2 (b) As used in this article:

3

4 (ix) "Major building and facility repair and
5 replacement" and "major maintenance" mean the repair,
6 replacement or upgrade of complete or major portions of any
7 component, equipment or system of a property at irregular
8 intervals that is required to continue the use of the
9 property at its designed capacity for its designed intended
10 use and is typically accomplished by contractors due to the
11 personnel demand to accomplish the work in a timely manner,
12 the level of sophistication of the work or the need for
13 warranted work. For expenditures of major maintenance funds
14 pursuant to W.S. 21-15-109, the terms also include the
15 reconfiguration of space within an existing school building
16 or facility necessary to modernize or adapt the school
17 building or facility to an approved use or capacity for the
18 delivery of required educational programs. The terms
19 include, but are not limited to, the following categories
20 as hereafter defined:
