2025 INTERIM COMMITTEE TOPICS FINALIZED

CHEYENNE – The Wyoming Legislature’s finalized [list of interim committee topics](#) are now available on the Legislature’s website. The “interim” is the period of time between legislative sessions where committees meet across the state in various locations to discuss issues and develop proposed legislation for consideration during the subsequent legislative session. The topics outlining the areas of focus for the respective interim committees can be viewed on the Legislature’s [homepage](#) as well as individual committee’s webpages.

The Wyoming Legislature encourages the public to participate in all interim activities. The public can use the Legislature’s website to find information about committee meeting dates and locations, agendas, committee rosters, view meeting materials, and watch live and on demand video streams of committee proceedings. Anyone interested in tracking a particular committee’s work can also [sign up](#) on the Legislature’s website to receive email notifications.

The 2026 Budget Session is scheduled to convene Feb. 9. – **End** –
