STATEMENT OF REASONS

CHAPTER 31

REGULATION GOVERNING AUTHORIZED LICENSE SELLING AGENTS

During the 2020 Budget Session, the Wyoming Legislature passed and the Governor signed House Enrolled Act No. 69 (HEA 69) which allows for Wyoming Game and Fish Department (Department) license selling agents to be considered representatives of the Department for the purpose of charging fees for the costs of processing payments for sale of licenses, permits or stamps. HEA 69 also allows license selling agents to charge and collect a processing fee for sales in the same manner and amount as established by Commission rule. The Commission is amending this chapter to conform to the new requirements in this act.

Section 17 (l) is modified and clarifies that license selling agents shall not charge fees for license sales other than those established by Commission regulation. Credit card processing fees for Department license sales are already addressed in Commission Regulation Chapter 44, Regulation Governing Issuance of Licenses, Permits, Stamps, Tags, Preference Points and Competitive Raffle Chances.

Minor grammatical and formatting edits have been incorporated into this regulation which does not change the intent of this regulation.

CHAPTER 31

REGULATION GOVERNING AUTHORIZED LICENSE SELLING AGENTS

Section 1. Authority. This regulation is promulgated by authority of Wyoming Statutes § 1-1-115, § 11-6-305, § 23-1-302, § 23-1-701, § 23-2-101 and § 23-2-201.

Section 2. Purpose of Regulation.

(a) It is the purpose of this regulation to carry out the provisions of W. S. § 23-1-302 and § 23-1-701 by providing policies, procedures and processes to appoint and administer license selling agents that enhance the Department's ability to serve the license buying public.

(b) In the appointment of these license selling agents, the Commission gives preference to sporting goods and equipment vendors because they foster the purpose and mission of the Commission.

Section 3. Definitions. For the purpose of this regulation, definitions shall be as set forth in Title 23 Wyoming Statutes, Commission regulations and the Commission also adopts the following definitions:

Failure to apply for appointment as a license selling agent or apply for a temporary license selling agent authorization may result in delay of issuance.

WYOMING GAME AND FISH COMMISSION

~~David Rael~~ Peter J. Dube, President

Dated: ~~March 22, 2019~~ July 16, 2020

STATEMENT OF REASONS

CHAPTER 47

GRAY WOLF HUNTING SEASONS

W.S. § 23-1-302 directs and empowers the Commission to fix seasons and bag limits, open, shorten or close seasons for gray wolves designated as trophy game animals.

The Commission proposes to amend the Wyoming Game and Fish Commission Gray Wolf Hunting Seasons regulation to establish annual hunting seasons, licensing limitations, gray wolf harvest registration procedures and bag limits for the 2020 hunting season. At the time of this filing, the 2019 gray wolf harvest information is not yet available to the Department. Individual hunt area season dates, mortality limits and specific hunt area limitations may be modified as a result of harvest data currently being evaluated. Any additional proposed changes to season dates, specific hunt area limitations, mortality limits, hunt area boundaries or other gray wolf hunting provisions shall be made available during the public comment period. An updated draft of this regulation will be available on the Department website, including any updated mortality limits, once harvest data has been evaluated.

Section 4. Mortality limits and season dates may be modified to reflect the current population of gray wolves in Wyoming and future management through hunter harvest. Proposed hunt area mortality limits are being developed in conjunction with 2019 harvest data and to maintain a recovered gray wolf population. Minor edits have been incorporated into subsection (f) for consistency with other regulations requiring reporting and registering take of trophy game animals.

Minor grammatical and formatting edits have been incorporated to provide additional clarity but do not change the intent of the rules and regulations.
