## Wyo. Stat. Ann. § 11-25-102:

(v) **"Pari-mutuel event"** means the events which are authorized by the commission for the conduct of horse racing (to include quarter horse, thoroughbred or other approved races), harness racing, cutter racing, chariot racing, chuckwagon racing, professional roping and rodeo events and simulcasting of dog racing and the events described in this paragraph as prescribed by the commission. Notwithstanding W.S. 6-7-101(a)(iv) and 11-25-203, the commission may authorize and promulgate rules providing for pari-mutuel wagering on events that have previously occurred, utilizing an electronic system or device that affords an opportunity for the exercise of skill or judgment where the outcome is not completely controlled by chance alone;

(vi) **"Pari-mutuel wagering"** means wagering on the outcome of pari-mutuel events in which those who wager purchase tickets of various denominations on entrants in the events and all wagers for each event are pooled and held by the permittee for distribution, and when the outcome of the event has been decided, the permittee distributes the total wagers comprising the pool, less an amount not greater than twenty-five and nine-tenths percent (25.90%) for live racing and in the event of simulcasting an amount not to exceed the percentage allowed at the host track or thirty-five percent (35%), whichever is less and less the amount for breakage to holders of tickets on the winning entries;

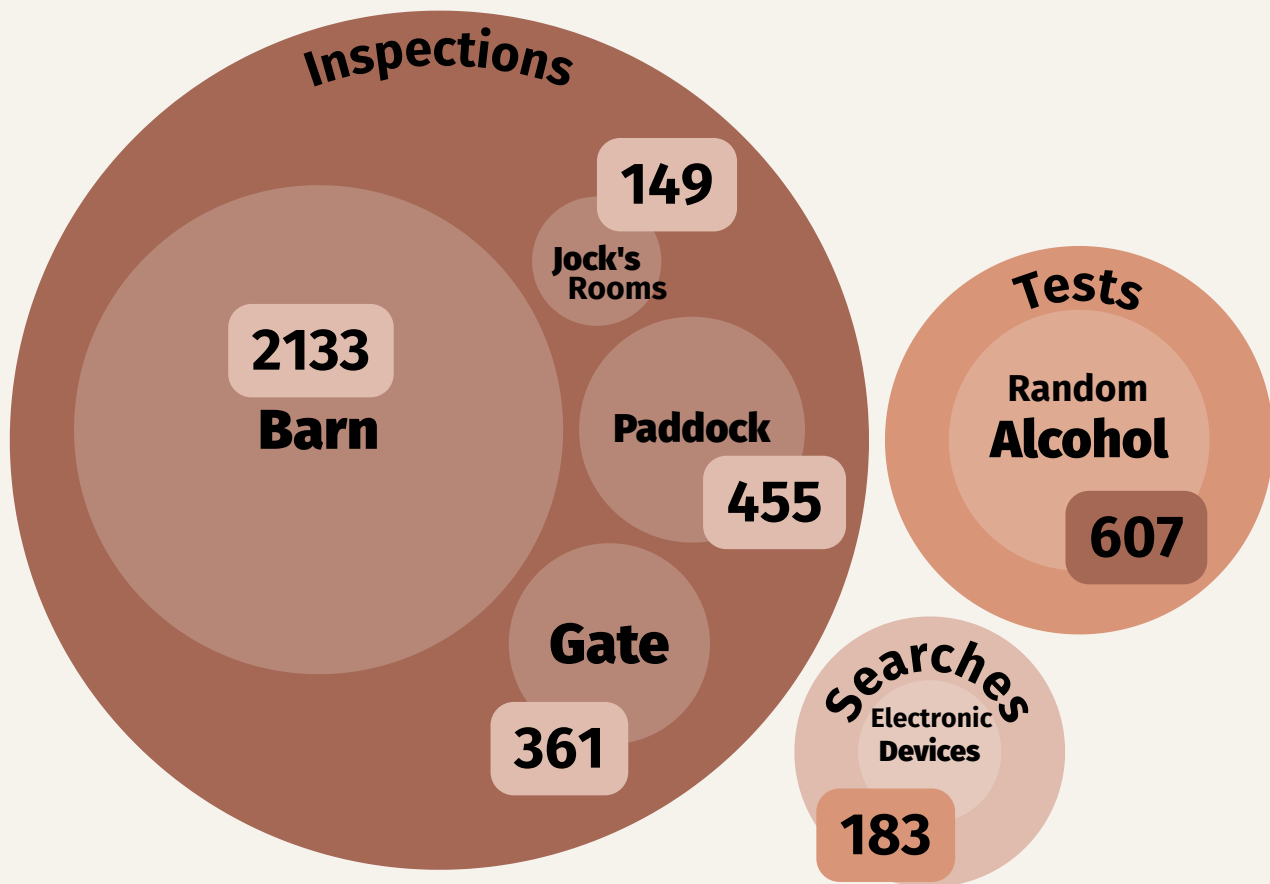

(xix) **"Skill based amusement game"** means a game played in exchange for consideration of cash, credit or other thing of value on a fixed, commercial electrical gaming device in which the bona fide skill of the player, determined by an individual's level of strategy and skill, rather than any inherent element of chance, is the primary factor in determining the outcome and for which the player may be awarded a prize or other thing of value for a successful outcome.
