8 "7. (a) Of this general fund appropriation, the office of state
9 lands and investments may expend any funds as necessary, or as
10 much thereof is available, to conduct a study of state lands in
11 accordance with this footnote.
12

13 (b) The study under subsection (a) of this footnote shall
14 identify and study state lands in central Wyoming to optimize the
15 management of the state trust land sections while simultaneously
16 generating as much revenue as possible through the development of
17 a nuclear energy research, demonstration, manufacturing and
18 commercialization campus. The nuclear campus shall advance
19 economic activity related to Wyoming's uranium and value added
20 nuclear industries.
21

22 (c) The office of state lands and investments shall submit a
23 report of the study conducted under subsection (a) of this footnote
