

# Black Hills Energy Data Center Briefing

David Bush  
Governmental Affairs Manager  
Joint Corporations Committee  
July 30, 2024

# Innovative Energy Solutions for Wyoming Data Centers

## Trusted Energy Partner

- 10+ years of successfully serving Wyoming's data center growth
- Cost-effective energy and mission-critical reliability
- Trusted partner to global data center leaders Microsoft, Meta

## Innovative Energy Solutions

- Innovative tariffs to support data center and block chain energy demand
- Energy and capacity procurement model protects existing customers from rate impacts

# Large Power Contract Service Tariff (LPCS)

- Established in 2016 in partnership with Microsoft
- Available to high use customers with energy demand of 13 megawatts or more
- Customized and dedicated energy resources through energy procurement model
  - Market energy
  - Purchased power agreements
- Energy and capacity procurement model protects existing customers from rate impacts

# Capacity Requirements of LPCS Participants

Options include:

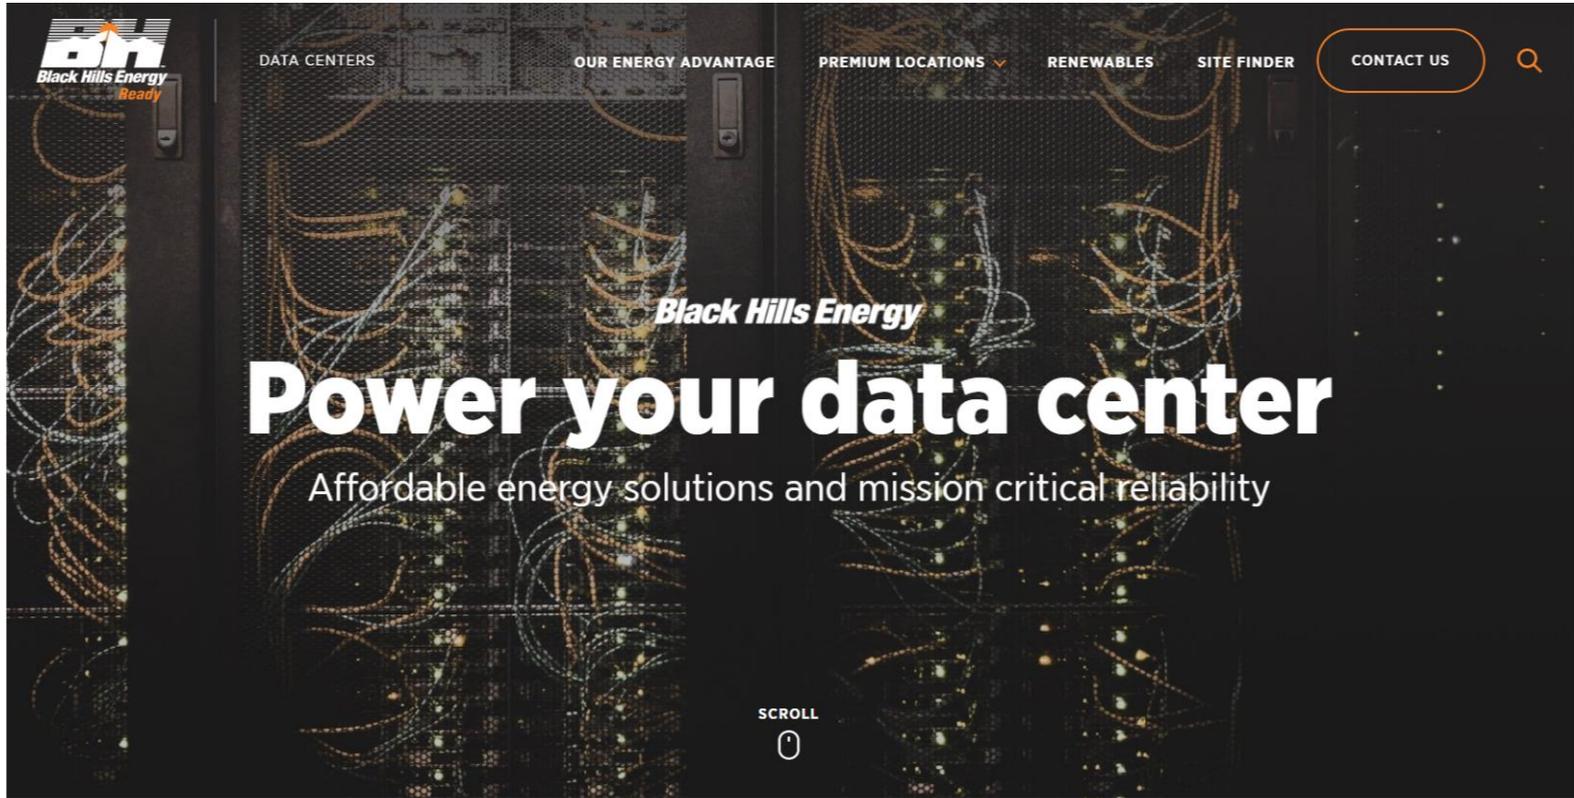

- Customer-owned back-up generation or company-owned generators built specifically for the customer
- Company-owned generation built specifically to serve multiple customers on LPCS tariff
- Renewable resources and battery storage
  - Company-owned or procured through Purchased Power Agreement and backed by physical resources

# Distribution and Transmission

- LPCS participants pay for incremental facilities necessary to provide service to their facility
  - Load serving substations
  - Distribution system upgrades
  - Transmission system upgrades
- Participants pay to use their share of the bulk transmission system serving all Black Hills Energy customers on the CLFP system

# VISION

Be the Energy Partner of Choice.

# MISSION

Improving Life with Energy.

## COMPANY VALUES

### Agility

We embrace change and challenge ourselves to adapt quickly to opportunities.

### Customer Service

We are committed to providing a superior customer experience every day.

### Partnership

Our partnerships with shareholders, communities, regulators, customers and each other make us all stronger.

### Communication

Consistent, open and timely communication keeps us focused on our strategy and goals.

### Integrity

We hold ourselves to the highest standards based on a foundation of unquestionable ethics.

### Respect

We respect each other. Our unique talents and diversity anchor a culture of success.

### Creating Value

We are committed to creating exceptional value for our shareholders, employees, customers and the communities we serve...always.

### Leadership

Leadership is an attitude. Everyone must demonstrate the care and initiative to do things right.

### Safety

We commit to live and work safely every day.
