Sponsored by: Joint Appropriations Committee

A BILL

for

1 AN ACT relating to school buildings and facilities;
 2 providing appropriations for the fiscal biennium commencing
 3 July 1, 2026 through June 30, 2028; providing for
 4 appropriations for the remainder of the current biennium
 5 ending June 30, 2026; providing an appropriation that shall
 6 not revert; specifying conditions for expenditures;
 7 requiring reports; establishing a grant program for school
 8 facility safety and security projects; specifying
 9 requirements for school districts to receive safety and
 10 security grant funds; specifying applicability; and
 11 providing for an effective date.

12

13 *Be It Enacted by the Legislature of the State of Wyoming:*

14

15 **Section 1.**

16

1 (a) This section shall consist of funds appropriated
2 for K-12 school building and facility needs.

3

4 (b) As used in this section, a "priority" identified
5 by an Arabic numeral means the project ranking as submitted
6 by the school facilities commission within its budget
7 recommendations provided under W.S. 21-15-119.

8

9 (c) Except as specifically provided in this
10 subsection, subsection (d) of this section or as otherwise
11 provided by law, the amounts appropriated from the public
12 school foundation program account under subsection (j) of
13 this section are for the period beginning July 1, 2026 and
14 ending upon project completion. Appropriations for
15 projects denoted with an asterisk (*) within subsection (j)
16 of this section are effective immediately, and end upon
17 project completion, unless otherwise provided by law. Upon
18 completion of a project under this subsection, any
19 unexpended, unobligated funds remaining from the
20 appropriation for the project shall revert to the public
21 school foundation program account.

22

1 (d) The amounts appropriated from the public school
2 foundation program account under paragraphs (j)(ii) and
3 (iv) of this section are for the period beginning July 1,
4 2026 and ending June 30, 2028. Any unexpended, unobligated
5 funds remaining from any of these appropriations shall
6 revert to the public school foundation program account on
7 June 30, 2028, unless otherwise provided by law.

8
9 (e) As authorized under W.S. 21-15-119(a)(iii), the
10 school facilities commission may submit a supplemental
11 budget request for the period beginning July 1, 2027 and
12 ending June 30, 2028, for any emergency or unanticipated
13 need, or for any refinement or modification of a project
14 funded under this section, subject to any constraints or
15 other requirements imposed by the governor under W.S.
16 9-2-1013.

17
18 (f) An estimated schedule for deploying projects
19 funded by amounts appropriated under subsection (j) of this
20 section, as adopted by the school facilities commission and
21 as contained within the 2027-2028 biennial budget submitted
22 by the commission under W.S. 21-15-119, shall be used by
23 the state construction department to the extent practicable

1 to guide expenditure of appropriated funds. The estimated
2 schedule shall be based upon information, processes, events
3 and expenditures and shall not be binding upon the state
4 construction department or the school facilities
5 commission.

6

7 (g) Amounts appropriated under subsection (j) of this
8 section shall not be construed to be an entitlement or
9 guaranteed amount and shall be expended by the school
10 facilities commission to ensure adequate, efficient and
11 cost effective school buildings and facilities in
12 accordance with W.S. 21-15-114(a)(vii).

13

14 (h) In addition to accounting and reporting
15 requirements imposed under W.S. 28-11-301(c)(iv), the state
16 construction department shall report at least one (1) time
17 each year on the deployment of amounts to fund projects
18 under this section in accordance with the deployment
19 schedule, information on project progression and, if
20 applicable, the rationale for any deviation from the
21 estimated schedule. The reports, as approved by the
22 commission, shall be submitted by the department to the

1 select committee on school facilities, the joint
2 appropriations committee and the governor.

3

4 (j) For K-12 school facility projects, the following
5 amounts are appropriated from the public school foundation
6 program account to the school facilities commission for the
7 following purposes:

2 Chapter 118, Section 1(g)(ii)(A), two million six hundred
3 fifty thousand dollars (\$2,650,000.00)*, effective
4 immediately. The original scope and design of the project
5 shall not be modified as a result of the additional funds
6 appropriated under this paragraph. It is the intent of the
7 legislature that this appropriation and previous
8 appropriations for this project be prioritized by the
9 school facilities commission to ensure the expenditures for
10 this project result in an adequate, efficient and cost
11 effective project in accordance with W.S. 21-15-
12 114(a)(vii).

13

14 **Section 2.**

15

16 (a) For K-12 school facility safety and security
17 projects, five million dollars (\$5,000,000.00) is
18 appropriated to the school facilities commission, from the
19 public school foundation program account, for design of
20 security vestibules and vehicle barricades and approved
21 prioritized school district safety and security remedies.
22 The funds appropriated under this subsection shall remain
23 in effect beginning July 1, 2026, until the project is

1 completed, unless otherwise provided by law. Upon
2 completion of a remedy under this section, any unexpended,
3 unobligated funds remaining from this appropriation for the
4 remedy shall revert to the public school foundation program
5 account.

6

7 (b) The school facilities commission shall establish
8 a prioritized list of K-12 school facility safety and
9 security remedies utilizing national and regional best
10 practices. The commission shall consider school safety and
11 security needs identified by school districts in
12 determining the prioritized list of remedies. Funds shall
13 be distributed to school districts upon application to the
14 state construction department, in the manner and form
15 required by the commission, and as approved by the
16 commission.

17

18 (c) Prior to the expenditure of funds appropriated by
19 subsection (a) of this section, for each safety and
20 security remedy, the commission shall include the remedy in
21 the school district facility plan required pursuant to W.S.
22 21-15-116, ensure the remedy is a cost effective method to
23 address the safety and security need and specify a maximum

1 budget for each remedy.

2

3 (d) Not later than September 1, 2026, and each
4 September 1 thereafter until the funds appropriated under
5 subsection (a) of this section are expended or have
6 reverted upon completion of a remedy, in conjunction with
7 the school facilities commission's annual budget
8 recommendations required pursuant to W.S. 21-15-119, the
9 commission and state construction department shall report
10 to the select committee on school facilities, the joint
11 appropriations committee and the governor any expenditures
12 of funds appropriated under subsection (a) of this section
13 and shall include any request for funds necessary for the
14 construction of security vestibules and vehicle barriers
15 and to complete school district safety and security needs
16 identified pursuant to subsection (b) of this section.

17

18 **Section 3.**

19

20 (a) There is appropriated two hundred thirty-seven
21 million eight hundred sixty-five thousand one hundred
22 twenty-three dollars (\$237,865,123.00) from the public
23 school foundation program account to the state construction

1 department for major maintenance payments to school
2 districts in accordance with W.S. 21-15-109. This
3 appropriation shall be subject to the following:

4

5 (i) One million one hundred twenty-two thousand
6 four hundred dollars (\$1,122,400.00) shall be for the
7 period beginning on the effective date of this section and
8 ending June 30, 2028;

9

10 (ii) Two hundred thirty-six million seven
11 hundred forty-two thousand seven hundred twenty-three
12 dollars (\$236,742,723.00) shall be for the period beginning
13 July 1, 2026 and ending June 30, 2028;

14

15 (iii) This appropriation shall not be
16 transferred or expended for any other purpose and any
17 unexpended, unobligated funds remaining from this
18 appropriation shall revert as provided by law on June 30,
19 2028.

20

21 **Section 4.** To the extent that 2026 Senate File 0060
22 is enacted into law during the 2026 Budget Session, the

1 provisions of this act shall control and supersede any
2 conflicting provisions of 2026 Senate File 0060.

3

4 **Section 5.** This act is effective immediately upon
5 completion of all acts necessary for a bill to become law
6 as provided by Article 4, Section 8 of the Wyoming
7 Constitution.
