 (a) The legislature finds that:

(i) The ethics complaint procedure under this rule allows for receipt and investigation of complaints alleging legislative misconduct by members of the House and Senate;

(ii) The House and Senate have authority to determine the rules of their proceedings and to punish members for contempt or disorderly behavior in their presence and for conduct that seriously impugns the integrity and general order of the houses;

(iii) An ethics investigation instituted for the purposes of advancing political interests, not connected with intended legislation or any matters upon which a house should act, or instituted merely to subject a member of the House or Senate to public animadversion, is not a proper legislative proceeding;

(iv) The right of the electors to be represented by the candidate of their choosing is essential for the preservation of all other rights and shall be recognized by the houses when considering ethics complaints;

(v) The ethics complaint procedure under this rule shall be reserved for substantiated allegations of legislative misconduct and in all other circumstances, the members of the House and Senate shall be ultimately responsible directly to the electorate.

(b) Nothing in this rule shall prohibit the House and Senate from taking any action or adopting any procedure to preserve order and decorum in the houses pursuant to the authority granted in the Wyoming Constitution.

(c) The Speaker or President, as appropriate, shall receive written, signed complaints alleging legislative misconduct by a member of the House or Senate.

(d) Legislative misconduct is defined as conduct involving legislative duties that constitutes:

(i) A violation of Article 3 of the Wyoming Constitution;

(ii) A violation of the Ethics and Disclosure Act, W.S. 9-13-101, et seq;

(iii) A violation of any of the Wyoming Conflict of Interest Statutes;

(iv) Violence or disorderly conduct during legislative meetings, sessions, or during the performance of legislative duties;

(v) Bribes or offers of bribes;

(vi) A violation of the rules of the House or Senate pertaining to ethical standards for legislators or preventing disorderly conduct; or

(vii) Any other conduct that constitutes a felony.

(e) A complaint alleging legislative misconduct by a member of the House or Senate shall meet the following criteria:

(i) The complaint shall be in writing;

(ii) The complaint shall:

(A) Be based on unique personal knowledge;

(B) State detailed facts;

(C) Specify the actions of the named member which form the basis for the complaint;

(D) Attach all documentation on which the complaint is based; and

(E) Identify how the specific alleged violation constitutes legislative misconduct.

(iii) The complaint shall be signed by the person alleging the legislative misconduct.

(f) A copy of the complaint shall be provided to the member against whom the complaint is filed.

(g) The presiding officer, after consultation with the majority and minority floor leaders, shall summarily dismiss any complaint which:

(i) On its face appears to be frivolous or submitted for any improper purpose;

(ii) Alleges facts that if taken as true and construed in the light most favorable to the complainant do not constitute legislative misconduct;

(iii) Is insufficient as to form.

(h) Notice of summary dismissal shall be provided to the complainant.

(j) All records, findings and proceedings including the filing of the initial complaint shall be considered confidential information, but the complaint shall be available for public inspection upon the dismissal of the complaint, a referral of the complaint for formal investigation or other final dispositive action regarding the complaint.

(k) Except as provided in subsection (g) of this rule, whenever a complaint is received pursuant to this rule, the presiding officer shall forward the complaint to the appropriate subcommittee of Management Council to review the complaint, determine whether there is probable cause that legislative misconduct has occurred and make recommendations to the presiding officer. The subcommittee shall consist of those members of Management Council who serve in the same house as the member against whom the complaint is filed. The subcommittee's review shall be subject to the following:

(i) The test for determining the existence of probable cause is whether a factual situation is sufficient to warrant a reasonably prudent person, informed of legislative procedures and duties, to believe that legislative misconduct has occurred;

(ii) The Council subcommittee shall notify the member against whom the complaint was brought that it is reviewing the complaint. The member complained against may submit a written answer to the subcommittee. The subcommittee shall have the discretion to determine what additional evidence, if any, is presented during the course of its review;

(iii) Unless specifically invited, neither the complainant nor the member against whom the complaint has been filed shall have the right to attend or present evidence at any meeting of the Council subcommittee;

(iv) The review by the Council subcommittee shall be conducted in executive session and no record of the hearing will be kept;

(v) No determination of the Council subcommittee concerning probable cause is appealable by any person;

(vi) If the Council subcommittee determines that the complaint alleges criminal activity, the subcommittee may recommend

that further proceedings under this rule be held in abeyance pending completion of any criminal investigation;

(vii) A finding of probable cause of legislative misconduct or any dispositive action shall require the affirmative vote of a majority of the Council members serving on the subcommittee;

(viii) If the Council subcommittee does not find probable cause of legislative misconduct the complaint shall be dismissed and the complainant and member will be so advised;

(ix) If the Council subcommittee finds probable cause of legislative misconduct but determines that the interests of justice and the house would not be furthered by a formal investigation under subsection (m) of this rule, it shall make an appropriate recommendation to the presiding officer for remedial action. In all other circumstances where it determines probable cause exists, the Council subcommittee shall refer the complaint for formal investigation in accordance with this rule.

(m) Upon a referral for formal investigation under subsection (k)(ix) of this rule, a special committee shall be appointed to formally investigate the complaint. If the Legislature is not in session, the special committee shall be appointed by the Management Council subcommittee that conducted the review. If the Legislature is in session the special committee shall be appointed by the presiding officer of the appropriate house. A special committee shall be subject to the following:

(i) A special committee investigating a complaint against a senator shall consist of 5 senators and a special committee investigating a complaint against a representative shall consist of 9 members of the House of Representatives. Committee appointments shall be apportioned as nearly as possible to reflect the percentage of the elected members of the majority and minority parties of the appropriate house. The appointing authority shall designate the chairman of the committee;

(ii) Proceedings of the special committee shall be subject to the following:

(A) All meetings of the committee will be open to the public;

(B) The member against whom the complaint is filed and the complainant shall be entitled to appear, present evidence, cross-examine witnesses and be represented by counsel;

(C) In proceedings before the committee, irrelevant, immaterial or unduly repetitious evidence shall be excluded and no recommendation shall be made unless supported by the type of evidence commonly relied upon by a reasonably prudent person, informed of legislative procedures and duties, in the conduct of their serious affairs;

(D) The chairman of the committee shall have the power to administer oaths and to compel the attendance of witnesses and the production of documents relevant to

the complaint, as authorized by W.S. 28-1-107 through 28-1-112. Any testimony made at any committee hearing which purports to establish matters of fact shall be made under oath.

(iii) The special committee may dismiss the complaint if a majority determines that the complaint is not substantiated or does not substantiate legislative misconduct without requiring further action by the appropriate house. If not dismissed, the committee shall make recommendations to the appropriate house based upon the investigations conducted and hearings held pursuant to this rule. The committee may recommend dismissal of the complaint, reprimand, censure, expulsion or other discipline it deems appropriate. The appropriate house may dismiss the complaint, expel, censure, reprimand or otherwise discipline the member as it deems appropriate. Expulsion of a member shall require the affirmative vote of two-thirds of the members, as provided by Article III Section 12 of the Constitution. Reprimand or censure of a member shall require the affirmative vote of a majority of the elected members;

(iv) If the legislature is not in session, the recommendation of the special committee shall be acted upon by the appropriate house during the next following special or regular session.

(n) If the written signed complaint concerns legislative misconduct of:

(i) The presiding officer, then the duties of the presiding officer in this rule shall be the duties of the Senate Vice-President or the House Speaker pro tem as applicable;

(ii) A member of Management Council, then the presiding officer shall appoint another member to fill that member's role on the Management Council subcommittee investigating the complaint pursuant to subsection (k) of this rule. BITEMAN, NETHERCOTT, SALAZAR

1. The department of education shall maintain the total amount of direct expenditures for and grants to local school districts in support of applied agriculture and farming programs during the 2025-2026 fiscal biennium as compared to the 2023-2024 fiscal biennium. It is the intent of the legislature that any expenditures by the department of education pursuant to this footnote be documented and included in the department of education's standard budget for the immediately succeeding fiscal biennium.

2. Of this general fund appropriation, two hundred sixty thousand dollars ($260,000.00) is appropriated, and of these authorized employees, one (1) full-time position is authorized for increased staffing in the finance unit.

3. Of this general fund appropriation, thirty-three thousand four hundred seventy-six dollars ($33,476.00) is appropriated for increased compensation and employer paid benefits for two (2) positions within the finance unit.

4. Of this general fund appropriation, one hundred thousand dollars ($100,000.00) is appropriated for the advancement of civics education through support of the Wyoming boys' state and Wyoming girls' state programs in the amount of twenty-five thousand dollars ($25,000.00) annually to each program. It is the intent of the legislature that this appropriation be included in the department of education's standard budget for the immediately succeeding fiscal biennium.

5. Of this general fund appropriation, fifty thousand dollars ($50,000.00) is appropriated to pay for processing costs for Wyoming poultry, lamb, pork, beef or bison donated to a school district to be used in school meals. Expenditures authorized in this footnote shall be made only if an equal amount of funding has been contributed by a local school district for the processing costs of the donated Wyoming poultry, lamb, pork, beef or bison. The department shall endeavor to provide funding to as many school districts as possible under this footnote and participation in the federal school lunch program shall not be used as a limiting criterion for the distribution of these funds. To the extent all funds from this appropriation are expended, the department of education shall identify other funds appropriated in this section for continuation of the expenditures under this footnote.

6. Of this general fund appropriation, four hundred ninety-six thousand eight dollars ($496,008.00) is appropriated, and of these authorized employees, two (2) full-time positions are authorized for outreach for the deaf and hard of hearing unit.

7. Of this other funds appropriation, two hundred one thousand seven hundred two dollars ($201,702.00)S5 is appropriated, and of these authorized employees, one (1) full-time position is authorized, for the Wyoming charter school authorizing board. It is the intent of the legislature that this appropriation be included in the standard budget for the department of education for the immediately succeeding fiscal biennium. "[LOCAL GOVERNMENT PROPERTY TAX GRANTS]

Section 351.

(a) There is appropriated twelve million dollars ($12,000,000.00) from the general fund to the department of revenue to be expended only for payments to qualifying counties under this section. This appropriation shall not be transferred or expended for any other purpose. Notwithstanding W.S. 9-2-1008, 9-2-1012(e) and 9-4-207, any unexpended, unobligated funds remaining from this appropriation shall not revert until June 30, 2027. It is the intent of the legislature that this appropriation not be included in the standard budget of the department of revenue for the immediately succeeding fiscal biennium.

(b) The department of revenue shall establish a grant application and program for distribution of the funds appropriated in subsection (a) of this section and as specified in this subsection. Not more than one-half (1/2) of the amount appropriated in subsection (a) of this section may be distributed for purposes of restoring revenue attributable to any reduction in residential property tax assessments from tax year 2025. Any remaining funds from the appropriation in subsection (a) of this section shall be available for distribution for purposes of restoring revenue attributable to any reduction in residential property tax assessments from tax year 2026.

(c) The following shall apply to grants made under this section:

(i) No school district shall qualify for a grant under this section;

(ii) Subject to paragraph (iii) of this subsection, only counties, cities, towns and special districts that are, or are located within, the counties with the eight (8) lowest total assessed valuations for the current tax year, as certified by the department of revenue, shall qualify for grants under this section;

(iii) Only counties, cities, towns and special districts within the counties qualifying under paragraph (ii) of this subsection that also each

impose the maximum statutory mill levy authorized to be imposed by the applicable governing board shall qualify for grants under this section.

(d) Counties qualified under subsection (c) of this section shall prepare a grant application to the department of revenue on behalf of the county and all cities, towns and qualifying special districts in the county. If awarded grant funds under this section, the county shall distribute the funds in proportion to the demonstrated reduction in residential property tax assessments as compared to tax year 2024 and directly attributable to legislation exempting or otherwise reducing residential property tax assessments enacted during the 2025 general session.

(e) Grants awarded under this section shall not exceed an amount equal to seventy-five percent (75%) of the demonstrated reduction of residential property tax assessments as compared to tax year 2024 and directly attributable to legislation exempting or otherwise reducing residential property tax assessments enacted during the 2025 general session. If funds appropriated under subsection (a) of this section and allocated for tax years 2025 and 2026 are insufficient to restore the demonstrated reduced residential property tax assessments under this section, the department of revenue shall make the grant awards on a pro rata basis.

(f) The department of revenue shall administer the program under this section and shall promulgate all rules necessary to implement this section.

(g) This section shall only be effective if:

(i) At least one (1) of 2025 House Bill 0130, 2025 House Bill 0169, 2025 House Bill 0282, 2025 House Bill 0290, 2025 House Bill 0328, 2025 Senate File 0069, 2025 Senate File 0136, 2025 Senate File 0153, 2025 Senate File 0161 or 2025 Senate File 0182 is enacted into law; and

(ii) Within any of the bills specified in paragraph (i) of this subsection that are enacted into law, there is no provision providing compensation to local governments for the reduction of residential property taxes resulting from the enactment of the bills.".

(i) Before implementing a speed reduction under this subsection, the local authority shall consult with:

(A) The local authority's engineer or road and bridge superintendent; and

(B) The law enforcement agency with jurisdiction over the roadway.

(ii) The local authority shall post the decreased speed limit upon appropriate fixed or variable signs.

(g) Notwithstanding subsection (f) of this section, a local authority, by resolution or ordinance at a regular meeting, may temporarily establish a maximum speed limit lower than the limit specified in section 31-5-301(b)(iv) for an unpaved roadway within its jurisdiction without first conducting a speed study, subject to the following conditions:

(i) Before implementing a temporary speed reduction, the local authority shall consult with:

(A) The local authority's engineer or road and bridge superintendent; and

(B) The law enforcement agency with jurisdiction over the roadway.

(ii) The local authority shall post the decreased speed limit upon appropriate fixed or variable signs;

(iii) In conjunction with establishing a temporary speed limit, the local authority shall:

(A) Initiate a speed study to evaluate the appropriate long-term speed limit; and

(B) Conduct traffic speed data collection before implementing the temporary change to maintain data accuracy.

(iv) A temporary speed limit reduction under this subsection shall not exceed thirty (30) days past completion of a speed study required by paragraph (iii) of this subsection, provided that:

(A) The length of a speed study conducted by the local authority's engineer or a private contractor shall not exceed ninety (90) days;

(B) A speed study conducted by the University of Wyoming technology transfer center shall not exceed twelve (12) months.

(v) After the speed study required by paragraph (iii) of this subsection is completed, the local authority shall take action to establish a long-term speed limit;

(vi) This subsection shall not grant power to a local authority to declare countywide maximum speed limits but shall grant power to declare maximum speed limits for the public safety in localized geographic areas.". Geringer

"Section 3.

(a) There is appropriated from the public school foundation program account twenty million dollars ($20,000,000.00) to the school facilities commission for demolition, site preparation and construction necessary for the completion of a high school building and facility project in Campbell county school district #1. Any disposition or demolition of buildings or facilities shall be subject to commission approval and be included in the district's facility plan to ensure the disposition or demolition is in the financial interest of the state and is in the public interest as required under W.S. 21-15-123(f)(vi). The amounts appropriated under this subsection shall remain in effect from the effective date of this act until the high school building and facility project in Campbell county school district #1 is complete. Upon completion of the high school building and facility project in Campbell county school district #1, any unexpended, unobligated funds remaining from the appropriation for the project shall revert to the public school foundation program account.

(b) If 2025 House Bill 0259 is enacted into law, the appropriation in subsection (a) of this section shall be reduced by one dollar ($1.00) for every one dollar ($1.00) appropriated to the school facilities commission for the project specified in subsection (a) of this section in 2025 House Bill 0259.".

ARTICLE 3
ABANDONED AND NUISANCE PROPERTIES

15-9-301. Abandoned and nuisance properties.

(a) The governing body of a city or town may designate a property within the limits of the city or town as abandoned or as a nuisance for the purposes of this section if the property has been vacant for not less than six (6) months or if the property has been neglected and contains a significantly deteriorated or deteriorating structure as determined by the governing body. The governing body of a city or town with less than fifteen thousand (15,000) residents shall not have more than three (3) properties designated as abandoned or as a nuisance at the same time. The governing body of a city or town with not less than fifteen thousand (15,000) and not more than fifty thousand (50,000) residents shall not have more than six (6) properties designated as abandoned or as a nuisance at the same time. The governing body of a city or town with not less than fifty thousand and one (50,001) residents shall not have more than ten (10) abandoned or nuisance properties designated as abandoned or as a nuisance at the same time. Nothing in this section shall be construed to require the owner of an abandoned or nuisance property to sell the property.

(b) In determining whether a property is abandoned under subsection (a) of this section, a city or town shall examine the property and determine whether the property is occupied by the property owner or by permission of the property owner. In determining whether a property is a nuisance under subsection (a) of this section, a city or town shall consider whether an unreasonable or unlawful use or condition of the property has resulted or may result in an economic or

physical injury to a neighboring property owner or endangers the life, health or safety of the community.

(c) If the owner of an abandoned or nuisance property makes an expenditure to demolish the property and remove all demolished material within two (2) years after the property is designated as abandoned or as a nuisance under subsection (a) of this section and submits proof of the expenditure to the governing body of the city or town for approval under subsection (f) of this section, the owner shall be eligible for a tax credit as provided in W.S. 39-13-109(d)(ii) in an amount not to exceed fifty percent (50%) of the expenditures to demolish the property and remove all demolished material.

(d) If the owner of an abandoned or nuisance property makes an expenditure to bring the property into substantial compliance with applicable codes within two (2) years after the property is designated as abandoned or as a nuisance under subsection (a) of this section and submits proof of the expenditure to the governing body of the city or town for approval under subsection (f) of this section, the owner shall be eligible for a tax credit as provided in W.S. 39-13-109(d)(ii) in an amount not to exceed the amount expended to bring the property into substantial compliance with applicable codes.

(e) Any person who purchases or takes ownership of an abandoned or nuisance property after the property has been designated as abandoned or as a nuisance under subsection (a) of this section and who demolishes the property and removes all demolished material or brings the property into substantial compliance with applicable codes within five (5) years after the person initially purchased or took ownership of the property shall be eligible for a tax credit as provided in W.S. 39-13-109(d)(ii) in an amount not to exceed the amount expended to demolish the property and remove all demolished material or bring the property into substantial compliance with applicable codes.

(f) Prior to being eligible for any tax credit under subsections (c) through (e) of this section, the person claiming the credit shall document the person's expenditures resulting from the actions required by subsections (c) through (e) of this section and submit proof of the expenditures to the governing body of the city or town for approval. Only approved expenditures shall be eligible for a tax credit. The governing body shall not approve any expenditures that do not directly relate to the actions required by subsections (c) through (e) of this section. The governing body shall not approve any expenditures made after the applicable time limit specified in subsections (c) through (e) of this section. The governing body shall submit any approved expenditures to the department of revenue as provided in W.S. 39-13-109(d)(ii).".

"15-9-102. Legislative findings.

(d) It is further found and declared that there exists in municipalities of the state a lack of affordable housing which is injurious to the public health, safety, morals and welfare of the residents of the state; that the lack of affordable housing constitutes an economic and social liability imposing onerous municipal burdens which decrease the tax base and reduce tax revenues and substantially impairs or arrests the sound growth of municipalities; and that the provision of affordable housing is a matter of state policy and state concern.

15-9-103. Definitions.

(a) As used in this chapter, unless a different meaning is clearly indicated by the context:

(iii) "Blighted area" means an area which by reason of the presence of not less than two (2) conditions for a blighted area specified in this paragraph. The conditions for a blighted area are a substantial number of slums, deteriorated or deteriorating structures, predominance of defective or inadequate street layout, faulty lot layout in relation to size, adequacy, accessibility or usefulness, unsanitary or unsafe conditions, deterioration of site or other improvements, diversity of ownership, tax or special assessments, delinquency exceeding the fair value of the land, defective or unusual conditions of title, or the existence of conditions which endanger life or property by fire and other causes, or ~~any combination of those factors,~~

substantially impairs or arrests the sound growth of a municipality, retards the provision of housing accommodations or constitutes an economic or social liability and is a menace to the public health, safety, morals or welfare in its present condition and use. However, if the blighted area consists of open land, the conditions contained in W.S. 15-9-110(b) apply and any disaster area referred to in W.S. 15-9-112 constitutes a "blighted area";

(xvii) "Urban renewal area" means a slum area, ~~or a~~ blighted area or ~~a combination thereof which~~ other area that the local governing body designates as appropriate for an urban renewal project as provided in this chapter;

(xix) "Urban renewal project" includes undertakings and activities of a municipality in one (1) or more urban renewal areas for the provision of affordable housing or for the elimination ~~and for~~ or the prevention of the development or spread of slums and blight, and may involve slum clearance and redevelopment in an urban renewal area, or rehabilitation or conservation in an urban renewal area, or any combination or part thereof in accordance with an urban renewal plan. The undertakings and activities may include:

(xx) "Affordable housing" means housing where the total gross household income of the occupant does not exceed one hundred twenty percent (120%) of the median gross household income for the county where the housing is located.

15-9-104. Private enterprise to be preferred; when considered.

(a) A municipality, to the greatest extent it determines to be feasible in carrying out the provisions of this chapter and consistent with its needs, shall afford maximum opportunity to the provision of affordable housing or the development, rehabilitation or redevelopment of the urban renewal area by private enterprise. A municipality shall give consideration to this objective in exercising its powers under this chapter, including the:

15-9-105. Workable program; formulation; objectives and provisions thereof.

(a) For the purposes of this chapter a municipality may formulate for itself a workable program for utilizing appropriate private and public resources to:

(i) Provide affordable housing or eliminate and prevent the development or spread of slums and urban blight;

(iii) Provide for the development of the urban renewal area as provided in this chapter or the redevelopment of slum and blighted areas; or

(b) A workable program may include provisions for the:

(i) Provision of affordable housing or the prevention of the spread of blight through diligent enforcement of housing, zoning and occupancy controls and standards;

15-9-106. Initiative resolution; how adopted; findings.

(a) No municipality shall exercise the authority conferred upon municipalities by this chapter until the local governing body, on its own motion or by virtue of a petition signed by twenty-five (25) or more electors of the municipality, has adopted a resolution finding that:

(i) There is a lack of affordable housing or that one (1) or more slum or blighted areas exist in the municipality; and

(ii) The rehabilitation, conservation, development, redevelopment or a combination thereof of the area or areas is necessary in the interest of the public health, safety, morals or welfare of the residents of the municipality.

15-9-107. Preliminary requirements for projects; generally.

An urban renewal project for an urban renewal area shall not be planned or initiated unless the governing body, by resolution, has determined the area has a lack of affordable housing and is appropriate for affordable housing or has determined the area to be a slum area or a blighted area or a combination thereof and designated it as an urban renewal area and determined the area appropriate for an urban renewal project under this chapter. A municipality shall not acquire real property for any urban renewal project unless the local governing body has approved the urban renewal project in accordance with W.S. 15-9-110.

15-9-110. Preliminary requirements for projects; approval by and findings of governing body.

(a) Following the hearing specified in W.S. 15-9-109, the local governing body may approve an urban renewal project and the plan therefor if it finds that:

(iv) The urban renewal plan affords maximum opportunity, consistent with the municipality's needs, for the rehabilitation, development or redevelopment of the urban renewal area by private enterprise.

(b) If the urban renewal area consists of an area of open land to be acquired by the municipality, the area shall not be so acquired unless:

(i) If it is to be developed for residential uses, the local governing body shall determine that:

(A) A shortage of housing of sound standards and design which is affordable, decent, safe and sanitary exists in the municipality;

(B) ~~The~~ There is a need for affordable housing or that accommodations has been or will be increased as a result of the clearance of slums in other areas;

(C) The lack of affordable housing, the conditions of blight in the area ~~and~~ or the shortage of decent, safe and sanitary housing ~~cause or contribute to an increase in and spread of disease and crime and~~ constitute a menace to the public health, safety, morals or welfare; and

(D) The acquisition of the area for residential uses or affordable housing is an integral part of and essential to the program of the municipality;

15-9-114. Condemnation.

(a) A municipality has the right to acquire by condemnation any interest in real property, including a fee simple title thereto, which it deems necessary for or in connection with an urban renewal project under this chapter, provided that the right to acquire property by eminent domain under this chapter shall not extend to property occupied by an owner for residential purposes or leased for current residential occupancy. A municipality may exercise the power of eminent domain in the manner now provided or which may be hereafter provided by any other statutory provisions. Property already devoted to a public use may be acquired in like manner, provided that no real property belonging to the United States, the state or any political subdivision thereof, may be acquired without its consent.

15-9-115. Property acquired in project; disposition and use generally.

(a) A municipality may:

(iii) Retain the property or interest for public use in accordance with the urban renewal plan, subject to any covenants, conditions and restrictions, including covenants running with the land, as it deems necessary or desirable to assist in providing affordable housing, preventing the development or spread of future slums or blighted areas or to otherwise carry out the purposes of this chapter.

15-9-116. Property acquired in project; disposition to private persons; procedure; notice; proposals; contracts.

(a) A municipality may:

(ii) By notice published once each week for four (4) consecutive weeks in a newspaper having a general circulation in the community, prior to the execution of any contract to sell, lease or otherwise transfer real property and prior to the delivery of any instrument of conveyance with respect thereto under the provisions of this section, invite proposals from and make available all pertinent information to private developers or redevelopers or any persons interested in undertaking to develop affordable housing or to redevelop or rehabilitate an urban renewal area or any part thereof. The notice shall:

(b) The municipality shall consider all affordable housing development, redevelopment or rehabilitation proposals and the financial and legal ability of the persons making the proposals to carry them out. The municipality may accept any proposals it deems to be in the public interest and in furtherance of the purposes of this chapter. A notification of intention to accept a proposal shall be filed with the governing body not less than thirty (30) days prior to acceptance. Thereafter the municipality may execute a contract and deliver

deeds, leases and other instruments and take all steps necessary to effectuate a contract in accordance with the provisions of W.S. 15-9-115.

15-9-120. Taxes upon property; authorized division thereof.

(a) Any urban renewal plan may contain a provision that taxes, if any, levied upon taxable property in an urban renewal project each year by or for the benefit of a municipality in the state shall be divided as follows:

(i) That portion of the taxes which would be produced by the rate upon which the tax is levied each year by or for each of the taxing agencies upon the total sum of the assessed value of the taxable property in the urban renewal project as shown upon the assessment roll used in connection with the taxation of the property by the taxing agency, last equalized prior to the effective date of the urban renewal project shall be allocated to and, when collected, paid into the funds of the respective taxing agencies as taxes by or for those taxing agencies on all other property are paid (for the purpose of allocating taxes by or for any taxing agency which did not include the territory in the urban renewal project on the effective date of the project but which territory had been annexed or otherwise included after the effective date, the assessment of the county last equalized on the project shall be used in determining the assessed valuation on the taxable property in the project on the effective date). For the purposes of this paragraph, the assessed value of the taxable property in an urban renewal project shall mean the aggregate value of all property located within the geographical boundaries of the project and notwithstanding any of the requirements imposed under title 39, chapter 13 of Wyoming statutes, the assessed value of the taxable property in an urban renewal project as provided under this paragraph shall not be modified during the term of the project; and

Section 2. The department of revenue shall promulgate rules necessary to implement W.S. 15-9-120(a) as amended by this act, including any amendment of rules previously promulgated as required by W.S. 39-13-103(b)(ii).".

In all cases where the work to be done at any one (1) time under the direction of the commissioners will, in their opinion, cost to exceed ~~seven thousand five hundred dollars ($7,500.00)~~ seventy-five thousand dollars ($75,000.00), the same shall be let to the lowest responsible bidder, and the commissioner shall advertise for sealed bids, by notice published in some newspaper published in the county in which the petition is filed, and may advertise in one (1) or more newspapers published elsewhere. If there be no newspaper published in the county in which the petition is filed, they shall advertise in some newspaper published in an adjoining county, which said notice shall particularly set forth the time and place when and where the bids advertised will be opened, the kind of work to be let and the terms of payment. Said commissioners may continue the letting from time to time, if in their judgment the same shall be necessary, and shall reserve the right to reject any and all bids. This section shall not be construed to apply to the employment of superintendent, engineer, attorney or other employee engaged in the general work of the district.

41-7-813. Construction of irrigation works; cost estimates; advertisement for bids; contracts.

Before any district shall enter into any contract for the construction, building, alteration, extension, or improvement of any irrigation works, power plant or system, or any part or section thereof for the use of the district, or for the purchase of any materials, machinery, or apparatus, such district shall cause estimates of the cost thereof to be made by some competent engineer or engineers and if such estimated cost shall exceed the sum of ~~one thousand dollars ($1,000.00)~~ twenty thousand dollars ($20,000.00) no such contract shall be entered into for a price, cost or consideration exceeding such estimate nor without advertising for sealed bids. Prior to such advertisement, plans and specifications for the proposed construction work or materials shall be prepared and filed at the principal office or place of business of the district. Such advertisement shall be inserted for three (3) consecutive issues, with not less than twenty (20) days intervening between the first and last publication dates, in one (1) or more newspapers of general circulation in the district and, in the discretion of the board of directors of the district, in such additional newspapers or trade or technical periodicals as may be selected by the board in order to give proper notice of the receiving of bids. Such advertisement shall designate the nature of the construction work proposed to be done or materials proposed to be purchased; that the plans and specifications therefor may be inspected at the office of the district, giving the location thereof, and shall designate the time within which bids shall be filed and the date, hour and place the same shall be opened. The board of directors of the district, with the assistance of the state engineer, whose duty it shall be to supervise such lettings, may let the contract for such work or materials to the lowest responsible bidder, or, in the sole discretion of the board, all bids tendered may be rejected and readvertisement for bids made in the manner, form and time in this section provided. No such contract shall be valid nor shall any money of the district be expended thereunder unless advertisement and letting shall have been had as in this section provided. Such contract shall provide that wherever possible workmen who are citizens of Wyoming shall be employed by the contractor. All provisions of W.S. 16-6-112 through 16-6-115, with reference to contractor's bonds, shall be applicable and effective as to any contract let pursuant to the provisions of this act; provided further, that if all or a portion of the cost of the proposed works is to be met by grant of labor or a grant in aid from a federal or state agency, the rules and regulations of which agency provide that work shall not be done by contract, the board may proceed

with the necessary construction or other work without first complying with any of the foregoing provisions of this section.".

"Section 1. W.S. 39-15-111.1 is created to read:

39-15-111.1 Distributions to local governments.

(a) Of the total amounts available under W.S. 39-15-111(b)(iii) and 39-16-111(b)(iii), the first six million ninety-three thousand seven hundred fifty dollars ($6,093,750.00) each month, subject to subsection (f) of this

section, shall be deposited in the local government distribution account, which is hereby created.

(b) Amounts in the local government distribution account are continuously appropriated to the office of state lands and investments to be allocated pursuant to the following and as further provided in this section. Amounts deposited in the account attributable to sales and use tax collections from July 1 through December 31 of each year shall be calculated and distributed on March 15 of the following calendar year and amounts deposited in the account attributable to sales and use tax collections from January 1 through June 30 of each year shall be calculated and distributed on October 15 of that calendar year, subject to the following:

(i) Two-thirds (2/3) of eighty-nine percent (89%) of the total amount available to be expended from the account shall be used for direct distribution to cities and towns, provided that five percent (5%) of the amount available under this paragraph shall only be distributed for direct distributions to cities and towns using the revenue challenged formula as provided in paragraph (c)(ii) of this section;

(ii) One-third (1/3) of eighty-nine percent (89%) of the total amount available to be expended from the account shall be used for direct distribution to counties;

(iii) Five and one-half percent (5.5%) of the total amount available to be expended from the account shall be used for direct distribution to cities and towns provided that five percent (5%) of the amount available under this paragraph shall only be distributed for direct distributions to cities and towns using the revenue challenged formula as provided in paragraph (c)(ii) of this section;

(iv) Five and one-half percent (5.5%) of the total amount available to be expended from the account shall be used for direct distribution to counties.

[CITY AND TOWN DIRECT DISTRIBUTION ALLOCATIONS]

(c) From the total amount available to be distributed on the dates specified in subsection (b) of this section, the amounts designated in paragraphs (b)(i) and (iii) of this section shall be distributed to cities and towns, subject to the following:

(i) Except as provided in paragraph (ii) of this subsection, from these distributions each municipality with a population of thirty-five (35) or less shall first receive seven thousand five hundred dollars ($7,500.00) and each municipality with a population over thirty-five (35) shall first receive seventeen thousand five hundred dollars ($17,500.00). From the remainder, each municipality shall receive amounts in accordance with a municipal supplemental funding formula as provided in this paragraph. The municipal supplemental funding formula shall be calculated by the office of state lands and investments as follows:

(A) For each fiscal year calculate the per capita sales and use tax revenues available to each municipality using the sales and use tax distributions to each county attributable to the most recently completed odd numbered fiscal year for distributions under this paragraph during an odd numbered calendar year and the sales and use tax distributions to each county attributable to the most recently completed even numbered fiscal year for distributions under this paragraph during an even numbered calendar year, including distributions to each municipality within that county, under W.S. 39-15-111 and 39-16-111, but excluding any distributions under this section;

(B) Calculate the inverse by dividing one (1) by the per capita sales and use tax determined under subparagraph (A) of this paragraph for each municipality;

(C) Calculate the normalized per capita sales and use tax number for each municipality by dividing the number determined under subparagraph (B) of this paragraph for the municipality by the total of all inverse per capita sales and use tax numbers calculated under subparagraph (B) of this paragraph;

(D) Multiply the normalized per capita sales and use tax number for each municipality determined under subparagraph (C) of this paragraph by seventy-five percent (75%);

(E) For each fiscal year calculate the per capita assessed value for the prior tax year corresponding to the most recently completed calendar year for each municipality by dividing the total assessed valuation within the municipality by the population of the municipality;

(F) Calculate the inverse by dividing one (1) by the per capita assessed value determined under subparagraph (E) of this paragraph for each municipality;

(G) Calculate the normalized per capita assessed value number for each municipality by dividing the number determined under subparagraph (F) of this paragraph for the municipality by the total of all inverse per capita assessed value numbers calculated under subparagraph (F) of this paragraph;

(H) Multiply the normalized per capita assessed value number for each municipality by twenty-five percent (25%);

(J) Multiply the sum of subparagraphs (D) and (H) of this paragraph by the population of the municipality;

(K) Calculate the normalized index for each municipality by dividing the number determined under subparagraph (J) of this paragraph for the municipality by the sum of all numbers calculated under subparagraph (J) of this paragraph;

(M) Determine the amount to distribute to each municipality by multiplying the normalized index number determined under subparagraph (K) of this paragraph by the amount remaining available for distribution under this paragraph.

(ii) From the amounts specified in paragraphs (b)(i) and (iii) of this section, each city or town shall receive amounts in accordance with a city and town revenue challenged formula as provided in this paragraph. The revenue challenged formula shall be calculated by the office of state lands and investments as follows:

(A) For each fiscal year, calculate the lowest quartile amount received by cities and towns on a per capita basis using amounts received under this section plus amounts distributed to each city and town using the sales and use tax distributions to each county attributable to the most recently completed odd numbered fiscal year for distributions under this paragraph during an odd numbered calendar year and the sales and use tax distributions to each county attributable to the most recently completed even numbered fiscal year for distributions under this paragraph during an even numbered calendar year, including distributions to each municipality within that county, under W.S. 39-15-111 and 39-16-111, but excluding any distribution made under this section;

(B) Determine each city or town that received a per capita amount that is less than the lowest quartile amount determined under subparagraph (A) of this paragraph;

(C) For each city or town that received a per capita amount that is less than the lowest quartile amount as identified in subparagraph (B) of this paragraph, determine the amount that would be necessary to increase the per capita amount distributed to that city or town to the lowest quartile amount determined under subparagraph (A) of this paragraph;

(D) Determine the amount to distribute to each city or town that received an amount that is less than the lowest quartile amount determined under subparagraph (A) of this paragraph by distributing the amount available under this paragraph on a pro rata basis, up to the lowest quartile amount, based on the amounts determined under subparagraph (C) of this paragraph.

[COUNTY DIRECT DISTRIBUTION ALLOCATIONS]

(d) From the total amount available to be distributed on the dates specified in subsection (b) of this section, the amounts designated in paragraphs (b)(ii) and (iv) of this section are to be distributed to counties as provided in this subsection. From these distributions each county shall receive the following:

(i) From these distributions each county with an assessed value for the prior tax year corresponding to the most recently completed calendar year of less than three hundred thousand dollars ($300,000.00) per mill shall first receive an amount equal to one and one-half (1.5) times the difference between three hundred thousand dollars ($300,000.00) and the actual value of one (1) mill within the county. From the remainder, each county shall receive amounts in accordance with a county supplemental funding formula as provided in this paragraph. The county supplemental funding formula shall be calculated by the office of state lands and investments as follows:

(A) For each fiscal year calculate the per capita sales and use tax revenues available to each county using the sales and use tax distributions to each county attributable to the most recently completed odd numbered fiscal year for distributions under this paragraph during an odd numbered calendar year and the sales and use tax distributions to each county attributable to the most recently completed even numbered fiscal year for distributions under this paragraph during an even numbered calendar year, excluding distributions under this section and excluding distributions to each municipality within that county, under W.S. 39-15-111 and 39-16-111;

(B) Calculate the inverse by dividing one (1) by the per capita sales and use tax determined under subparagraph (A) of this paragraph for each county;

(C) Calculate the normalized per capita sales and use tax number for each county by dividing the number determined under subparagraph (B) of this paragraph for the county by the total of all inverse per capita sales and use tax numbers calculated under subparagraph (B) of this paragraph;

(D) Multiply the normalized per capita sales and use tax number determined under subparagraph (C) of this paragraph for each county by twenty-four percent (24%);

(E) For each fiscal year calculate the per capita assessed value for each county by dividing the total assessed valuation within the county for the prior tax year corresponding to the most recently completed calendar year by the population of the county;

(F) Calculate the inverse by dividing one (1) by the per capita assessed value determined under subparagraph (E) of this paragraph for each county;

(G) Calculate the normalized per capita assessed value number for each county by dividing the number determined under subparagraph (F) of this paragraph for the county by the total of all inverse per capita assessed value numbers calculated under subparagraph (F) of this paragraph;

(H) Multiply the normalized per capita assessed value number determined under subparagraph (G) of this paragraph for each county by seventy-six percent (76%);

(J) Calculate a cost of government index for each county by multiplying six hundred twenty-eight (628) by the population of the county and then adding nine million nine hundred thousand (9,900,000) to the result;

(K) Calculate the normalized cost of government index number for each county by dividing the number determined under subparagraph (J) of this paragraph for the county by the total of all cost of government index numbers calculated under subparagraph (J) of this paragraph;

(M) Multiply the sum of subparagraphs (D) and (H) of this paragraph by the normalized cost of government index number determined in subparagraph (K) of this paragraph for each county;

(N) Calculate the normalized index for each county by dividing the number determined under subparagraph (M) of this paragraph for the county by the total of all numbers calculated under subparagraph (M) of this paragraph;

(O) Determine the amount to distribute to each county by multiplying the normalized index number determined under subparagraph (N) of this paragraph by the amount remaining available for distribution under this paragraph.

(e) For purposes of this section, population is to be determined by resort to the most recent decennial federal census as reported by the economic analysis division within the department of administration and information.

(f) The amount of six million ninety-three thousand seven hundred fifty dollars ($6,093,750.00) as specified in subsection (a) of this section shall be adjusted for inflation annually by the office, using the consumer price index or its successor index of the United States department of labor, bureau of labor statistics.".

"**Section 2.**

(a) The legislature finds that:

(i) Wyoming and the nation's voluntary livestock identification system has served the livestock industry well for decades;

(ii) The United States department of agriculture's animal and plant health inspection service announced a final rule in April of 2024 that would require certain livestock to wear electronically readable devices in order to prevent and manage livestock disease outbreaks;

(iii) If the United States department of agriculture and the animal and plant health inspection service were concerned with and focused on preventing a livestock disease outbreak, they would stop the importation of livestock from countries that have known and documented problems with disease, yet they do not do so;

(iv) The vast majority of livestock affected by this mandatory electronic identification rule originate from wide open spaces and live on clean, disease-free pastures and not in confined areas with thousands of livestock coming from different areas;

(v) The United States department of agriculture and the animal and plant health inspection service have stated that a seventy percent (70%) compliance rate with mandatory electronic identification usage would be

necessary to make the identification program an effective disease traceability requirement;

(vi) Wyoming already has livestock identification methods that are far superior to the mandatory electronic identification rules that, according to the United States department of agriculture and the animal and plant health inspection service, are specifically targeted to apply to only eleven percent (11%) of all livestock in the country; and

(vii) The mandatory electronic identification rule was put in place by a federal government agency rather than being voted on by the United States congress, making it only a rule and not codified law.

(b) It is the policy of the state of Wyoming that:

(i) Wyoming is opposed to the animal and plant health inspection service's rule mandating electronic identification devices for Wyoming livestock;

(ii) W.S. 11-18-117 clearly defines the terms by which the Wyoming livestock industry can continue to do business and have the freedom, right and liberty to use historically reliable, affordable, confidential and voluntary methods of livestock identification, including brands, backtags, tattoos and ear tags;

(iii) Wyoming will seek to work with existing metal identification tag manufacturers to produce those tags historically used to confirm livestock health and identity;

(iv) Wyoming is committed to working with other states to develop agreements and arrangements to allow livestock to be transported to and from Wyoming without being required to use electronic identification ear tags;

(v) Wyoming shall demand that the United States department of agriculture and the animal and plant health inspection service provide a complete and full accounting and accurate estimate of all costs associated with mandating that Wyoming's livestock producers use electronic identification ear tags, including costs associated with hardware, software, ear tags, wands, retrofitting of livestock handling facilities, retrofitting of sales barns, working of livestock and costs related to additional paperwork, digital input and filings necessary to prove compliance with the electronic identification ear tag rule to the Wyoming legislature.".

"(C) The county treasurer for each county shall keep accurate records of the reduction in tax revenues caused by the homeowner tax exemption provided by this paragraph for the county and for each governmental entity for which notification is made pursuant to W.S. 39-13-104(k) and shall report that information to the department. The department shall compile and verify the information received from each county and shall verify any reductions in the distribution of mill levies to the school foundation program account under W.S. 21-13-303. Subject to appropriation of funds by the legislature, the department shall distribute verified amounts to each county treasurer for distribution as provided in W.S. 39-13-111 in an amount necessary to compensate each government entity for fifty percent (50%) of the reduction in tax revenues due to the exemption under this paragraph. If funds appropriated by the

legislature for distribution under this subparagraph are insufficient to complete all necessary distributions, there is appropriated to the department of revenue from the legislative stabilization reserve account an amount equal to the amount by which legislative appropriations are insufficient to make distributions necessary under this subparagraph for the current tax year. The department shall transfer this legislative stabilization reserve account appropriation to each county for distribution to each government entity in an amount necessary to compensate each government entity for fifty percent (50%) of the reduction in tax revenues. (j) In addition to the sales tax under subsections (a) and (b) of this section, and subject to the provisions of W.S. 39-15-111(r)(ii), beginning July 1, 2025 there is imposed an additional sales tax as provided in this subsection. The additional sales tax imposed under this subsection shall not apply to sales to industrial facilities as defined by W.S. 35-12-102(a)(vii) that are subject to permitting by the industrial siting council under W.S. 35-12-101 through 35-12-119 during the period of permitting and construction of the industrial facility. The revenue from the tax under this subsection shall be distributed as provided in W.S. 39-15-111(r). The rate of the sales tax under this subsection shall be determined as follows:

(i) Except as provided in paragraph (ii) or (iii) of this subsection, the rate of the additional tax shall be ninety-two hundredths percent (0.92%), which shall be administered as if the sales tax rate under subsections (a) and (b) of this section was increased from four percent (4%) to four and ninety-two hundredths percent (4.92%);

(ii) The additional rate specified under paragraph (i) of this subsection may be reduced in intervals of one quarter of one percent (0.25%) if the governor certifies to the department that the amount of the tax together

with funds in the property tax reduction and replacement account are sufficient to provide all payments under W.S. 39-15-111(r)(i);

(iii) The additional rate specified under paragraph (i) of this subsection shall be reduced by the department to zero percent (0%) effective on July 1 if for any reason the exemption under W.S. 39-11-105(a)(xlvi) is unavailable for that tax year.

(i) An amount determined under this paragraph to each county, to be distributed by county treasurers in the same manner property taxes are distributed as provided in W.S. 39-13-111(a)(i). On or before September 1, county treasurers shall certify to the department the exemptions granted under W.S. 39-11-105(a)(xlvi). The amount calculated for each county shall be determined and distributed not later than June 30 of each year based on the amount of revenue that the county and each governmental entity within the county lost in the immediately preceding tax year as a result of the property tax exemption under W.S. 39-11-105(a)(xlvi). If the amount available to distribute under this subsection is insufficient to fully reimburse each county and governmental entity in the county as provided in this paragraph, the amount provided to each county shall be proportionally reduced based on the amount of revenue available. Beginning January 1, 2026, the amount calculated for a county under this paragraph shall not include any amount for mills that are assessed for the repayment of bonds;

The department shall compile and verify the information received from each county and shall verify any reductions in the distribution of mill levies to the school foundation program account under W.S. 21-13-303. Subject to appropriation of funds by the legislature, the department shall distribute verified amounts to each county treasurer for distribution as provided in W.S. 39-13-111 in an amount necessary to compensate each government entity for the reduction in tax revenues due to the exemption under this paragraph. If funds appropriated by the legislature for distribution under this subparagraph are insufficient to complete all necessary distributions, there is appropriated to the department of revenue from the legislative stabilization reserve account an amount equal to the amount by which legislative appropriations are insufficient to make distributions necessary under this subparagraph for the current tax year. The department shall transfer this legislative stabilization reserve account appropriation to each county for distribution to each government entity in an amount necessary to compensate each government entity for the reduction in tax revenues. No appropriation from the legislative stabilization reserve account shall be authorized under this paragraph after June 30, 2027 and total appropriations from the legislative stabilization reserve account under this subparagraph shall not exceed two hundred twenty million dollars ($220,000,000.00).If funds appropriated by the legislature for distribution under this subparagraph are insufficient to complete all necessary distributions, the department shall distribute funds to each government entity on a pro rata basis.

39-15-104. Taxation rate.

(j) In addition to the sales tax under subsections (a) and (b) of this section, and subject to the provisions of W.S. 39-15-111(r)(ii), beginning July 1, 2027 there is imposed an additional sales tax as provided in this subsection. The additional sales tax imposed under this subsection shall not apply to sales to industrial facilities as defined by W.S. 35-12-102(a)(vii) that are subject to permitting by the industrial siting council under W.S. 35-12-101 through 35-12-119 during the period of permitting and construction of the industrial facility. The revenue from the tax under this subsection shall be distributed as provided in W.S. 39-15-111(r). The rate of the sales tax under this subsection shall be determined as follows:

(i) Except as provided in paragraph (ii) or (iii) of this subsection, the rate of the additional tax shall be seventy-eight hundredths percent (0.78%), which shall be administered as if the sales tax rate under subsections (a) and (b) of this section was increased from four percent (4%) to four and seventy-eight hundredths percent (4.78%);

(ii) The additional rate specified under paragraph (i) of this subsection may be reduced in intervals of one quarter of one percent (0.25%) if the governor certifies to the department that the amount of the tax together with funds in the property tax reduction and replacement account are sufficient to provide all payments under W.S. 39-15-111(r)(i);

(iii) The additional rate specified under paragraph (i) of this subsection shall be reduced by the department to zero percent (0%) effective on July 1 if for any reason the exemption under W.S. 39-11-105(a)(xlvi) is unavailable for that tax year.

39-15-111. Distribution.

(b) Revenues earned under W.S. 39-15-104 during each fiscal year shall be recognized as revenue during that fiscal year for accounting purposes. Except as otherwise provided in ~~subsection~~ subsections (p) and (r) of this section, for all revenue collected by the department under W.S. 39-15-104 the department shall:

(r) An amount equal to the tax revenue collected that is attributable to the tax under W.S. 39-15-104(j) and 39-16-104(g) shall be transferred to the property tax reduction and replacement account, which is hereby created. All funds within the account shall be invested by the state treasurer as provided by law and all investment earnings from the account shall be credited to the account. An amount in the account equal to the tax revenue collected that is attributable to the tax under W.S. 39-15-104(j) and 39-16-104(g) from July 1 of each year through June 30 of the following year shall be distributed as follows:

(i) An amount determined under this paragraph to each county, to be distributed by county treasurers in the same manner property taxes are distributed as provided in W.S. 39-13-111(a)(i). On or before September 1, county treasurers shall certify to the department the exemptions granted under W.S. 39-11-105(a)(xlvi). The amount calculated for each county shall be determined and distributed not later than June 30 of each year based on the amount of revenue that the county and each governmental entity within the county lost in the immediately preceding tax year as a result of the property tax exemption under W.S. 39-11-105(a)(xlvi). If the amount available to distribute under this subsection is insufficient to fully reimburse each county and governmental entity in the county as provided in this paragraph, the amount provided to each county shall be proportionally reduced based on the amount of revenue available. Beginning January 1, 2028, the amount calculated for a county under this paragraph shall not include any amount for mills that are assessed for the repayment of bonds;

(ii) Any amount remaining after the distributions in paragraph (i) of this subsection shall remain in the property tax reduction and replacement account. The legislature shall annually review the amounts in the account and shall consider using any funds in the account for direct distributions to local governments.

39-16-104. Taxation rate.

(g) In addition to the use tax under subsections (a) and (b) of this section, and subject to the provisions of W.S. 39-15-111(r), beginning July 1, 2027 there is imposed an additional use tax as provided in this subsection. The additional use tax imposed under this subsection shall not apply to purchases by industrial facilities as defined by W.S. 35-12-102(a)(vii) that are subject to permitting by the industrial siting council under W.S. 35-12-101 through 35-12-119 during the period of permitting and construction of the industrial facility. The revenue from the tax under this subsection shall be distributed as provided in W.S. 39-15-111(r). The rate of the use tax under this subsection shall be determined as follows:

(i) Except as provided in paragraph (ii) or (iii) of this subsection, the rate of the additional tax shall be seventy-eight hundredths percent (0.78%), which shall be administered as if the use tax rate under

subsections (a) and (b) of this section was increased from four percent (4%) to four and seventy-eight hundredths percent (4.78%);

(ii) The additional rate specified under paragraph (i) of this subsection may be reduced in intervals of one quarter of one percent (0.25%) if the governor certifies to the department that the amount of the tax together with funds in the property tax reduction and replacement account are sufficient to provide all payments under W.S. 39-15-111(r)(i);

(iii) The additional rate specified under paragraph (i) of this subsection shall be reduced by the department to zero percent (0%) effective on July 1 if for any reason the exemption under W.S. 39-11-105(a)(xlvi) is unavailable for that tax year.

39-16-111. Distribution.

(b) Revenues earned under this article during each fiscal year shall be recognized as revenue during that fiscal year for accounting purposes. Except as provided in W.S. 39-15-111(r) for revenue attributable to the tax under W.S. 39-16-104(g), revenue collected by the department from the taxes imposed by this article shall be transferred to the state treasurer who shall, as specified by the department:". "Section 2.

(a) There is appropriated seventy-two million dollars ($72,000,000.00) from the general fund to the department of revenue to be expended only for payments to qualifying counties under this section. This appropriation shall not be transferred or expended for any other purpose. Notwithstanding W.S. 9-2-1008, 9-2-1012(e) and 9-4-207, any unexpended, unobligated funds remaining from this appropriation shall not revert until June 30, 2027. It is the intent of the legislature that this appropriation not be included in the standard budget of the department of revenue for the immediately succeeding fiscal biennium.

(b) The department of revenue shall establish a grant application and program for distribution of the funds appropriated in subsection (a) of this section and as specified in this subsection. Not more than one-half (1/2) of the amount appropriated in subsection (a) of this section may be distributed for purposes of restoring revenue attributable to any reduction in residential property tax assessments from tax years 2025. Any remaining funds from the appropriation in subsection (a) of this section shall be available for distribution for purposes of restoring revenue attributable to any reduction in residential property tax assessments from tax year 2026.

(c) The following shall apply to grants made under this section:

(i) No school district shall qualify for a grant under this section;

(ii) Subject to paragraph (iii) of this subsection, only counties, cities and towns that are, or are located within, the counties with the eight (8) lowest total assessed valuations for the current tax year, as certified by the department of revenue, shall qualify for grants under this section;

(iii) Only counties, cities and towns within the counties qualifying under paragraph (ii) of this subsection that also each impose the maximum statutory mill levy authorized to be imposed by the applicable governing board shall qualify for grants under this section;

(iv) Any special district that also imposes the maximum statutory mill levy authorized to be imposed by the applicable governing board shall qualify for grants under this section.

(d) Counties qualified under subsection (c) of this section and any special district located outside of a county qualified under subsection (c) of this section shall prepare a grant application to the department of revenue on behalf of the county and all cities, towns and qualifying special districts in the county. If awarded grant funds under this section, the county shall distribute the funds in proportion to the demonstrated reduction in residential property tax assessments as compared to tax year 2024 and directly attributable to legislation exempting or otherwise reducing residential property tax assessments enacted during the 2025 general session.

(e) Grants awarded under this section shall not exceed an amount equal to seventy-five percent (75%) of the demonstrated reduction of residential property tax assessments as compared to tax year 2024 and directly attributable to legislation exempting or otherwise reducing residential property tax assessments enacted during the 2025 general session. If funds appropriated under subsection (a) of this section and allocated for tax years 2025 and 2026 are insufficient to restore the demonstrated reduced residential property tax assessments under this section, the department of revenue shall make the grant awards on a pro rata basis.

(f) The department of revenue shall administer the program under this section and shall promulgate all rules necessary to implement this section.".

"Section 1. W.S. 9-4-227 is created to read:

9-4-227. Income tax prevention account.

(a) There is created the income tax prevention account. The account shall consist of all funds transferred or appropriated to the account by law. All monies deposited or transferred into the account are inviolate and constitute a permanent or perpetual trust fund, subject to the provisions for the withdrawal of funds provided by this section.

(b) The state treasurer shall invest all funds within the income tax prevention account in accordance with W.S. 9-4-715(a) and (c) through (e) and 9-4-716. W.S. 9-4-716(e) shall not apply to the account. The state treasurer, or the treasurer's designee, which shall be registered under the federal Investment Advisor's Act of 1940, as amended and if required to be registered by the terms of that act, may invest the unobligated, unencumbered balance of the account in equities, including stocks of corporations. The account shall be invested so that the overall risk profile of the account's investments shall not materially exceed the risk profile of a reference portfolio that consists of eighty-five percent (85%) private equity and fifteen percent (15%) private credit investments. In adopting investment policy statements for the account,

the board shall seek to preserve the balance of the account in a manner that strives for the highest possible risk-adjusted total net return consistent with an appropriate level of safety and liquidity, giving consideration to the account's potential extended investment period and the extended period during which monies in the account may be ineligible for withdrawal.

(c) Beginning on July 1, 2025 and on each July 1 thereafter, the state auditor shall transfer one hundred million dollars ($100,000,000.00), or as much thereof as is available, from the legislative stabilization reserve account to the income tax prevention account. The transfer under this subsection shall occur after all other transfers and appropriations from the legislative stabilization reserve account required by law are made.

(d) Transfers made under subsection (c) of this section, and the investment of those transfers, shall be in accordance with all of the following:

(i) The state treasurer shall separately account for each annual transfer made under subsection (c) of this section and shall separately account for all earnings from each annual transfer;

(ii) Annual transfers shall not be withdrawn from the account;

(iii) Investment earnings from each annual transfer shall not be withdrawn except in accordance with subsection (e) of this section.

(e) On July 1 of each fiscal year after fourteen (14) fiscal years have elapsed, all investment earnings in the income tax prevention account arising from the annual transfer to the account made fourteen (14) fiscal years earlier shall be deposited in the general fund. For purposes of this subsection:

(i) "Investment earnings" mean all interest income, dividends, realized capital gains and returned capital;

(ii) Investment earnings shall be distributed under this subsection as the earnings are received or when the fund from which earnings are derived matures;

(iii) The state treasurer may liquidate or sell investments in order to maximize earnings or minimize costs associated with making the deposit required under this subsection.

(f) Not later than October 1 of each year, the state treasurer shall report to the joint appropriations committee and the select committee on capital financing and investments regarding the investment of funds in the income tax prevention account. The report shall include information on the annual review of the account's investment policy statement and an estimate of investment earnings available for deposit to the general fund for the immediately succeeding fiscal year.".

(e) In investing monies of a fund or account which may be invested in stock of a corporation or other equities, the overall risk profile of the investments, excluding any specific public purpose investment authorized or directed by the legislature, shall not materially exceed the risk profile of a reference portfolio that consists of seventy percent (70%) global equities and thirty percent (30%) domestic fixed income investments. The state treasurer after consultation with the investment funds committee shall submit to the board the committee's recommendations of specific benchmarks for the measurement of the portfolio risk characteristics. The specific benchmarks shall be determined by the board. "Section 1. W.S. 9-4-227 is created to read:

9-4-227. Income tax prevention account.

(a) There is created the income tax prevention account. The account shall consist of all funds transferred or appropriated to the account by law. All monies deposited or transferred into the account are inviolate and constitute a permanent or perpetual trust fund, subject to the provisions for the withdrawal of funds provided by this section.

(b) The state treasurer shall invest all funds within the income tax prevention account in accordance with W.S. 9-4-715(a) and (c) through (e) and 9-4-716. W.S. 9-4-716(e) shall not apply to the account. The state treasurer, or the treasurer's designee, which shall be registered under the federal Investment Advisor's Act of 1940, as amended and if required to be registered by the terms of that act, may invest the unobligated, unencumbered balance of the account in equities, including stocks of corporations. The account shall be invested so that the overall risk profile of the account's investments shall not materially exceed the risk profile of a reference portfolio that consists of eighty-five percent (85%) private equity and fifteen percent (15%) private credit investments. In adopting investment policy statements for the account, the board shall seek to preserve the balance of the account in a manner that strives for the highest possible risk-adjusted total net return consistent with an appropriate level of safety and liquidity, giving consideration to the account's potential extended investment period and the extended period during which monies in the account may be ineligible for withdrawal.

(c) On July 1, 2025, if there is not less than two billion dollars ($2,000,000,000.00) in the legislative stabilization reserve account on that date, the state auditor shall transfer one hundred million dollars ($100,000,000.00) from the legislative stabilization reserve account to the income tax prevention account. The transfer under this subsection shall occur after all other transfers and appropriations from the legislative stabilization reserve account required by law are made. Additional transfers to the income tax prevention account in future years shall be subject to legislative appropriation.

(d) Transfers made under subsection (c) of this section, and the investment of those transfers, shall be in accordance with all of the following:

(i) The state treasurer shall separately account for each transfer made under subsection (c) of this section and shall separately account for all earnings from each transfer;

(ii) Transfers shall not be withdrawn from the account;

(iii) Investment earnings from each transfer shall not be withdrawn except in accordance with subsection (e) of this section.

(e) On July 1 of each fiscal year after fourteen (14) fiscal years have elapsed, all investment earnings in the income tax prevention account arising from the transfer to the account made fourteen (14) fiscal years earlier shall be deposited in the general fund. For purposes of this subsection:

(i) "Investment earnings" mean all interest income, dividends, realized capital gains and returned capital;

(ii) Investment earnings shall be distributed under this subsection as the earnings are received or when the fund from which earnings are derived matures;

(iii) The state treasurer may liquidate or sell investments in order to maximize earnings or minimize costs associated with making the deposit required under this subsection.

(f) Not later than October 1 of each year, the state treasurer shall report to the joint appropriations committee and the select committee on capital

financing and investments regarding the investment of funds in the income tax prevention account. The report shall include information on the annual review of the account's investment policy statement and an estimate of investment earnings available for deposit to the general fund for the immediately succeeding fiscal year.".

(xiii) "This act" means W.S. 9-4-202 through ~~9-4-226~~ 9-4-227.

9-4-716. State investment policy; investment consultant.

(e) In investing monies of a fund or account which may be invested in stock of a corporation or other equities, the overall risk profile of the investments, excluding any specific public purpose investment authorized or directed by the legislature, shall not materially exceed the risk profile of a reference portfolio that consists of seventy percent (70%) global equities and thirty percent (30%) domestic fixed income investments. The state treasurer after consultation with the investment funds committee shall submit to the board the committee's recommendations of specific benchmarks for the measurement of the portfolio risk characteristics. The specific benchmarks shall be determined by the board. Any provision of law which restricts or expands the investment of a specific fund or account to a greater degree than the provisions of this subsection shall control over this subsection.".

"Section 4. There is appropriated five hundred thousand dollars ($500,000.00) from the general fund to the University of Wyoming center for blockchain and digital innovation. Funds from this general fund appropriation shall be expended by the University of Wyoming center for blockchain and digital innovation, provided that the center develops software for the secretary of state's office that would allow for initial business entity formation and amendments, notary registration and renewal, apostille or authentication certification requests, lobbyist registration and renewal and all initial and additional filing types, as well as amendments, to be filed online. This appropriation shall be for the period beginning with the effective date of this act and ending June 30, 2026. This appropriation shall not be transferred or expended for any other purpose and any unexpended, unobligated funds remaining from this appropriation shall revert as provided by law on June 30, 2026. It is the intent of the legislature that this appropriation not be included in the University of Wyoming's standard budget for the immediately succeeding fiscal biennium.".

"13-2-216. Conversion of special purpose depository institution into state bank.

(a) The commissioner, with approval of the board, may convert the charter of a special purpose depository institution chartered under W.S. 13-12-115 to a state bank chartered under this article. A conversion shall occur as follows:

(i) A special purpose depository institution seeking to convert its charter to a state bank shall file an application to convert that contains a comprehensive plan for conversion as required by this section and rules promulgated by the commissioner. The application shall include a certificate signed by the institution's president and a majority of the board of directors setting forth the action taken to support the proposed conversion in compliance with this section. The plan of conversion and a proposed organizational instrument that includes the information required by W.S. 13-2-202 shall be approved by the shareholders of the special purpose depository institution prior to submitting an application for conversion;

(ii) The application to convert shall include a comprehensive plan for conversion setting forth any necessary disposition of assets and liabilities in reasonable detail to effect the conversion, and any other plans required by the commissioner. The application shall be accompanied by a fee consistent with W.S. 13-2-208. The plan of conversion shall provide for the discharge or assumption of all known and unknown claims and liabilities of the special purpose depository institution. Additionally, the application for conversion shall include other evidence, certifications, affidavits, documents or information as the commissioner may require, including demonstration of how assets and liabilities will be disposed, the timetable for effecting disposition or transfer of the assets and liabilities and a proposal for addressing any claims that are asserted after conversion has been completed;

(iii) The commissioner shall examine the application for compliance with this section, W.S. 13-2-207 through 13-2-212 and applicable rules.

(b) Upon receipt of a complete application, the commissioner shall notify the board. The board, in its discretion, may allow the commissioner to proceed with approval of an application on an expedited basis without further oversight or approval by the board or, if deemed necessary by the board, the board may require a process consistent with W.S. 13-2-207, 13-2-209 and 13-2-211. Where an expedited review is allowed by the board, the commissioner shall approve or deny a conversion application under this section not more than ninety (90) days after receipt of a complete application.

(c) The application shall not be approved under this section until the board or commissioner, as applicable, has ascertained to the board's or commissioner's satisfaction that the proposed state bank satisfies all criteria under W.S. 13-2-212(a), meets all applicable requirements and any applicable rules to operate in all respects as a state bank. If the application is to be approved by the board, the board shall take action consistent with W.S. 13-2-212(b).

(d) If the application is approved and a charter granted by the board, the converting state bank shall not commence business before receiving a certificate of authority to operate from the state banking commissioner. The application for a certificate of authority shall be made to the state banking commissioner and shall certify that the capital and surplus have been paid in, the address at which the institution will operate and that all of the bylaws adopted have been attached as an exhibit to the application. The application shall state who the officers, directors and stockholders are at that time and have attached evidence that appropriate federal insurance of deposits has been obtained, where applicable. The state banking commissioner shall approve or deny an application for a certificate of authority not more than thirty (30) days after a complete application has been filed. If the state banking commissioner approves the application, he shall issue a certificate of authority

to the converted state bank within twenty (20) days. If the state banking commissioner denies the application, he shall mail a notice of denial to the converting state bank within twenty (20) days, stating the reasons for denying the application, and grant to the converting state bank a maximum period of ninety (90) days to resubmit the application with the necessary corrections. If the converting state bank fails to comply with requirements of the notice of denial within ninety (90) days from the receipt of the notice, the approval of the application and articles of incorporation previously issued to the converting state bank shall be revoked by the state banking commissioner. The failure of the state banking commissioner to act upon a complete application for a certificate of authority within thirty (30) days shall be deemed an approval. If the approved converting state bank fails to commence business in good faith within one (1) year after the issuance of a certificate of authority by the state banking commissioner or any required federal approval, whichever is later, the charter and certificate of authority shall expire.

(e) A state bank that results from a conversion under this section shall be deemed to have been in existence for the same period of time as the special purpose depository institution from which it converted and shall surrender its certificate of authority under W.S. 13-12-116. Upon completion of the conversion the state bank shall not use the term "special purpose depository institution" in its business name or in connection with its ongoing business.

(f) The commissioner shall adopt all rules necessary to implement this section.".

"Section 2.

(a) There is appropriated one hundred eighty thousand seven hundred eight dollars ($180,708.00) from the general fund to the Wyoming supreme court administrative office of the courts and two (2) full-time employee positions are authorized for the Wyoming supreme court administrative office of the courts to be utilized as determined by the judicial branch through the chief justice. This appropriation shall not be transferred or expended for any other purpose. It is the intent of the legislature that this appropriation be doubled and included in the Wyoming supreme court's standard budget for the immediately succeeding fiscal biennium.

(b) If 2025 Senate File 0001 or 2025 House Bill 0001 is enacted into law, the appropriation in subsection (a) of this section shall be reduced by one dollar ($1.00) for every one dollar ($1.00) in general funds appropriated and one (1) full-time employee position for every one (1) full-time employee position authorized to the Wyoming supreme court in 2025 Senate File 0001 or 2025 House Bill 0001.".

(i) "Health care" shall mean acting to promote the curative, improving, healing, restorative and therapeutic physical health and well-being of a person, including an unborn person from the moment of conception herein defined as "life." "Health care" shall not mean actions that terminate life, and are hereby prohibited, except as provided in this section. Abortion, as defined by paragraph (ii) of this subsection, shall be defined as health care only if the abortion is medically necessary to save the life of a pregnant woman by performing a pre-viability separation procedure necessary in the physician's reasonable judgment to prevent the death of the pregnant woman, a substantial risk of death for the pregnant woman because of a physical condition or the serious and permanent impairment of a life-sustaining organ of a pregnant woman, provided that no separation procedure shall be deemed necessary under this section unless the physician makes all reasonable medical efforts under the circumstances to preserve both the life of the pregnant woman and the life of the unborn baby in a manner consistent with reasonable medical judgment;

(ii) "Abortion" shall mean an act, procedure, device or prescription administered to or prescribed for a pregnant woman by any person with knowledge of the pregnancy, including the pregnant woman herself, with the intent of producing the premature expulsion, removal or termination of a human embryo or fetus, except that in cases in which the viability of the embryo or fetus is threatened by continuation of the pregnancy, early delivery after viability by commonly accepted obstetrical practices shall not be construed as an abortion;".

(i) Performing a pre-viability separation procedure necessary in the physician's reasonable medical judgment to prevent the death of the pregnant woman, a substantial risk of death for the pregnant woman because of a physical condition or the serious and permanent impairment of a life-sustaining organ of the pregnant woman, provided that no separation procedure shall be deemed necessary under this paragraph unless the physician makes all reasonable medical efforts under the circumstances to preserve both the life of the pregnant woman and the life of the unborn baby in a manner consistent with reasonable medical judgment;

(ii) Providing medical treatment to a pregnant woman that results in the accidental or unintentional injury to, or the death of, an unborn baby;

(iii) Performing an abortion on a woman when the pregnancy is the result of incest as defined by W.S. 6-4-402 or sexual assault as defined by W.S. 6-2-301(a)(v). Prior to the performance of any abortion under this paragraph the woman, or the woman's parent or guardian if the woman is a minor or subject to a guardianship, shall report the act of incest or sexual assault to a law enforcement agency and a copy of the report shall be provided to the physician; or

(iv) Performing an abortion on a woman when, in the physician's reasonable medical judgment, there is a substantial likelihood that the unborn baby has a lethal fetal anomaly or the pregnancy is determined to be a molar pregnancy.

(b) The legislature finds that:

(i) As a consequence of an unborn baby being a member of the species home sapiens from conception, an unborn baby is a member of the human race under article 1, section 2 of the Wyoming constitution;

(ii) The legislature acknowledges that all members of the human race are created equal and are endowed by their creator with certain unalienable rights, the foremost of which is the right to life;

(iii) This act promotes and furthers article 1, section 6 of the Wyoming constitution, which guarantees that no person may be deprived of life or liberty without due process of law;

(iv) Regarding article 1, section 38 of the Wyoming constitution, abortion as defined in this act is not health care. Abortion is the termination of the life of an unborn baby. It is within the authority of the state of Wyoming to determine reasonable and necessary restrictions upon abortion, including its prohibition. In accordance with article 1, section 38(c) of the Wyoming constitution, the legislature determines that the health and general welfare of the people requires the prohibition of abortion as defined in this act;

(v) The legislature, in the exercise of its constitutional duties and powers, has a fundamental duty to provide equal protection to all human lives, including unborn babies from conception;

(vi) Wyoming's "legitimate interests include respect for the preservation of prenatal life at all stages of development; the protection of maternal health and safety; the elimination of particularly gruesome or barbaric medical procedures; the preservation of integrity of the medical profession; the mitigation of fetal pain; and the prevention of discrimination on the basis of race, sex or disability." Dobbs v. Jackson Women's Health Org., 142 S. Ct. 2228, 2284 (2022) (internal citations omitted);

(vii) The legislature recognizes the need to protect the health and general welfare of the people of Wyoming. In accordance with this purpose, the definition and rules specified in this section are provided to advance the health, welfare and safety of all people in Wyoming.

(c) As used in this act:

(i) "Abortion" means the act of using or prescribing any instrument, medicine, drug or any other substance, device or means with the intent to terminate the clinically diagnosable pregnancy of a woman, including the elimination of one (1) or more unborn babies in a multifetal pregnancy, with knowledge that the termination by those means will, with reasonable likelihood, cause the death of the unborn baby. "Abortion" shall not include any use, prescription or means specified in this paragraph if the use, prescription or means are done with the intent to:

(A) Save the life or preserve the health of the unborn baby;

(B) Save the life or preserve the health of the pregnant woman;

(C) Remove a dead unborn baby caused by a spontaneous abortion or intrauterine fetal demise;

(D) Treat a woman for an ectopic pregnancy;

(E) Treat a pregnant woman for cancer or another disease that requires medical treatment which treatment may be fatal or harmful to the unborn baby.

(ii) "Ectopic pregnancy" means a pregnancy that occurs when a fertilized egg implants and grows outside the main cavity of the uterus;

(iii) "Lethal fetal anomaly" means a fetal condition diagnosed before birth and if the pregnancy results in a live birth there is a substantial likelihood of death of the child within hours of the child's birth;

(iv) "Molar pregnancy" means the development of a tumor or cyst that may or may not include placental tissue from trophoblastic cells after fertilization of an egg that results in spontaneous abortion or intrauterine fetal demise;

(v) "Pregnant" means the human female reproductive condition of having a living unborn baby or human being within a human female's body throughout the entire embryonic and fetal stages of the unborn human being from fertilization, when a fertilized egg has implanted in the wall of the uterus, to full gestation and childbirth;

(vi) "Reasonable medical judgment" means a medical judgment that would be made by a reasonably prudent physician who is knowledgeable about the

case and the treatment possibilities with respect to the medical conditions involved;

(vii) "Unborn baby" or "unborn human being" means an individual living member of the species homo sapiens throughout the entire embryonic and fetal stages from fertilization to full gestation and childbirth.". Rodriguez-Williams, Chairman

28-8-103. Director and staff.

The management council shall appoint by majority vote a director of the office. The director, subject to the prior approval of the management council, may appoint assistant directors. The director shall appoint such professional, technical and clerical staff as necessary to perform the functions assigned to the office. The director shall appoint a chief economist to perform the functions assigned under W.S. 28-9-109. The director and staff shall be selected without reference to political affiliation and shall serve at the pleasure of the appointing authority. They shall be paid salaries and receive necessary expenses as determined by the management council.

28-9-101. Definitions.

(a) As used in this act:

(iv) "This act" means W.S. 28-9-101 through ~~28-9-108~~ 28-9-109.

28-9-103. Submission of rules for review; notice to legislators.

(d) Upon receipt of an agency's notice to adopt new rules pursuant to W.S. 16-3-103(a)(i), the legislative service office shall give notice to the primary sponsor of the legislation, to members of the interim or standing committee which sponsored or acted upon the legislation authorizing the new rules and to ~~any~~ every other legislator. ~~requesting notification.~~ The notice given by the legislative service office shall state a copy of the rules will be sent if requested. Notice under this subsection is not required for persons not currently serving in the legislature.

(e) Upon receipt of an agency's notice to adopt rules under W.S. 16-3-103(a)(i), the legislative service office shall give notice to each legislator.

28-9-104. Review procedure; time for review; criteria for review.

(a) The legislative service office shall review rules submitted under W.S. 28-9-103(b) and report its findings to the council. The legislative service office shall review new rules and include therein any comments from the primary sponsor of the legislation, the chairman of the interim or standing committee which sponsored or acted upon the legislation authorizing the new rules and any other legislator submitting comments, and shall report their findings to the council. The legislative service office shall review all rules in accordance with W.S. 28-9-109. The report required under this subsection shall be submitted to the council:

28-9-107. Legislative orders; action required; implementation and enforcement of rules.

(a) If the council determines that a rule submitted for review under W.S. 28-9-103(b) does not satisfy one (1) or more of the criteria of W.S. 28-9-104(c), or if the council deems it appropriate after reviewing the results of the analysis completed under W.S. 28-9-109, the council may introduce legislation in the next succeeding legislative session following the review to obtain a legislative order to prohibit the implementation or enforcement of the rule.". During the 2025 interim, the management audit committee of the Wyoming legislature shall study this act and its relation to existing statutory provisions concerning the legislative role in the administrative rule review process. The management audit committee shall receive all assistance requested from the legislative service office and executive branch agencies while conducting the study required by this section. Not later than December 1, 2025, the management audit committee shall report to the management council on the conclusion of the study required by this section. The report shall include, but not necessarily be limited to, the appropriate legislative role in overseeing administrative rules and the regulatory impact thereof, the legislative staff required to assist the legislature in completing this role, which legislative body should oversee this role when the legislature is not in session and any statutory changes necessary to effectuate the findings in the report. The management audit committee or management council may sponsor legislation during the 2026 budget session to effectuate the findings of the report. Funding for legislative staff necessary to effectuate the findings of the report required by this section may be included in the 2025 legislative appropriations bill.".

The order shall state the place for a hearing and set a time for the hearing that is no less than ten (10) days from the date of the order. After the hearing the ~~administrator~~ commissioner shall revoke or suspend the license if he finds that:

(ii) Facts or conditions exist which would clearly have justified the ~~administrator~~ commissioner in refusing to grant a license had these facts or conditions been known to exist at the time the application for the license was made.

(b) No revocation or suspension of a license is lawful unless prior to institution of proceedings by the ~~administrator~~ commissioner notice is given to the licensee of the facts or conduct which warrant the intended action and the licensee is given an opportunity to show compliance with all lawful requirements for retention of the license.

(c) If the ~~administrator~~ commissioner finds that probable cause for revocation of a license exists and that enforcement of this act requires immediate suspension of a license pending investigation, he may, after a hearing upon five (5) days written notice, enter an order suspending the license for not more than thirty (30) days.

(d) Whenever the ~~administrator~~ commissioner revokes or suspends a license, he shall enter an order to that effect and immediately notify the licensee of the revocation or suspension. Within five (5) days after the entry of the order he shall deliver to the licensee a copy of the order and the findings supporting the order.

(e) Any person holding a license under this act may relinquish the license by notifying the ~~administrator~~ commissioner in writing of its relinquishment, but this relinquishment shall not affect his liability for acts previously committed.

(g) The ~~administrator~~ commissioner may reinstate a license, terminate a suspension or grant a new license to a person whose license has been revoked or suspended if no fact or condition then exists which clearly would have justified the ~~administrator~~ commissioner in refusing to grant a license.".

"40-19-116. Record retention.

Every licensee shall maintain records in conformity with generally accepted accounting principles and practices in a manner which will enable the ~~administrator~~ commissioner to determine whether the licensee is complying with the provisions of this act. The record keeping system of a licensee shall be sufficient if he makes the required information reasonably available to the ~~administrator~~ commissioner. The records pertaining to any rental-purchase agreement need not be preserved for more than two (2) years after making the final entry relating to the agreement.

40-19-117. Examination and investigation.

(a) Upon complaint the ~~administrator~~ commissioner may examine and copy the records of a licensee. The investigation may be made for the purposes of discovering violations of this act or securing information lawfully required. For these purposes he shall have free and reasonable access during normal office hours to the offices, places of business and records of the licensee. Each licensee shall pay to the ~~administrator~~ commissioner an amount assessed by the ~~administrator~~ commissioner to cover the direct and indirect cost of an investigation under this subsection.

(b) For the purposes of this section, the ~~administrator~~ commissioner may administer oaths or affirmations, and upon his own motion or upon request of any party may subpoena witnesses, compel their attendance, adduce evidence and require the production of any matter which is relevant to the investigation, including the existence, description, nature, custody, condition and location of any books, documents or other tangible things and the identity and location

of person having knowledge of relevant facts or any other matter reasonably calculated to lead to the discovery of admissible evidence.

(c) Upon failure without lawful excuse to obey a subpoena or to give testimony and upon reasonable notice to all persons affected thereby, the ~~administrator~~ commissioner may apply to the district court for an order compelling compliance.

40-19-118. Powers and functions of the commissioner; enforcement; penalties.

(a) Except as otherwise provided, the Wyoming Administrative Procedure Act, W.S. 16-3-101 through 16-3-115, shall apply to and govern all administrative actions taken by the ~~administrator~~ commissioner pursuant to this act.

(b) The ~~administrator~~ commissioner may adopt rules and regulations to implement and administer this act.

(c) After notice and hearing, the ~~administrator~~ commissioner may order a merchant or a person acting on his behalf to cease and desist from engaging in violations of this act. Any person aggrieved by an order of the ~~administrator~~ commissioner may obtain judicial review of the order and the ~~administrator~~ commissioner may obtain an order of the court for enforcement of his order in the district court.

(d) The ~~administrator~~ commissioner may bring a civil action to restrain a merchant from violating the provisions of this act and for other appropriate relief.

(e) Any merchant refusing or obstructing access to the ~~administrator~~ commissioner or his representative to any account, books, records or papers, refusing to furnish any required information or hindering a full examination or investigation of the accounts, books, records or papers is guilty of a felony punishable by a fine of not less than one thousand dollars ($1,000.00), imprisonment for a period of not less than one (1) year, or both.

(f) Any merchant who wrongfully fails or refuses to comply with an order of the ~~administrator~~ commissioner as may be provided under this act is guilty of a misdemeanor punishable by a fine of not more than one hundred dollars ($100.00) per day for each day the order is not obeyed.". Case

"Section 5.

(a) The state loan and investment board is authorized to make loans under this section from the legislative stabilization reserve account for the purpose of mitigation and restoration projects needed as a result of wildfire and specified disasters that occur within the state of Wyoming. The aggregate sum

of all loans made under this section shall not exceed one hundred fifty-two million two hundred twenty-nine thousand five hundred sixty-four dollars ($152,229,564.00). No new loans under this section shall be made after June 30, 2027.

(b) The office of state lands and investments, under the direction of the state loan and investment board, shall establish and administer loans under this section to qualified persons, including political subdivisions, for any of the following purposes:

(i) Restoring grass, hay and vegetation destroyed by wildfire or other natural disasters on state and private lands;

(ii) Preventing the establishment of non-native invasive terrestrial vegetation on private or state lands affected by wildfire or other natural disasters;

(iii) Replacing private fences destroyed or partially destroyed by wildfire or other natural disasters;

(iv) Replacing and restoring the habitat and the resources provided by that habitat destroyed by wildfire or other natural disasters on state and private land;

(v) Repairing or replacing irrigation facilities destroyed by wildfire or other natural disasters on state and private land;

(vi) Repairing or replacing private structures destroyed by wildfire or other natural disasters;

(vii) Providing funding for any private cost share required of federal or state funding that would otherwise qualify under this section;

(viii) Providing monetary assistance to farmers and ranchers whose real property or assets are damaged by catastrophic events. As used in this paragraph, "catastrophic event" means a fire, earthquake, breached dam or other natural or man-made event to a farming or ranching operation or to state land that causes monetary damage of at least one hundred thousand dollars ($100,000.00).

(c) All loan applications under this section shall be provided to the Wyoming wildlife and natural resource trust fund board for a recommendation to the state loan and investment board. All loans shall be subject to final approval by the state loan and investment board.

(d) The loan program established and administered by the office of state lands and investments under this section shall be subject to all of the following:

(i) All applicants for loans shall reasonably demonstrate that they have applied for insurance payments for which they are eligible and all reasonably identifiable and applicable federal and state funding or were not eligible for other reasonably identifiable and applicable federal or state funding;

(ii) Loans shall be secured by collateral from each applicant, which may include land, structures, equipment and livestock. Collateral required under this paragraph may be accepted in a subordinate lien position;

(iii) The office shall develop the application forms, requirements and conditions needed to ensure timely repayment of loans;

(iv) The office shall impose any other necessary loan terms;

(v) The maximum term of loans shall not exceed twenty (20) years;

(vi) The interest rate on all loans shall be two percent (2%).

(e) Interest payments received from loans under this section shall be deposited to the general fund, except that up to one-half (1/2) of all interest payments may be retained by the office of state lands and investments and are continuously appropriated for administration of the loan program. All principal payments shall be deposited to the legislative stabilization reserve account.

(f) The office of state lands and investments shall maintain any records and accounts of revenues and expenditures in relation to loans under this section as required by the director of the state department of audit. Not later than October 15 of each year in which the loan program is operational, the office shall report to the joint appropriations committee and the joint agriculture, state and public lands and water resources interim committee on the purposes and amount of loans approved under this section.

Section 6. 2022 Wyoming session laws, chapter 51, as amended by 2023 Wyoming session laws, chapter 94 and 2024 Wyoming session laws, chapter 118, section 321(f) is amended to read:

"Section 3.

(a) There is appropriated thirty-six million dollars ($36,000,000.00) from the legislative stabilization reserve account to the department of revenue to be expended only for payments to qualifying counties under this section. This appropriation shall not be transferred or expended for any other purpose. Notwithstanding W.S. 9-2-1008, 9-2-1012(e) and 9-4-207, any unexpended, unobligated funds remaining from this appropriation shall not revert until June 30, 2027. It is the intent of the legislature that this appropriation not be included in the standard budget of the department of revenue for the immediately succeeding fiscal biennium.

(b) The department of revenue shall establish a grant application and program for distribution of the funds appropriated in subsection (a) of this section and as specified in this subsection. Not more than one-half (1/2) of the amount appropriated in subsection (a) of this section may be distributed for purposes of restoring revenue attributable to any reduction in residential property tax assessments from tax year 2025. Any remaining funds from the appropriation in subsection (a) of this section shall be available for

distribution for purposes of restoring revenue attributable to any reduction in residential property tax assessments from tax year 2026.

(c) The following shall apply to grants made under this section:

(i) No school district shall qualify for a grant under this section;

(ii) Subject to paragraph (iii) of this subsection, counties, cities and towns that are, or are located within, the counties with the eight (8) lowest total assessed valuations for the current tax year, as certified by the department of revenue, shall qualify for grants under this section;

(iii) Only counties, cities and towns within the counties qualifying under paragraph (ii) of this subsection that also each impose the maximum statutory mill levy authorized to be imposed by the applicable governing board shall qualify for grants under this section;

(iv) Any special district that also imposes the maximum statutory mill levy authorized to be imposed by the applicable governing board shall qualify for grants under this section.

(d) Counties shall prepare a grant application to the department of revenue on behalf of the county and all cities, towns and qualifying special districts located in the county. If awarded grant funds under this section, the county shall distribute the funds in proportion to the demonstrated reduction in residential property tax assessments as compared to tax year 2024 and directly attributable to legislation exempting or otherwise reducing residential property tax assessments enacted during the 2025 general session.

(e) Grants awarded under this section shall not exceed an amount equal to seventy-five percent (75%) of the demonstrated reduction of residential property tax assessments as compared to tax year 2024 and directly attributable to this act or legislation exempting or otherwise reducing residential property tax assessments enacted during the 2025 general session. If funds appropriated under subsection (a) of this section and allocated for tax years 2025 and 2026 are insufficient to restore the demonstrated reduced residential property tax assessments under this section, the department of revenue shall make the grant awards on a pro rata basis.

(f) The department of revenue shall administer the program under this section and shall promulgate all rules necessary to implement this section.". Larson, J.T.

(a) There is appropriated eighteen million dollars ($18,000,000.00) from the Wyoming state penitentiary capital construction account within the strategic investments and project account to the department of corrections for purposes of integrating the department's security system. This appropriation shall be for the period beginning with the effective date of this section and ending June 30, 2026. This appropriation shall not be transferred or expended for any other purpose and any unexpended, unobligated funds remaining from this appropriation shall revert as provided by law on June 30, 2026. It is the intent of the legislature that this appropriation not be included in the department of correction's standard budget for the immediately succeeding fiscal biennium.

(b) The amount appropriated in subsection (a) of this section shall be reduced by one dollar ($1.00) for every one dollar ($1.00) appropriated in any other bill enacted into law during the 2025 legislative session for purposes of integrating the department of correction's security system.".

(a) There is created Wyoming's next generation account. The account shall consist of all funds transferred or appropriated to the account by law. All monies deposited or transferred into the account are inviolate and constitute a permanent or perpetual trust fund, subject to the provisions for the withdrawal of funds provided by this section.

(b) The state treasurer shall invest all funds within Wyoming's next generation account in accordance with W.S. 9-4-715(a) and (c) through (e) and 9-4-716. W.S. 9-4-716(e) shall not apply to the account. The state treasurer, or the treasurer's designee, which shall be registered under the federal Investment Advisor's Act of 1940, as amended and if required to be registered by the terms of that act, may invest the unobligated, unencumbered balance of the account in equities, including stocks of corporations. The account shall be invested so that the overall risk profile of the account's investments shall not materially exceed the risk profile of a reference portfolio that consists of eighty-five percent (85%) private equity and fifteen percent (15%) private credit investments. In adopting investment policy statements for the account, the board shall seek to preserve the balance of the account in a manner that strives for the highest possible risk-adjusted total net return consistent with an appropriate level of safety and liquidity, giving consideration to the account's potential extended investment period and the extended period during which monies in the account may be ineligible for withdrawal.

(c) Beginning on July 1, 2026 and annually on each July 1 thereafter until fourteen (14) fiscal years have elapsed, transfers shall be made by the state auditor from the legislative stabilization reserve account to Wyoming's next generation account in accordance with all of the following:

(i) The annual transfer shall be:

(A) One hundred million dollars ($100,000,000.00), if the balance of the legislative stabilization reserve account exceeds one billion seven hundred fifty million dollars ($1,750,000,000.00);

(B) Seventy-five million dollars ($75,000,000.00), if the balance of the legislative stabilization reserve account exceeds one billion five hundred million dollars ($1,500,000,000.00) but is less than or equal to one billion seven hundred fifty million dollars ($1,750,000,000.00);

(C) Fifty million dollars ($50,000,000.00), if the balance of the legislative stabilization reserve account exceeds one billion two hundred fifty million dollars ($1,250,000,000.00) but is less than or equal to one billion five hundred million dollars ($1,500,000,000.00);

(D) Twenty-five million dollars ($25,000,000.00), if the balance of the legislative stabilization reserve account exceeds one billion dollars ($1,000,000,000.00) but is less than or equal to one billion two hundred fifty million dollars ($1,250,000,000.00);

(E) Zero dollars ($0.00), only if the balance of the legislative stabilization reserve account is equal to or less than one billion dollars ($1,000,000,000.00).

(ii) Transfers shall be made under this subsection if funds are available from the legislative stabilization reserve account;

(iii) The transfer required under this subsection shall be made after all other transfers and appropriations from the legislative stabilization reserve account required by law are made.

(d) Transfers made under subsection (c) of this section, and the investment of those transfers, shall be in accordance with all of the following:

(i) The state treasurer shall separately account for each annual transfer made under subsection (c) of this section and shall separately account for all earnings from each annual transfer;

(ii) Annual transfers shall not be withdrawn from the account;

(iii) Investment earnings from each annual transfer shall not be withdrawn except in accordance with subsection (e) of this section.

(e) On July 1 of each fiscal year after fourteen (14) fiscal years have elapsed, all investment earnings in Wyoming's next generation account arising from the annual transfer to the account made fourteen (14) fiscal years earlier shall be deposited in the general fund. For purposes of this subsection:

(i) "Investment earnings" mean all interest income, dividends, realized capital gains and returned capital;

(ii) Investment earnings shall be distributed under this subsection as the earnings are received or when the fund from which earnings are derived matures;

(iii) The state treasurer may liquidate or sell investments in order to maximize earnings or minimize costs associated with making the deposit required under this subsection.

(f) Not later than October 1 of each year, the state treasurer shall report to the joint appropriations committee and the select committee on capital financing and investments regarding the investment of funds in Wyoming's next generation account. The report shall include information on the annual review of the account's investment policy statement and an estimate of investment earnings available for deposit to the general fund for the immediately succeeding fiscal year.".

"9-4-227. Wyoming's next generation account.

(a) There is created Wyoming's next generation account. The account shall consist of all funds transferred or appropriated to the account by law. All monies deposited or transferred into the account are inviolate and constitute a permanent or perpetual trust fund, subject to the provisions for the withdrawal of funds provided by this section.

(b) The state treasurer shall invest all funds within Wyoming's next generation account in accordance with W.S. 9-4-715(a) and (c) through (e) and 9-4-716. W.S. 9-4-716(e) shall not apply to the account. The state treasurer, or the treasurer's designee, which shall be registered under the federal Investment Advisor's Act of 1940, as amended and if required to be registered

by the terms of that act, may invest the unobligated, unencumbered balance of the account in equities, including stocks of corporations. The account shall be invested so that the overall risk profile of the account's investments shall not materially exceed the risk profile of a reference portfolio that consists of eighty-five percent (85%) private equity and fifteen percent (15%) private credit investments. In adopting investment policy statements for the account, the board shall seek to preserve the balance of the account in a manner that strives for the highest possible risk-adjusted total net return consistent with an appropriate level of safety and liquidity, giving consideration to the account's potential extended investment period and the extended period during which monies in the account may be ineligible for withdrawal.

(c) Beginning on July 1, 2026 and annually on each July 1 thereafter until fourteen (14) fiscal years have elapsed, transfers shall be made by the state auditor from the legislative stabilization reserve account to Wyoming's next generation account in accordance with all of the following:

(i) The annual transfer shall be:

(A) One hundred million dollars ($100,000,000.00), if the balance of the legislative stabilization reserve account exceeds one billion seven hundred fifty million dollars ($1,750,000,000.00);

(B) Seventy-five million dollars ($75,000,000.00), if the balance of the legislative stabilization reserve account exceeds one billion five hundred million dollars ($1,500,000,000.00) but is less than or equal to one billion seven hundred fifty million dollars ($1,750,000,000.00);

(C) Fifty million dollars ($50,000,000.00), if the balance of the legislative stabilization reserve account exceeds one billion two hundred fifty million dollars ($1,250,000,000.00) but is less than or equal to one billion five hundred million dollars ($1,500,000,000.00);

(D) Twenty-five million dollars ($25,000,000.00), if the balance of the legislative stabilization reserve account exceeds one billion dollars ($1,000,000,000.00) but is less than or equal to one billion two hundred fifty million dollars ($1,250,000,000.00);

(E) Zero dollars ($0.00), only if the balance of the legislative stabilization reserve account is equal to or less than one billion dollars ($1,000,000,000.00).

(ii) Transfers shall be made under this subsection if funds are available from the legislative stabilization reserve account;

(iii) The transfer required under this subsection shall be made after all other transfers and appropriations from the legislative stabilization reserve account required by law are made.

(d) Transfers made under subsection (c) of this section, and the investment of those transfers, shall be in accordance with all of the following:

(i) The state treasurer shall separately account for each annual transfer made under subsection (c) of this section and shall separately account for all earnings from each annual transfer;

(ii) Annual transfers shall not be withdrawn from the account;

(iii) Investment earnings from each annual transfer shall not be withdrawn except in accordance with subsection (e) of this section.

(e) On July 1 of each fiscal year after fourteen (14) fiscal years have elapsed, all investment earnings in Wyoming's next generation account arising from the annual transfer to the account made fourteen (14) fiscal years earlier shall be deposited in the general fund. For purposes of this subsection:

(i) "Investment earnings" mean all interest income, dividends, realized capital gains and returned capital;

(ii) Investment earnings shall be distributed under this subsection as the earnings are received or when the fund from which earnings are derived matures;

(iii) The state treasurer may liquidate or sell investments in order to maximize earnings or minimize costs associated with making the deposit required under this subsection.

(f) Not later than October 1 of each year, the state treasurer shall report to the joint appropriations committee and the select committee on capital financing and investments regarding the investment of funds in Wyoming's next

generation account. The report shall include information on the annual review of the account's investment policy statement and an estimate of investment earnings available for deposit to the general fund for the immediately succeeding fiscal year.".

"(e) In investing monies of a fund or account which may be invested in stock of a corporation or other equities, the overall risk profile of the investments, excluding any specific public purpose investment authorized or directed by the legislature, shall not materially exceed the risk profile of a reference portfolio that consists of seventy percent (70%) global equities and thirty percent (30%) domestic fixed income investments. The state treasurer after consultation with the investment funds committee shall submit to the board the committee's recommendations of specific benchmarks for the measurement of the portfolio risk characteristics. The specific benchmarks shall be determined by the board. Any provision of law which restricts or expands the investment of a specific fund or account to a greater degree than the provisions of this subsection shall control over this subsection.". Harshman

Majority Floor Leader Nethercott: Mr. President, I move that bills currently pending before this body in the 68th Wyoming State Legislature, General Session, not be carried over to any future legislative session.

Minority Floor Leader Gierau: Mr. President, I second the motion of the Majority Floor Leader.

President Biteman: You have heard the motion. All those in favor say 'Aye' opposed, 'No'. By your vote, the motion has passed the Senate.

Majority Floor Leader Nethercott: Mr. President, I move the House of Representatives be informed that the Senate of the 68th Wyoming State Legislature, General Session, has completed its business and is ready to adjourn.

President Biteman: You have heard the motion. All those in favor say 'Aye' opposed, 'No'. The motion carried. President Biteman directed the Senate Chief Clerk Ellen Thompson to inform the House of Representatives that the Senate of the 68th Wyoming State Legislature, General Session, is ready to adjourn.

Majority Floor Leader Nethercott: Mr. President, I move that a committee of two be appointed to inform the Governor that the Senate has completed its business and is ready to adjourn; and escort his Excellency, the Governor, to the Senate.

President Biteman: You have heard the motion. All those in favor say 'Aye' opposed, 'No'. The motion carried. Majority Floor Leader Nethercott and Vice President Salazar please inform the Governor that the Senate has completed its business and is ready to adjourn; and escort his Excellency, the Governor, Mark Gordon, to the Senate Chamber. The Senate will stand at ease until the sound of the gavel.

President Biteman: The Senate will come to order. Please rise. Governor Gordon, we welcome you to the Senate.

Governor Gordon gave closing remarks to the members of the Senate.

President Biteman: Governor Gordon, on behalf of the members of the Senate, I thank you for your closing remarks to us.

Majority Floor Leader Nethercott and Vice President Salazar please escort his Excellency, the Governor from the Senate Chamber.

CLOSING OF SESSION

Majority Floor Leader Nethercott moved the following:

1. That the Senate, 68th Wyoming State Legislature, General Session, adjourn until a date and time which are determined jointly by the President of the Senate and the Speaker of the House of Representatives for the purpose of calling the Senate and House back into session.

2. That if no such time is established before December 31, 2025, the Senate, 68th Wyoming State Legislature, General Session is adjourned sine die effective

at 12:00 o'clock noon on that date and the Legislative Budget Session, 68th Wyoming Legislature shall convene on the 9th day of February, 2026 at the hour of ten o'clock a.m.

3. That the Senate specifically concurs in any identical motion adopted by the House of Representatives.

4. That if the House of Representatives fails to concur in the action of the Senate under paragraphs 1 through 3 of this motion, by adopting an identical motion applicable to the House of Representatives, the Senate of the 68th Wyoming State Legislature, General Session, is adjourned sine die.

President Biteman: You have heard the motion. All those in favor say 'Aye' opposed, 'No'. By your vote, the motion has passed the Senate.

We are now at that order of business, Reading and Approval of the Journal, Senator Crum will you please read the report?

Senator Crum: Mr. President, your Journal Committee reports that the Journal of March 6, 2025 has been read and recommends that it be approved.

President Biteman: There being no objection, the report is adopted. Subject to the conditions set forth in Majority Floor Leader Nethercott's motion, the Senate of the 68th Wyoming State Legislature, General Session, is adjourned and the Legislative Budget Session, 68th Wyoming Legislature shall convene on the 9th day of February, 2026, at the hour of ten o'clock a.m.

Senator Cooper gave the closing prayer.

President Biteman: The Senate is adjourned.

Ellen Thompson
