23

Except as otherwise provided in this section, to 13 (a) promote the public health, safety, morals and general 14 welfare of the county, each board of county commissioners 15 16 may regulate and restrict the location and use of buildings and structures and the use, condition of use or occupancy 17 of lands for residence, recreation, agriculture, industry, 18 19 commerce, public use and other purposes in the 20 unincorporated area of the county. However, Nothing in W.S. 21 18-5-201 through 18-5-208 shall be construed to contravene any zoning authority of any incorporated city or town. No 22

zoning resolution or plan shall prevent any use

occupancy reasonably necessary to the extraction or
production of the mineral resources in or under any lands
subject thereto. No board of county commissioners shall
require that a land use or physical development be
consistent with a local land use plan unless the applicable
provisions of the local land use plan have been
incorporated into the local zoning regulations. Nothing in
W.S. 18-5-201 through 18-5-208 shall be construed to allow
any board of county commissioners, through the
establishment of minimum lot size requirements or
otherwise, to prevent residential or agricultural uses
authorized for land divisions that are exempt from
subdivision requirements pursuant to W.S. 18-5-303(a)(i).
No zoning resolution or plan shall regulate and restrict
the location and use of buildings and structures and the
use, condition of use or occupancy of lands for the use of
a private school as defined in W.S. 21-4-101(a)(iii) in any
manner different from a public school, provided that the

17	STAFF COMMENT
18	This bill draft does not include amendments regarding
19	single family residences in the unincorporated area of
20	counties. The county planning and zoning statutes are
21 22	complex and may require closer examination and
23	consideration by the Committee if the Committee wishes to amend those statutes.
24	amend those statutes.
25	For example, the Committee may wish to consider the
26	statutes governing the adoption of a comprehensive land use
27	plan in the counties. See, e.g., W.S. 9-8-301(c) (requiring
28	all counties to develop a land use plan which shall
29	incorporate the land use plans of all incorporated cities
30 31	and towns within the county); W.S. 18-5-202 (addressing planning and zoning commissions and the adoption of
32	comprehensive land use plans).

1	
2	In addition, the Committee may wish to consider the
3	statutes governing the subdivision of land in the
4	unincorporated areas of counties. W.S. 18-5-301 through 18-
5	5-319 (real estate subdivisions); W.S. 18-5-401 through 18-
6 7	5-405 (conservation design process).
