Source of expenditure increase:

This legislation requires school districts to develop cardiac emergency plans and for the Department of Education to use the provided appropriation to reimburse districts for the actual cost of implementation. The Department of Education estimates \$25,000 per year would be expended in the form of reimbursements to school districts for implementation of cardiac emergency response plans and athletic cardiac emergency response plans.

**NOTICE-AGENCY ESTIMATE OF ADMINISTRATIVE IMPACT REQUESTED**

This bill has administrative impact that appears to increase duties or responsibilities of one or more state agencies and may impact agency spending or staffing requirements. As introduced, the bill does not modify any state agency budget or current personnel authorizations.

The following state agencies will be asked to provide their estimate of the administrative fiscal impact prior to the first committee meeting held to consider the bill:
