Description of appropriation:

The appropriation will be distributed on a pro rata basis to any city or town that established a surface water division or runoff system under W.S. 15-7-101(a)(iii) or W.S. 15-7-401 prior to the effective date of the bill and is seeking to transition its system to a surface water drainage utility.

Assumptions:

The Office of State Lands and Investments assumes that cities or towns can request funds for the specified purpose before or after the expense occurs. To facilitate distribution of the funds, the Office anticipates soliciting requests from the cities and towns to ensure the request funds are made pursuant to the specified purpose. In addition, the Office assumes the funds can be fully distributed during Fiscal Year 2027 to cities and towns.

Additional fiscal impact is indeterminable at this time.
