I've been volunteer fundraising! What does this check need to be made out to for your House campaign? Where shall I mail the check? You've got a new \$1,500 supporter from Teton County.

Good morning

I thought I'd circle back one more time. I'm trying to get this list of checks to the donors.

I don't know if you're gonna have an opponent or not. If you think you are, you might as well go ahead and take 1500 bucks from some super generous folks here in Teton County. I just need the name to write out the check for your campaign.

This check would be coming from a guy named Don grasso who probably gave me \$100,000 to candidates and PACs in the last election. Super conservative Republican guy. Fabulously wealthy.

Thank you so much. We are truly grateful. Be sure to include his name and address for a thank you note.

So far I've got 40 to 50 checks for \$1500 for candidates coming through, but if you find that you're going to have a competitor, let me know ASAP so I can double down on you. I'm trying to at least get the good guys a \$1500 check, and then people in tight races I'm gonna do as much as I can.

If for some reason I am not challenged, we will redirect the donation to a person of your choice. May God bless you for your hard
