I got **Gary Brown** yay! The check is getting mailed from Don Grasso's assistant, so unfortunately you probably won't get it until Friday of this coming week. He doesn't keep his own checkbook with him ha ha ha.

That's great, Rebecca. That's soon enough. You are awesome. I will definitely be sending him a thank you card!

Can you send me Donn Grasso address so I get the card directly to him.

Of course!!!!

I can't thank you enough, Rebecca.

♥️  
I've got two guests about to arrive from Cody. His granddaughter was here for a tournament, so I'm gonna hop off. I was hoping to go to two places today and ask for checks, but I only had time for one. But at least so far we're at 100%! 🇺🇸

Hey Gary. I've got another check for you for 1500. I'm sorry if I don't see it off the bat. Who are we writing this check to and what is the mailing address?

It is from Lisa Meaney

Like what is the address for your campaign and who do they make the check payable to?

So by the time Don's Assistant gets out of the hospital, I think I'll have you \$3000

Lisa Meaney's in for 1500 and then Don of course got 1500

For \$1500

Thank you Rebecca! You're awesome!  
My campaign address is,
