I've been volunteer fundraising! What does this check need to be made out to for your House campaign? Where shall I mail the check? You've got a new \$1,500 supporter from Teton County.

I just had a young reporter from Teton ask about the checks handed out on the floor. I'll call when I get chance. I told her what happened and the it was no different than the donor sending them in the mail. I declined giving his name and told her she can read it on the campaign finance page

Yes, that had been the girl wild while. She just asked me what I was passing out and I told her it was none of the business. What does it matter? You guys have to have them to get elected.

Just a heads up. I'll call when I can.

I am not worried about it! Keep up the good work!

I told her if she spins it, I'll never talk to her again
