

1 Page 9-line 18 After "delayed." insert "In addition to an
2 expedited process established under this
3 paragraph, the director may, by rule,
4 establish a pre-permitting process for any
5 permit or license required under this act for
6 the establishment or operation of a facility
7 for the production of a value-added
8 manufactured product in an industrial
9 sovereign zone established under W.S. 9-20-
10 201 through 9-20-204.".
11
12 To the extent required by this amendment, renumber as necessary.
