Deputy Director

Approved Providers - Wyoming's Eligible Training Provider List

Prepared by the Wyoming Department of Workforce Services

Wyoming's Eligible Training Provider (ETP) list encompasses a variety of training opportunities available to participants under the Workforce Innovation and Opportunity Act (WIOA). To become an approved provider, the Wyoming Department of Workforce Services (DWS) utilizes an Eligible Training Provider Application, State of Wyoming Training Provider General Provisions and Agreement Signature Sheet, and Vendor Management packet, including a current W-9 form. Before DWS can refer WIOA participants to a provider, these providers must be approved by the Wyoming Workforce Development Council (WWDC) as an ETP for the State of Wyoming. This process is required by WIOA to ensure consumer choice options for high demand/high growth careers.

Upon approval, approved training providers are visible on Wyoming's active ETP list, which is made available to the public through the DWS "Wyoming at Work" labor exchange website. The information on the website includes the cost of attendance and performance information for each approved training program. Participants use the list to make informed choices with their WIOA Case Managers regarding available training options. A signed training agreement provides reimbursement for tuition and certain other individual training costs such as books, supplies, and fees.

Approved training providers are required to provide performance information on all participants so individuals can make the best training selection for their workforce development. Annual reviews are completed to ensure approved training programs still offer outcomes for self-sufficiency. Please note, the ETP list does not include all training providers in the State of Wyoming, but only those that have been approved by the WWDC. The following table outlines the current approved, non-public training providers on the ETP list:

Legal Business Name	Doing Business As	Location(s)	Approved Programs	Tuition/Fees
ABC Realty Company	Wyoming Real Estate Institute	Sheridan, WY	1) Real Estate Sales 2) Real Estate Broker	1) \$695 2) \$735
