NEVI / EV Update

September 27, 2022: The **FY2022/FY2023** National Electric Vehicle (NEVI) Plan approved by Federal Highway Administration (FHWA)

- Funds 7 NEVI-sized EV stations along I-80, I-25, & I-90 corridors in or near:

Pine Bluffs
Laramie
Wheatland
Douglas
Buffalo
Sheridan
Sundance

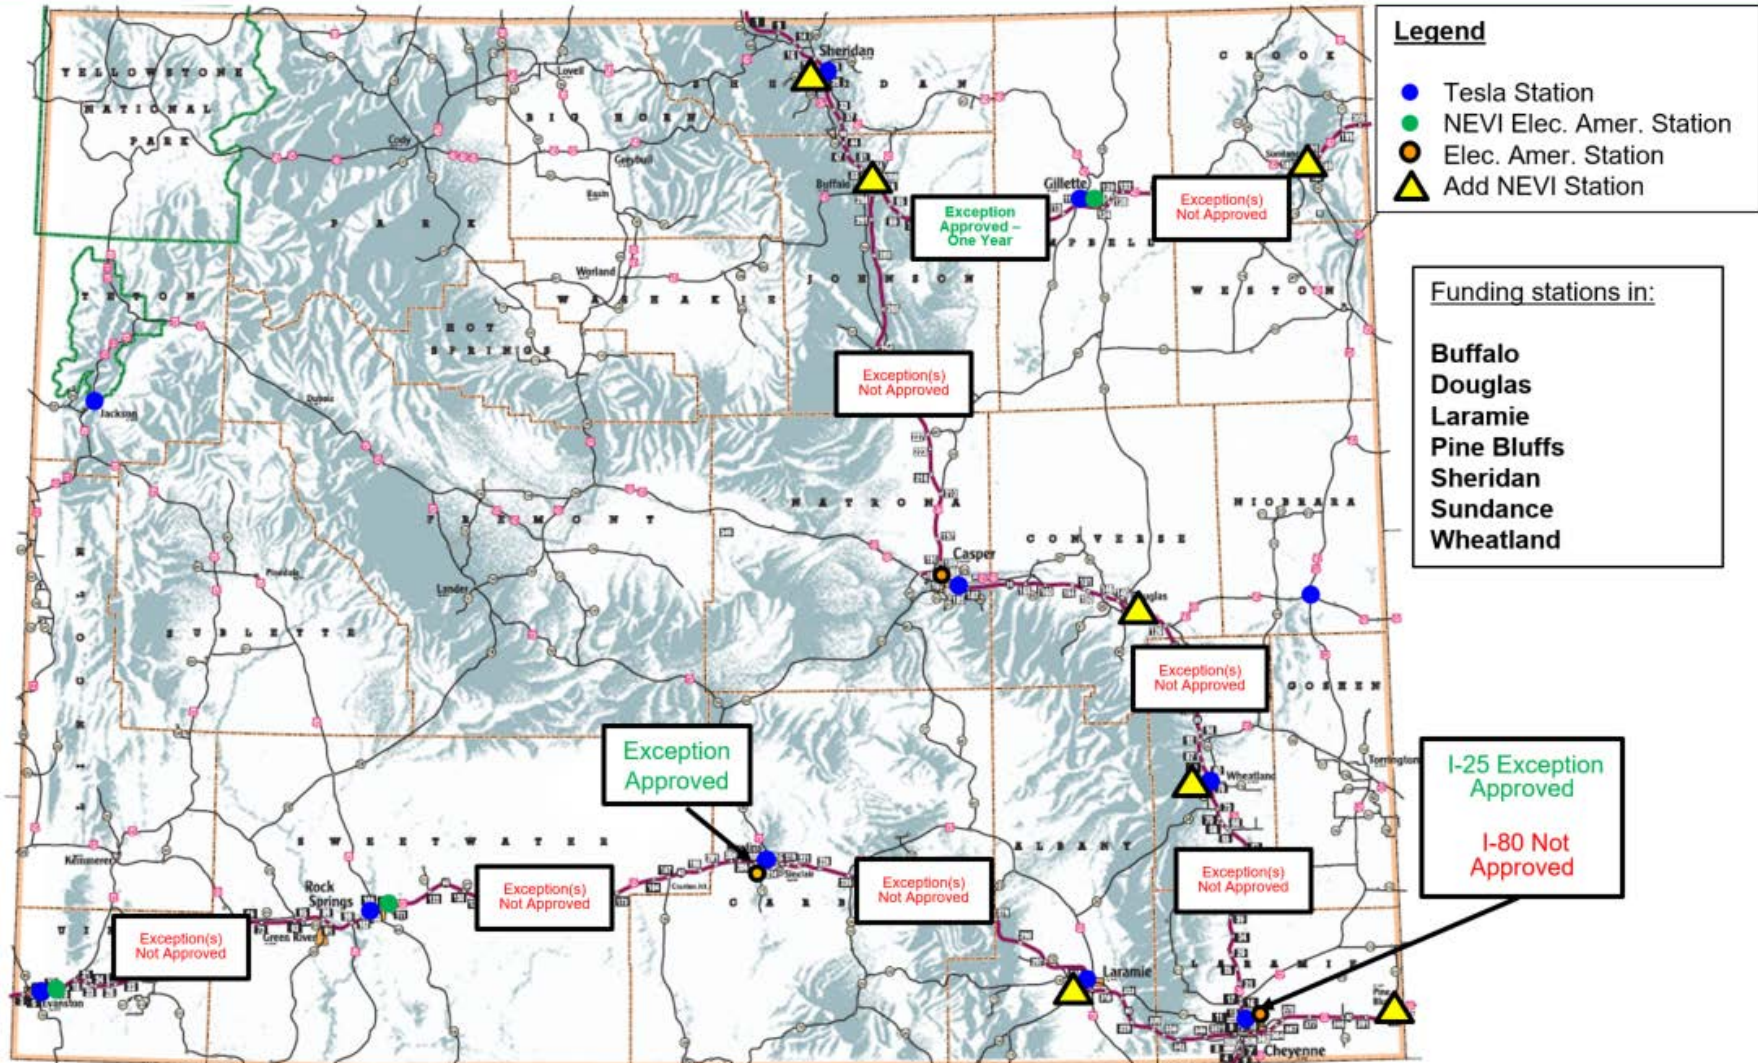

- 8 of 11 exceptions denied; no reason given
- Exception disapprovals do not affect this year's plan but may hinder or eliminate ability to support off-corridor stations with NEVI funds in future plans
- Will continue to work with FHWA in future plans to refine exception requests to build a network that supports tourist travel but is economically feasible

October 6, 2022: NEVI consultant selected and contracting in process

Fuel Tax Equivalent: Collection for EV Charging Stations
