Happy New Year! I know you're busy but if you get a chance, will you please read my email about the conflict of interest WCDA that I sent yesterday? Somethings gotta happen here.

Tue, Jan 6 at 3:28 PM

Forgive me but I do not have you in my contacts, I do not see any email in my inbox. Who are you and what are you referring to?

Rebecca Bextel

Don't worry, that happens to me all the time. My phone broke two weeks ago and it's been a nightmare! 🤪

Well hello there- what email did you use? I don't typically check my legislative email very often. Use my personal one- [docsguns@gmail.com](mailto:docsguns@gmail.com)

I will forward it along!

Don't worry about reading that mile long contract, but I just wanna get everybody brushed up on the WCDA and how corrupt they are before the start of the session. I'm gonna bust this housing sCam wide open. I've already got a few wins.

Sorry, I won't see you at my Townhall on Thursday, but I know you're

Sorry, I won't see you at my Townhall on Thursday, but I know you're wayyyyy south of Casper

Oh you do t have to worry about convincing me. I'm glad we have you. Strong work Ma'am.

Well, thank you. I'm proud of you too. Let me know if you need any help in the reelection. I'm afraid they're going to come after you pretty hard.

I'm sure they are... I'm sure Clark is chomping at the bit. The quiet before the storm- the RS cabal will certainly have its say.

People around here cannot stand that guy, so you will definitely have their support

I'll need all the help I can get. So thank you for all that you do for all of us.

 What does this check need to be  
 made out to for your House  
 campaign? Where shall I mail the  
 check? You've got a new \$1,500  
 supporter from Teton County.

 Wyoming HD48. Home address is

I just had a young reporter from  
 Teton ask about the checks handed  
 out on the floor. I'll call when I get  
 chance. I told her what happened  
 and the it was no different than the  
 donor sending them in the mail. I  
 declined giving his name and told  
 her she can read it on the campaign  
 finance page

Yes, that had been the girl wild while.  
 She just asked me what I was  
 passing out and I told her it was none

 iMessage business. What does it

matter? You guys have to have them  
 to get elected.
