This provision will become effective only if the party failing to perform immediately notifies the other party of the extent and nature of the problem, limits delay in performance to that required by the event, and takes all reasonable steps to minimize delays. This provision will not be effective unless the failure to perform is beyond the control and without the fault or negligence of the nonperforming party.

M. Indemnification. The Contractor shall release, indemnify, and hold harmless the State, the LSO, and their officers, agents, and employees from any and all claims, suits, liabilities, court awards, damages, costs, attorneys' fees, and expenses arising out of Contractor's failure to perform any of Contractor's duties and obligations hereunder or in connection with the negligent performance of Contractor's duties or obligations, including, but not limited to, any claims, suits,

Contractor shall assume sole responsibility for any debts or liabilities that may be incurred by Contractor in fulfilling the terms of this Contract, and shall be solely responsible for the payment of all federal, state and local taxes which may accrue because of this Contract. Contractor agrees that no health/hospitalization benefits, workers' compensation and/or similar benefits available to State of Wyoming employees will inure to the benefit of Contractor or Contractor's agents and/or employees as a result of this Contract.
