If the requested information is not provided within the forty-five (45) day period, the

1 division shall make a determination of experience rating

11 employer's account shall not be further credited upon
12 recovery from a third party by the division. If a written
13 request for hearing on the issue of chargeability is not
14 filed within fifteen (15) days after a determination of
15 chargeability, and information not available at the time of
16 the initial chargeability determination shows that an
17 employee's injury was primarily caused by a third party, an
