3 "(II) The diversion or management of surface
4 water runoff in compliance with the Surface Water Drainage Utility
5 Act. A governing body shall not fund a surface water diversion or
6 management program through the imposition of a tax or through the
7 incurrence of general obligation indebtedness backed by the taxing
8 power of the municipality unless the proposition has been submitted
9 to and approved by the electors in accordance with law. For
10 purposes of this subparagraph, "general obligation indebtedness"
11 shall not include revenue obligations payable solely from system
12 revenues, intergovernmental grants or financing provided through
13 state loan programs; and". SCHULER
