Management Council

Date: September 24, 2025

Motion: President Biteman has been invited by Secretary of Interior Doug Burgum attend a joint announcement event on September 29, 2025 with National Energy Dominance Council leadership from the Department of the Interior, Department of Energy and the Environmental Protection Agency. This event will spotlight coal’s vital role in powering America and the Administration’s commitment to advancing reliable, affordable U.S. energy. President Biteman will attend this event in his official capacity as the presiding officer of the Wyoming Senate.

Please vote by email ballot whether to approve travel expense reimbursement for President Biteman to attend this event.
