A satellite absentee polling place shall be open only on the dates and at the times specified by the county clerk during the time period allowed for absentee voting.

(b) In the case of electronic voting systems using either alternate procedure provided in subsection (a) of this section, the ballots may be tabulated automatically and the ballot counts shall be entered at the designated counting center at the time the polls close on election day.

(c) If either alternate voting procedure provided in subsection (a) of this section is sought to be used, the secretary of state is authorized to adopt rules and regulations to guard against abuses of the elective franchise to include such matters as contained in W.S. 22-26-113 through 22-26-115.

The political party representatives and representatives of independent candidates may be present at the preparation of the voting machine for the election, to see that the machine is tested for accuracy and is properly prepared and that all registering counters are set at zero (00000). The county clerk in the presence of these representatives shall prepare the voting machine for the election and set all registering counters at zero (00000). He shall then test each registering counter for accuracy by casting votes on it until the registering counter is correctly registering each vote cast on it. The county clerk shall then reset each registering counter to zero (00000) and shall immediately lock and seal the voting machine with a numbered metal seal and make a record of the number of the seal on the certificate for the machine. The seal shall be so placed as to prevent operation of the machine or its registering counters without breaking the seal. The county clerk shall then immediately make a record on the certificate for the machine of the reading shown on the protective counter.

(b) Inspection of voting machines may begin two (2) weeks before an election and continue until all machines to be used are sealed. 22-10-111. Delivery and return; expenses.

The county clerk shall provide for the delivery of voting machines to the polling places at least one (1) hour before the polls open and their return to custody after the election. The board of county commissioners of each county may adopt for use, either experimentally or permanently, in any election in any or all polling places within the county, any electronic voting system authorized by law.

22-11-103. Capabilities required.

(a) Every electronic voting system adopted for use in Wyoming shall:

(i) Provide for voting in secrecy;

(ii) Permit each voter to vote at any election for all candidates and offices, and on any question, for which he is lawfully entitled to vote;

(iii) Permit voting either by paper ballot, by ballot card or by other mechanical, magnetic or electrical means by which a vote may be recorded;

(iv) Permit each voter, at presidential elections, by one (1) mark to vote for candidates of one (1) party for president, vice-president and presidential electors or to write in a name for president;

(v) Provide for replacement of spoiled ballots;

(vi) Permit both absentee and write-in voting;

(vii) Provide automatic tabulating equipment which shall reject choices recorded on a ballot exceeding the number allowed, and at a primary election reject choices for candidates from a party other than the party for which a preference is expressed;

(viii) Be suitably designed to function safely, efficiently and accurately, when properly operated, in recording, tabulating and counting every vote cast;

(ix) Repealed By Laws 1998, ch. 100, § 5.

(x) Be certified by the secretary of state.

(b) Repealed By Laws 1998, ch. 100, § 5.

(c) The secretary of state may from time to time as necessary promulgate rules and regulations consistent with subsection (a) of this section and with all other requirements of this Election Code to govern the characteristics of electronic voting systems that may be used in Wyoming. The rules shall ensure the fairness and accuracy of elections. The rules may govern both the characteristics of the systems and the procedures to be followed in using the systems. The rules shall allow the county clerks to follow appropriate recommendations of the vendors of the systems for maintenance and management of the systems to the extent these recommendations are not inconsistent

with this Election Code and with the rules. The rules shall be adopted following consultation with the county clerks.

22-11-104. Conduct of elections in which systems utilized.

(a) All provisions of the Election Code governing the conduct of elections shall apply to elections in which electronic voting systems are used, except that the county clerk of any county in which an electronic voting system is used may make such modifications in ballot form as are necessary to facilitate the use of the electronic voting system and yet maintain the integrity of the election and the intent of the law.

(b) The county clerk of each county using an electronic voting system shall:

(i) Determine whether paper ballots, ballot cards or a combination of both will be used in each polling place;

(ii) Before the day of election deliver to each polling place using an electronic voting system:

(B) Repealed By Laws 2014, Ch. 108, § 2.

(C) Other appropriate instructional materials or devices; and

(D) All other materials required by law.

(iii) Before testing an electronic voting system for an election, notify the county chairman of each political party having a candidate on the ballot, stating the time and place of the test. The political party representatives and representatives of independent candidates may be present for the test, which shall be held at least two (2) weeks before the election. The test shall ascertain that the automatic tabulating equipment will accurately count the votes cast for all offices and all measures. The test shall be conducted by processing a preaudited group of paper ballots or ballot cards on which are recorded a predetermined number of valid votes for each candidate and on each measure and shall include for each office one (1) or more ballots which have votes in excess of the number allowed by law in order to test the ability of the

automatic tabulating equipment to reject such votes. During the test a different number of valid votes shall be assigned to each candidate for an office, and for and against each measure. If any error is detected, the cause of it shall be ascertained and corrected and an errorless count shall be secured and certified to by the county clerk. On completion of the count, the programs, test materials and ballots shall be sealed and retained as provided for paper ballots;

(iv) Designate one (1) or more counting centers;

(v) Provide adequate security for the delivery of all ballots to the designated counting center;

(vi) Provide that if any ballot is damaged or defective so that it cannot be properly counted by the automatic tabulating equipment, a true, duplicate copy shall be made by counting board members and substituted for the damaged or defective ballot. All duplicate ballots shall be clearly labeled "Duplicate" and shall bear a serial number which shall be recorded on the damaged or defective ballot. Damaged or defective ballots shall be delivered with the returns to the county clerk.

22-11-105. Spoiled ballots.

Any voter who spoils his paper ballot or ballot card may return it and secure a replacement. The word "Spoiled" shall be written across the face of the voided ballot, and it shall be placed in an envelope for spoiled ballots. Spoiled ballots shall be delivered with the returns to the county clerk.

22-11-106. Procedure after voter marks paper ballot.

After marking the paper ballot, the voter shall place the ballot in the voting machine. If the votes are being counted at a

central counting center as authorized by W.S. 22-14-114(b), the voter shall instead place the paper ballot in the ballot box.

22-11-107. Failure of automatic tabulating equipment.

If the automatic tabulating equipment fails during the ballot count, the counting board shall use an alternate method of counting the ballots.

22-11-108. Retabulation.

A retabulation may be performed at the discretion of the county clerk. If the retabulation indicates a different count, the result of the last retabulation shall be the official result unless a recount is conducted. If the difference in the retabulations affects the result of any race or ballot proposition, a recount under W.S. 22-16-109(a) shall be conducted.

22-11-109. Post election audit.

The county clerk shall conduct a random audit of ballots by processing the preaudited group of test ballots as described in W.S. 22-11-104(b) (iii) on five percent (5%) of the automated tabulating equipment for that county, but on not less than one (1) machine, within thirty (30) days of any election in which the tabulating equipment was used.

(a) In voting machine polling places, the judges of election shall cast all remaining absentee ballots on a voting machine in the manner prescribed by W.S. 22-9-121 and shall lock and seal the voting machines. They shall certify in writing that the machine was locked and sealed, stating the time, the number of voters voting on each machine as shown on the public counters, the number on the seal, and the number registered on the protective counter.

(b) Election judges shall then determine the number of votes cast on each voting machine used in the polling place by opening the machine or obtaining a photographic or mechanical printed return sheet from the machine.

(c) After the voting machine is opened or the printed return sheet obtained, an election judge or counting board member shall read and clearly announce the designating number or letter on each counter for each candidate or ballot proposition and the results shown by the counter numbers. The vote shall be verified by another election judge or counting board member.

(d) In machine polling places, write-in votes shall be counted and the results tallied by the election judges or counting board after the regular ballots are counted.

(e) After the vote has been tallied from a voting machine and before the official count is certified, the judges of election shall subtract any vote recorded on a machine when the machine was inspected prior to opening the polls.

(f) This section does not vitiate the provisions of W.S. 22-9-125 permitting an alternate procedure for counting absentee ballots.

22-14-107. Tabulation of count.

These envelopes shall then be sealed in

a single large container. The district and precinct number shall be written on each container.

22-14-111. Returning records and returns to clerk.

(b) All voting supplies, ballot boxes and voting machines shall be returned to the county clerk as soon as possible after the vote has been returned.

22-14-114. Counting of ballots.

For ballots designed to be counted by machine, each individual vote shall be determined by the voting equipment and shall not be determined subjectively by human tabulation except when the intent of the voter is unmistakable but the ballot was received in such damaged, soiled, or other condition that it is rejected by the machine. The secretary of state may promulgate rules establishing standards for counting such ballots. For ballots not designed to be counted by machine, only votes clearly marked, as provided by W.S. 22-14-104 and rules promulgated pursuant to this code, shall be tallied. For write-in votes, names which are misspelled or abbreviated or the use of nicknames of candidates shall be counted for the candidate if the vote is obvious to the board.

(c) The oath required by this section shall be printed on the provisional ballot envelope.

(d) A challenged voter may present information and documentation of his eligibility to register at the election or to vote to the county clerk until the close of business on the day following the election. Any information presented shall be considered by the canvassing board in determining the voter's eligibility to register at the election or to vote and whether to open and count his provisional ballot. The provisional ballot shall be counted only after the voter has, by presenting documentation required under this code to the county clerk, established he had previously registered and is a qualified elector or he was eligible to register at the election and is a qualified elector.

22-15-106. Where name not on poll list.

A person challenged on the ground that his name does not appear on the poll list may vote if a judge of election obtains

(iii) Count write-in votes by candidate if the total vote for write-in candidates may affect the result of an election. For offices elected from districts involving more than one (1) county, the secretary of state shall direct the county clerks to count write-in votes by candidate if on the basis of unofficial returns it appears the total write-in votes may affect the result of an election.

(b) Repealed by Laws 2002, Ch. 18 § 3.

(c) The county canvassing board shall:

(i) Meet as soon as all returns have been received and abstracted, but if any provisional ballots have been cast in the county, not before the time has passed for provisional voters to document their eligibility to register or to vote. The board shall meet at a time and place designated by the county clerk, but no later than the first Friday following the election;

(ii) Perform or review a reconciliation of the ballots by precinct;

(iii) Review and determine the eligibility of provisional voters to register at the election if not previously registered and to vote and determine whether their provisional

(V) The number of undervotes.

(F) The official designation or number of each ballot proposition and the number of votes for and against it stated in figures; and

(a) Each write-in candidate nominated at a primary election, who has not previously filed an application for nomination shall accept nomination by filing an application for nomination and paying the filing fee in the office in which he would have been required to file an application for nomination to that office.

(b) The chief election officer shall notify a write-in candidate who has been nominated at a primary election within forty-eight (48) hours after the canvassing board meets. Notification may be delivered by United States postal service or other generally accepted mail delivery method to the last known address of the write-in candidate, email or other electronic means that provide actual notice to the write-in candidate, or

service as provided under the Wyoming Rules of Civil Procedure. Each notification provided under this section shall inform the write-in candidate that failure to timely respond will result in forfeiture of nomination. Failure of the successful write-in candidate to accept the nomination in the manner prescribed in subsection (a) of this section within five (5) days after delivery, attempted delivery or service under the Wyoming Rules of Civil Procedure, as computed pursuant to W.S. 22-2-110, results in the successful write-in candidate not appearing on the general election ballot, but does not result in a vacancy which can be filled.

(c) Any person may request to have the votes cast for any write-in candidate, whose votes did not affect the election, counted by filing a request together with an administrative fee, set by rule and regulation, with the appropriate election officers not later than two (2) days after the election in which the write-in votes occurred.

(d) A write-in candidate elected to public office at a general or special election may decline election before taking the oath of office by filing written notice with the county clerk where the candidate resides and the secretary of state. Notice provided under this subsection shall immediately create a vacancy in the office which shall be filled in the manner prescribed in W.S. 22-18-101 through 22-18-112.

22-16-107. Certified results.

The certified results of the county canvass shall be posted in the office of the county clerk and copies made available to interested persons.

The secretary of state shall provide procedures for such transmittal and notification through rule and regulation.

22-16-109. Recounts.

(a) The county canvassing board shall make a recount of precinct votes if it appears to the board that a recount is required due to irregularities in that precinct.

(b) There shall be a recount made of all the votes cast for any office in which the difference in number of votes cast for the winning candidate receiving the least number of votes and the number of votes cast for the losing candidate receiving the greatest number of votes is less than one percent (1%) of the number of votes cast for the winning candidate receiving the least number of votes cast for that office. This recount shall be made in the entire district in which the candidates are standing for election.

(c) There shall be a recount made of all the votes cast for any office if a losing candidate requests one under provision of W.S. 22-16-110. This recount shall be made in the entire district in which the candidate is standing for election.

22-16-110. How candidate may obtain recount; where affidavit filed.

(a) A candidate may obtain a recount of votes for the office he is seeking by making and filing an affidavit alleging that fraud or error occurred in counting, returning or canvassing the votes cast in any part of the district in which he is standing for election. The affidavit shall be filed in the same office the candidate filed his application for nomination:

(i) Not later than two (2) days after the county canvass has been completed if the office is certified by the county canvassing board;

(ii) Not later than two (2) days after the state canvass has been completed if the office is certified by the state canvassing board.

22-16-111. Recount of ballot proposition.

(a) A recount of votes of a ballot proposition may be obtained in one (1) of the following manners:

(i) A recount will be made if the proposition receives a number of votes, greater or lesser, within one percent (1%) of the number of votes required for passage. The one percent (1%) variance shall be calculated based upon the total number of votes cast on the proposition, except for

constitutional amendments in which case the variance shall be calculated based upon the total number of votes cast in the election;

(ii) A recount will be made if requested in an affidavit signed by twenty-five (25) electors registered in a district voting on the question. The affidavit shall be filed with the county clerk not later than two (2) days after the county canvass has been completed for propositions voted on in one (1) county, and with the secretary of state not later than two (2) days after the state canvass has been completed for propositions voted on in more than one (1) county. The affidavit shall be accompanied by a deposit of one hundred dollars (\$100.00).

(b) The county in which the recount is taken shall pay the costs of the recount if the recount is required by subsection (a)(i) of this section; and the signers of the affidavit referred to in subsection (a)(ii) of this section shall be jointly and severally liable for the costs of the recount requested by them up to five hundred dollars (\$500.00) per county recounted if the results of the election are not changed by the recount.

(c) The result of the recount shall be the official result of the election.

22-16-112. Precincts to be recounted; recount official result.

(a) The number of precincts to be recounted shall be as follows:

(i) If the recount is requested by a candidate, all precincts in which that candidate was voted upon for that office shall be recounted;

(ii) If the recount is required by W.S. 22-16-109(b), all precincts in which that candidate was voted upon for that office shall be recounted;

(iii) If the recount is initiated by the state or county canvassing board because of possible irregularities in the counting of votes in a precinct, the recount shall be made in the precincts designated by the canvassing board initiating the recount.

(b) If the recount indicates a different vote, the result of the recount shall be the official result.

(c) In no event shall a county clerk certify the recount results later than seventy-two (72) hours after the recount is requested.

22-16-113. Recount deposit; expense of recount.

(a) An affidavit requesting a recount must be accompanied by the following deposit:

(i) If the difference in number of votes cast as calculated pursuant to W.S. 22-16-109(b) is one percent (1%) or greater but less than five percent (5%), five hundred dollars (\$500.00);

(ii) If the difference in number of votes cast as calculated pursuant to W.S. 22-16-109(b) is five percent (5%) or greater, three thousand dollars (\$3,000.00).

(b) If the recount shows sufficient error to change the result of the election, the county in which the recount is taken shall pay expenses of the recount and the deposit shall be returned. Otherwise the applicant or applicants seeking the recount shall be liable for the actual cost of conducting the recount up to a maximum of the amount deposited under subsection (a) of this section, per county recounted. Every county clerk shall issue a complete accounting of all costs of the recount to the candidate requesting the recount, and shall refund any surplus to the candidate.

(c) If the recount is initiated by the county canvassing board or required by W.S. 22-16-109(b), the cost of the recount shall be paid by the county in which the recount is taken regardless of the result of the recount.

22-16-114. Certificates of election or nomination after recount.

When the time within which to request a recount has expired without one being requested, or when a recount has been completed, the county clerk shall immediately prepare and mail certificates of election or nomination to each candidate nominated or elected to a county or precinct office.

22-16-115. State canvassing board.

The state canvassing board is the governor, secretary of state, state auditor and state treasurer.

22-16-116. Statewide abstract; discrepancies with county abstracts.

From the unofficial tabulations delivered directly to his office, the secretary of state shall tabulate a statewide abstract by counties of votes for president and vice-president, state officers, justice of the supreme court, United States senator, representative in congress, district court judges, circuit court judges, members of the state legislature and the votes for and against ballot propositions voted on by electors of a district larger than a county. The unofficial tabulation shall then be reconciled to the official abstracts of the county canvassing boards and the secretary of state shall prepare the state abstract from the official county abstracts.

22-16-117. Content of state abstract.

The state abstract of an election shall indicate by county the number of ballots cast by each political party, if known, the total votes cast for each candidate, the names of all write-in candidates receiving a sufficient number of votes to affect the result of the election and the number of votes for each, and the number of votes received for and against each ballot proposition.

22-16-118. Meeting of state canvassing board.

The state canvassing board shall meet no later than the second Wednesday following the election. The secretary of state shall send a messenger to obtain official county abstracts not filed in a reasonable length of time. The canvassing board shall meet at the time and place set by the secretary of state. The board shall review the state abstracts prepared by the secretary of state, compare them with the tabulation and materials prepared by the secretary of state, resolve any tie votes, and certify the abstract as the official state canvass.

22-16-119. Tie vote in state abstract.

A tie vote for an office contained in the state abstract shall be resolved at an open meeting by lots cast by the state canvassing board.

22-16-120. Filing of state abstract.

When the canvass by the state canvassing board is completed and certified, the secretary of state shall file the official state abstract in his office with the minutes of the state canvassing board meeting signed by the members of the state canvassing board. The secretary of state shall cause a copy of the official state canvass to be posted in the office of the secretary of state and shall make additional copies available to the public.

When the county canvass is concluded, the county clerk shall issue a certificate of nomination to each candidate nominated at a primary election or by petition.

(b) The governor shall issue a certificate of election to a candidate duly elected to an office to be filled by electors of the state, district court judges, circuit court judges and members of the state legislature. The county clerk shall issue a certificate of election to each candidate duly elected to a county or precinct office in the county and to members elected to boards of trustees of special districts, school or community college districts and city or town councils.

22-16-122. Election declared null and void; special election.

(a) If a canvassing board is unable to determine which candidate has been elected or nominated, the canvassing board shall declare any part of the election results to be null and void as to that office and the county clerk shall call a special election to make a decision. For purposes of this section, a canvassing board shall be unable to determine which candidate is nominated or elected if:

(i) A material error in the conduct of the election has occurred; and

(ii) The error involves a number of votes that is equal to or greater than the number of votes separating the winning and losing candidates.

(b) The canvassing board shall determine which precincts will be involved in the special election. If the candidates' office is voted on across county lines, the canvassing board of all counties involved shall meet to determine the criteria for the special election.

(c) If only certain precincts are allowed to vote in the special election, the votes received in the special election shall be added to the unofficial results not declared null and void for that office from the initial primary, general election or other special election.

(d) In a contest involving multiple candidates, all of the candidates' names shall be placed on the ballot in the special election.

(e) Any candidate may appeal the decision of the canvassing board to call or not to call a special election in the same manner as he would contest an election under this act. However, the appeal shall be filed in the district court no later than the first Monday following the meeting of the canvassing board where the decision being appealed was made.

(f) The special election shall be held if necessary no later than the third Tuesday after the primary, general or other special election and may be held by a special mail ballot election as provided in W.S. 22-16-123. The special election shall be conducted by the county clerk as nearly as possible in the manner of a primary or general election, except only those registered in the precinct at the close of polls on the election day of the primary, general or other special election in question shall be permitted to vote in the special election. If the election is held as a special mail ballot election, the election shall be held as provided in W.S. 22-16-123.

(g) Not more than fourteen (14) nor less than five (5) days before the special election the county clerk shall publish at least once in a newspaper of general circulation in the county a proclamation setting forth the date of the election, the offices to be filled at the election including the terms of the offices, the number of persons required by law to fill the offices, the requirements for filing statements of campaign contributions and expenditures, and any other pertinent information.

(a) A special mail ballot election, as provided in this section, may be held in response to a determination under W.S. 22-16-122(a).

(b) In a special mail ballot election, official ballots shall be prepared and all other pre-election procedures followed as otherwise provided by law or rules promulgated by the secretary of state, except that special mail ballot packets shall be prepared as follows:

(i) The election official shall mail to each qualified elector entitled to vote in the special mail ballot election as described in W.S. 22-16-122(b) and (c), at the last address appearing in the registration records or to the address given on the absentee ballot application used for the primary, general or other special election ballot, a special mail ballot packet, which shall be marked "DO NOT FORWARD-ADDRESS CORRECTION REQUESTED," or any other similar statement which is in accordance with United States postal service regulations. Packets shall be mailed not sooner than twenty-one (21) days and not later than fifteen (15) days before an election for elections held in accordance with W.S. 22-16-122. Packets shall be mailed not sooner than forty-five (45) days and not later than forty (40) days before an election for elections held in accordance with W.S. 22-16-122(h) unless the court order provides otherwise;

(ii) The ballot shall contain the following warning:

WARNING

The criminal laws regulating the conduct of elections contained in chapter 26 of the Wyoming Election Code of 1973, as amended, apply with equal force to elections by mail.

(iii) Not sooner than twenty-one (21) days and before 7:00 p.m. on election day for elections held in accordance with W.S. 22-16-122, mail ballots shall be made available at the election official's office for voters entitled to vote in the

election but whose address has changed or who did not receive their ballot in the mail;

(iv) A voter may obtain a replacement ballot if the ballot was destroyed, spoiled, lost or for some other reason not received by the voter. In order to obtain a replacement ballot, the voter shall sign a sworn statement specifying the reason for requesting the replacement ballot. The statement shall be presented to the election official no later than 7:00 p.m. on election day. The election official shall keep a record of each replacement ballot issued in accordance with this paragraph. A replacement ballot may be transmitted directly to the applicant at the election official's office or may be mailed to the voter at the address provided in the application. Replacement ballots may be cast no later than 7:00 p.m. on election day;

(v) Upon receipt of a ballot, the voter shall mark the ballot, sign and complete the return-verification envelope and comply with the instructions provided with the ballot. The voter may return the marked ballot to the election official by United States mail or by depositing the ballot at the office of the election official or the designated depository no later than 7:00 p.m. on election day;

(vi) Once the ballot is returned, it shall not be returned to the voter. The election official shall first qualify the submitted ballot by examining the verification envelope and comparing the information on the envelope to the poll list to determine whether the ballot was submitted by a voter who has not previously voted in the election. If the ballot so qualifies and is otherwise valid, the official shall place a number next to the voter's name in the poll book. The election official shall then open and separate the ballot from the envelope and place the ballot in a ballot box so as to keep the voter's ballot private;

(vii) All deposited ballots shall be counted as provided in this act and rules promulgated by the secretary of state. A special mail ballot shall be valid and counted only if is returned in the return-verification envelope, the affidavit on the envelope is signed by the voter to whom the ballot was issued and the information on the envelope is verified as provided in paragraph (vi) of this subsection. If the election official determines that a voter to whom a replacement ballot has been issued has voted more than once, the official shall only count the first ballot received from that voter;

(viii) The election official shall provide a minimum of one (1) polling place on the day of election which may be the election official's office and shall be open between the hours of 7:00 a.m. and 7:00 p.m.

(c) If any special mail ballot packet mailed under paragraph (b)(i) of this section to a physical address, not including a post office box, is returned by the postal service, the county clerk shall investigate the validity of the address. If the county clerk determines that the address is not at a location that a voter could inhabit, the county clerk shall remove the address from the registration records until the county clerk receives proof that the address is habitable by a voter.

The proposed bill shall be in the format required for bills by W.S. 8-1-105. (d) The legislative service office shall provide the secretary of state's office with a template of the format required for bills by W.S. 8-1-105. The secretary of state shall make the template available to the public in an electronic format on the official secretary of state website.

The explanation shall include a statement that it is an estimate of fiscal impact to the state only and does not include an estimate of any impact upon

political subdivisions. Upon request of the secretary of state, any agency in the executive department shall render assistance in preparing the estimate and explanation of fiscal impact.

(b) No later than fourteen (14) days after final certification of an initiative application, the secretary of state shall render to the committee of applicants its fiscal impact estimate and explanation. If the committee believes that the secretary of state's estimate is inaccurate, within fourteen (14) days after receiving the secretary of state's estimate and explanation, the committee of applicants may submit to the secretary of state its own estimate and explanation of fiscal impact. Upon receiving the committee of applicants' estimate and explanation, the secretary of state may revise its estimate if in the opinion of the secretary of state the committee demonstrates that the secretary of state's estimate is inaccurate. If the attorney general determines that an act of the legislature enacted after the petition is filed is substantially the same as the proposed law, the petition shall be void and the ballot proposition shall not be placed on the election ballot, and the secretary of state shall so notify the committee of applicants.

22-24-320. Insufficiency of application or petition.

An initiative submitted to the voters shall not be void because of the insufficiency of the application or petitions by which the submission was procured.

If the petition satisfies all requirements of the principal act, the county commissioners shall:

In determining the boundaries of the proposed district, the board shall consider the benefit the proposed district will have within the territory in or out of the proposed district. The commissioners shall not modify the boundaries so as to exclude from the proposed district any land which could be benefited by its formation, nor shall there be included any land which will not, in the judgment of the board, be benefited. In no event shall property which may be subject to a district assessment be included in the boundaries of a district if the owner of the assessed property is precluded by applicable state or federal law, rule or regulation from using the services provided by the formation of the district.

(d) If the county commissioners determine, after consultation with the county assessor, that any land has been improperly omitted from the proposed district and that the owner has not appeared at the hearing, the commissioners shall continue the hearing and shall order notice given to the nonappearing owner requiring the owner to appear before it and show cause, if any, why the land of the owner should not be included in the proposed district. The notice shall be given either by posting and publication, in the same manner as notice

of the original hearing and for the same period, or by personal service on each nonappearing owner. If notice is given by personal service, service shall be made at least ten (10) business days prior to the date fixed for the further hearing.

(e) If within thirty (30) days after adjournment of the hearing, written protests, signed by the owners of at least thirty-five percent (35%) of assessed valuation of property included in the proposed district, are presented to the board of county commissioners, the proposal and the district shall fail.

(f) If the county commissioners approve the petition for formation, as presented or as modified, the county commissioners shall enter an order declaring its approval. The order shall set forth the name of the proposed district and a description of the boundaries. Upon the entering of this order, the commissioners shall direct that the question of formation of the district and the election of the initial directors be submitted to the electors of the proposed district to be held in their respective counties by mail ballot or on the next election date authorized under W.S. 22-21-103 which is at least one hundred ten (110) days after the expiration of the thirty (30) day period described in subsection (e) of this section.

The county clerk shall determine whether the election shall be conducted by the county clerk or the special district, taking into account each special district's expertise, manpower and ability to conduct an election. "Oversee" as used in this subsection may include training, advice or assistance but does not include responsibility for the actions, conduct or outcome of the election unless the county clerk conducts the election.

22-29-114. Election procedures for elections other than mail ballot elections; canvass, recount and contests.

(a) The secretary of state, after consultation with the county clerks, shall promulgate rules setting forth election procedures for special districts to follow for the formation and succeeding elections. The commissioners shall notify the county clerks of the canvassing board appointments. Any special district election not conducted by a county clerk shall be canvassed by a special district canvassing board. The special district canvassing board shall consist of the district secretary and two (2) electors appointed by the district board. Any canvass shall be conducted in accordance with chapter 16 of the Wyoming Election Code of 1973, as amended. The canvass shall be conducted within seven (7) business days of the election. (ii) "Mail ballot election" means an election for which voters cast ballots in a special district election by mail and in accordance with this chapter;

(iii) "Mail ballot package" means the packet of information provided by the election official to voters eligible to vote in the mail ballot election;

(iv) "Transmit" means to mail or to personally deliver.

(b) The secretary of state, after consultation with the county clerks, shall establish procedures for conducting mail ballot elections.

(c) Regardless of the number of eligible voters within the district, the county commissioners may order the formation election to be a mail ballot election.

(d) Regardless of the number of voters within its boundaries, a special district may, by rule or bylaw of its governing body, conduct by mail ballot elections to enlarge, withdraw, merge, consolidate, dissolve or such other election required by the principal act. A special district may by rule or bylaw pay the return postage of mail and absentee ballots.

(e) Upon the adoption of the rule or bylaw to conduct an election by the mail ballot procedure, each voter shall be mailed a mail ballot.

22-29-116. Procedures for mail ballot elections.

(a) Mail ballot elections shall be overseen by the county clerk as provided in W.S. 22-29-113(m). Official ballots shall be prepared and all other preelection procedures followed as otherwise provided by law or rules promulgated by the secretary of state, except that mail ballot packets shall be prepared in accordance with the following:

(i) No later than forty-five (45) days prior to election day, the secretary of the special district shall request from the county clerk of each county in which the special district is located a list of qualified electors residing within the affected district;

(ii) No later than thirty (30) days prior to election day, the county clerk of each county in which a special district is located shall certify and submit to the election official a list of qualified electors residing within the affected district;

(iii) No sooner than twenty-five (25) days and no later than fifteen (15) days before an election, the election official shall mail to each landowner who has filed a written authorization and request for a mail ballot and to each qualified elector entitled to vote in the mail ballot election, at the last address appearing in the registration records a mail ballot packet, which shall be marked "DO NOT FORWARD-ADDRESS CORRECTION REQUESTED," or any other similar statement which is in accordance with United States postal service regulations;

(iv) The ballot shall contain the following warning:

WARNING

The criminal laws regulating the conduct of elections contained in chapter 26 of the Wyoming Election Code of 1973, as amended apply with equal force to elections conducted by mail.

(v) No sooner than twenty-five (25) days and no later than 4:00 p.m. on election day, mail ballots shall be made available at the election official's office for voters entitled to vote in the election but who are not otherwise listed on the

county voter registration records if otherwise authorized to vote;

(vi) A voter may obtain a replacement ballot if the ballot was destroyed, spoiled, lost, or for some other reason not received by the voter. In order to obtain a replacement ballot, the voter must sign a sworn statement specifying the reason for requesting the replacement ballot. The statement shall be presented to the election official no later than 4:00 p.m. on election day. The election official shall keep a record of each replacement ballot issued in accordance with this section together with a list of each ballot obtained pursuant to this section. An election official shall not transmit a mail ballot package under this section unless the application for the replacement ballot is received on or before election day. A replacement ballot may be transmitted directly to the applicant at the election official's office or may be mailed to the voter at the address provided in the application. Replacement ballots may be cast no later than 5:00 p.m. on election day;

(vii) Upon receipt of a ballot, the voter shall mark the ballot, sign and complete the return-verification envelope, and comply with the instructions provided with the ballot. The voter may return the marked ballot to the election official by United States mail or by depositing the ballot at the office of the official or any place designated by the official. The ballot must be returned in the return-verification envelope. The ballot shall be received at the office of the election official or the designated depository no later than 5:00 p.m. on election day;

(viii) Once the ballot is returned, an election official shall first qualify the submitted ballot by examining the verification envelope and comparing the information on the envelope to the poll list to determine whether the ballot was submitted by a voter who has not previously voted in the election. If the ballot so qualifies, and is otherwise valid, the official shall enter the name of the registered voter in the poll book, open the return-verification envelope and deposit the ballot in an official ballot box;

(ix) All deposited ballots shall be counted as provided in this act and by rules promulgated by the secretary of state. A mail ballot shall be valid and counted only if it is returned in the return-verification envelope, the affidavit on the envelope is signed and completed by the voter to whom the ballot was issued and the information on the envelope is verified in accordance with paragraph (viii) of this subsection.

If the election official determines that a voter to whom a replacement ballot has been issued has voted more than once, the official shall not count any ballot cast by that voter.

(b) The election official responsible for conducting the election shall provide a minimum of one (1) polling place on the day of election which may be the election official's office or the county clerk's office and shall be open for not less than five (5) consecutive hours at any time between the hours of 9:00 a.m. and 7:00 p.m. as set forth in the notice of election.

22-29-117. Change of district name.

(c) All powers, rights, duties and obligations of a district which has adopted a new name shall be continued under the new name. All references to the prior name of the district shall be considered references to the new name.

(d) A district changing its name shall immediately notify the secretary of state if the principal act requires that formation documents be filed with the secretary of state, the county treasurer, the county clerk and the county assessor of each county in which the district is situated.

22-29-118. Directors; oath of office.

All directors, whether elected or appointed, shall, within ten (10) business days after notification of election or appointment, take the oath of office provided in Wyoming constitution, article VI, section 20, before an officer authorized to administer oaths. 22-29-119. District officers; meeting of board; conflict of interest.

Each year the board of directors shall as soon as they are qualified elect a president, treasurer and secretary of the district. The board of directors shall hold regular and may hold special meetings as they determine. No trustee shall be directly interested financially in any contract, work done or property purchased by the district unless he has made full public disclosure and the board has unanimously approved his financial interest. A majority of directors constitutes a quorum for the transaction of district business.

ARTICLE 2

22-29-201. Vacancies.

(a) A director's office shall be deemed to be vacant upon the occurrence of any one (1) of the following events prior to the expiration of the term of office:

(ii) If a person who was duly elected or appointed fails, neglects or refuses to subscribe to an oath of office or to furnish the bond as may be required in the principal act;

(iii) If a person who was duly elected or appointed submits a written resignation to the board of directors and the resignation has been duly accepted by the board of directors;

(iv) If the person who was duly elected or appointed ceases to be qualified for the office to which he was elected;

absences. This provision shall not apply to instances where failure to attend the meetings was due to a temporary mental or physical disability or illness;

(viii) If the person who was duly elected or appointed dies during his term of office;

(ix) If declared vacant by the board of county commissioners upon the failure of the district board to comply with W.S. 9-1-507(a) (vii) on or before December 30 of that same calendar year, after notice is given as provided by W.S. 9-1-507(j).

22-29-202. Filling by appointment.

(a) A vacancy in a district director office shall be filled by appointment by a majority of the remaining directors. However, if a vacancy exists in a majority of the offices of director, or if a majority of the directors cannot agree on an appointment, then notice of the vacancy shall be given to the county commission by either a district director or district member. The county commission shall fill the vacancy within thirty (30) days of being notified or by the time specified in the principal act. If the county commission finds that a vacancy exists in a majority of offices of director or that a majority of the directors cannot agree on an appointment, the county commission may fill the vacancy by acting on its own motion without notice.

(b) All appointments shall be evidenced by an appropriate entry in the minutes of the meeting at which the appointment was made.

(c) An appointee to the office of director shall serve until the next regular election.

(d) The appointed person before undertaking the duties of office shall take an oath of office in accordance with W.S. 22-29-118.

(f) Any vacancy created by failure of the board to comply with W.S. 9-1-507(a) (vii) shall be filled by appointment by the

board of county commissioners for the sole purpose of acting as trustee to dissolve the district without election pursuant to W.S. 22-29-401 et seq.

ARTICLE 3
ENLARGEMENT, CONSOLIDATION, MERGER
AND CHANGE OF BOUNDARIES

22-29-301. Enlargement petitions.

(a) When any voters or landowners of an area wish to join a district, they may file an enlargement petition with the county commissioners. Unless otherwise provided under this subsection, the petition for enlargement may include provisions allowing the board of district directors to be enlarged by one (1) or more positions to be filled by voters residing or located in the new area, the number of positions to be determined by the petitioners and the district directors of the existing district. Before the petition is filed with the county commissioners, it shall be approved by the directors of the affected district and by any other agency also required by the principal act to approve the petition. The petition process shall be governed by W.S. 22-29-105 through 22-29-108. An election need not be held on an enlargement petition if the petition alleges and the county commissioners find:

(i) All landowners and all voters, if any, within the new area and the board of directors of the district agree to the inclusion of the new area within the district.

(ii) Repealed by Laws 2008, Ch. 22, § 2.

(b) W.S. 22-29-109 applies to the proceeding conducted by the county commissioners and the rights, powers and duties of petitioners and other persons having an interest in the proceedings. The county commissioners shall approve or disapprove the enlargement petition.

(c) Except as provided under subsection (a) of this section, if the enlargement petition is approved, there shall be an election which shall be conducted under this act. At the enlargement election, there shall also be elected temporary directors whose terms shall expire at the next regular district director election. At the first regular election following the enlargement election, the total number of directors shall be as stated in the principal act.

22-29-302. Merger of districts; effect.

(a) A district may merge with another district even if formed under different principal acts, if the merger is first approved by the county commissioners and approved by the voters of each district. The districts included in the merger shall be considered joined to and absorbed into the surviving district.

(b) If the merger is approved, the district directors and officers of the merging districts shall transfer to the directors of the surviving district all funds, property, contracts and records of the merging districts. Upon the effective date of the merger:

(i) The surviving district shall succeed to all the property, contracts, rights and powers of the merging districts, and shall constitute and be a regularly organized district as if originally organized in the manner provided by the principal act;

(ii) Uncollected taxes, assessments or charges levied by the merging districts shall become the property of the surviving district and upon collection shall be credited to the account of the surviving district; and

(iii) The surviving district shall become liable for all the obligations, legal and contractual, of the merging districts.

22-29-303. Consolidation of districts; effect.

(a) Two (2) or more districts even if formed under different principal acts may consolidate and form a new district if the consolidation is first approved by the county commissioners and approved by the voters. The districts included in the consolidation shall be considered joined into a single new district.

(b) If the consolidation is approved, the district directors and officers of the consolidating districts shall transfer to the directors of the successor district all funds, property, contracts and records of the consolidating districts. Upon the effective date of the consolidation:

(i) The successor district shall succeed to all the property, contracts, rights and powers of the consolidating districts, and shall constitute and be a regularly organized

district as if originally organized in the manner provided by the principal act;

(ii) Uncollected taxes, assessments or charges levied by the consolidating districts shall become the property of the successor district and upon collection shall be credited to the account of the successor district; and

(iii) The successor district shall become liable for all the obligations, legal or contractual, of the consolidating districts.

22-29-304. Initiation of merger and consolidation; election.

(a) The voters of two (2) or more districts may initiate proceedings to merge or consolidate districts by filing a petition with the directors of the districts to be merged or consolidated. The petition shall be circulated and jointly verified in accordance with W.S. 22-29-105 and 22-29-108 by the secretaries of the districts involved. The petition shall state the name of the surviving or successor district. If two (2) or more districts planning to merge or consolidate have been formed under two (2) different principal acts, the petition shall also state under what principal act the merged or consolidated district shall operate. The principal act under which the merged or consolidated district shall operate may be different than the principal acts governing the original districts. In addition, the petition of merger or consolidation shall set forth provisions pertaining to the composition of the board of the new district until the next district election. The board of the new district may be composed of members of the combined boards. At the next regular district election members shall elect a new board. Thereafter the merged or consolidated board shall operate with the number of directors applicable under the principal act.

(b) Upon the district secretary certifying the petition, the directors of the districts shall order an election which shall be conducted in accordance with W.S. 22-29-113 through 22-29-117 and 22-29-305.

(c) Merger or consolidation may also be initiated by resolution adopted by the directors of two (2) or more districts. The resolution shall contain all the matters required to be stated in a petition to merge or consolidate. Upon the adoption of these resolutions, the directors of the district

shall order an election which shall be conducted as provided in subsection (b) of this section.

22-29-305. Specific provisions relating to enlargement, merger and consolidation elections.

(a) The elections effecting enlargement, merger or consolidation shall be governed by the following specific rules:

(i) For enlargement elections, the voters of both the existing district and the area to be added shall be entitled to vote;

(ii) For merger and consolidation elections, the voters of all the affected districts shall be entitled to vote;

(iii) If a majority of those voting in each district on the proposition favor the proposition, then it shall pass;

(iv) For enlargement elections, if the voters of the existing district have approved by election a mill levy to finance the operation of the district, then the voters of the area to be added shall also be required at the enlargement election to approve the same mill levy. If a majority of the voters in the area to be added voting on the proposition fails to approve the mill levy, then the enlargement, whether or not approved under paragraph (iii) of this subsection, shall fail. This paragraph shall not apply to an enlargement in which no election is required under W.S. 22-29-301(a);

(v) For merger and consolidation elections, if the voters of an existing district have approved by election a mill levy to finance the operations of the district and the other district has no mill levy or a lower mill levy, the voters of that other district shall also be required at the merger or consolidation election to approve a mill levy at the same level as the existing district or increase an existing mill levy to the same level as the existing district. If a majority of the voters in the other district voting on the proposition fails to approve or increase the mill levy as required, then the merger or consolidation, whether or not approved under paragraph (iii) of this subsection, shall fail.

22-29-306. Rights of creditors after change of organization; enforcement.

(a) No change of organization, or any term or condition thereof, shall impair the rights of any bondholder or other creditor of a district. Every bondholder or other creditor may enforce all the rights of the bondholder or other creditor in the same manner and to the same extent as if the change of organization, term or condition had not been made. Any of these rights may also be enforced against agencies, and their respective officers, as follows:

(i) Upon enlargement of the territory, against the district to or from which the territory is enlarged;

(ii) Upon dissolution of a district, against the successor city, county or district or against a city, county or district receiving distribution of all or any part of the remaining assets of the dissolved district;

(iii) Upon merger of two (2) or more districts, against the surviving district;

(iv) Upon consolidation of two (2) or more districts, against the successor district.

22-29-307. Change in boundaries of districts; exclusion of property from district.

Any owner of property that is subject to assessment and payment of tax by a special district, but who is precluded by applicable state or federal law, rule or regulation from using the services provided by the district, may file with the board of county commissioners a petition praying that such lands be excluded from assessment by said district. Petitions shall describe the property which the petitioners desire to have excluded. Such petition must be accompanied by a deposit of money sufficient to pay all costs of the exclusion proceedings. The county commissioners shall cause a notice of filing of such petition to be published, which notice shall state the filing of such petition, the name of petitioners, description of the property mentioned in said petition, and the prayer of said petitioners; and it shall notify all persons interested to appear at the office of said board at the time named in said notice, showing cause in writing, if any they have, why said petition should not be granted. The board at the time and place mentioned in the notice, or at the times to which the hearing of said petition may be adjourned, shall proceed to hear the petition and all objections thereto, presented in writing by any person showing cause why the prayer of the petition should not be granted. The

filing by such petition shall be deemed and taken as an assent by each and all such petitioners to the exclusion from the district of the property mentioned in the petition or any part thereof. The exclusion shall be allowed if an owner of assessed property is precluded by applicable state or federal law, rule, or regulation from using the services provided by the district. This section shall be applicable only to petitions filed in accordance with the provisions of this section on or before March 31, 1999.

ARTICLE 4

(a) Dissolution of a district may be initiated:

(i) By a petition signed by not less than twenty-five percent (25%) of the voters owning not less than twenty-five percent (25%) of the assessed valuation of property within the district, requesting dissolution of the district, filed with the county commissioners. The petition process shall be governed by W.S. 22-29-105 through 22-29-108;

(ii) By resolution of the district directors filed with the county commissioners when the district directors determine that it is in the best interest of the inhabitants of the district that the district be dissolved and liquidated;

(I) The district at the time of the regular district election has not elected district directors as required by the principal act; or

(II) The territory within the district is uninhabited; and

(B) The county commissioners determine that it is in the best interest of the people of the county that the district be dissolved and liquidated.

(iv) Within five (5) business days after a petition is filed or a resolution of a county commission is adopted under this section, a copy shall be filed with the district secretary,

if any, or with any other district officer who can with reasonable diligence be located;

(v) If there are no qualified district director members, the county commissioners shall act as or appoint a board of trustees to act in behalf of the district.

(b) Dissolution of a district shall be initiated by resolution of the board of county commissioners if the director of the department of audit has notified the board of county commissioners of the district's failure to comply with the reporting requirements of W.S. 9-1-507, and the district has failed to comply with W.S. 9-1-507(a)(vii) by December 30 of that same calendar year. The board of county commissioners shall declare the board of directors vacant under W.S. 22-29-201, and shall fill the board by appointment under W.S. 22-29-202 for the purpose of dissolving the district.

22-29-402. Findings of fact by district directors.

(a) When dissolution proceedings have been initiated, the district directors shall make findings of fact which shall include:

(i) The amount of each outstanding bond, coupon and other indebtedness, with a general description of the indebtedness and the name of the holder and owner of each, if known;

(ii) A description of each parcel of real property and interest in real property and, if the property was acquired for delinquent taxes or assessments, the amount of those taxes and assessments on each parcel of property;

(iii) Uncollected taxes, assessments and charges levied by the district and the amount upon each lot or tract of land;

(iv) A description of the personal property and of all other assets of the district;

(b) The district directors shall propose a plan of dissolution and liquidation.

(c) Within thirty (30) days after initiation of the dissolution proceeding, the findings of fact and the proposed plan of dissolution and liquidation shall be filed in the office of the county clerk and shall be available for inspection by any interested person.

22-29-403. Plan for dissolution and liquidation.

The plan of dissolution and liquidation may include provisions for transfer and conveyance of all assets of the district to any other district or to the county or counties where the district is located which have the authority and agree to assume the outstanding indebtedness of the dissolving district, if any, and to continue to furnish similar services to the inhabitants of the district.

22-29-404. Election on dissolution; consent of creditors; content of notice.

(a) Within ten (10) business days after the district directors file the plan of dissolution and liquidation required by W.S. 22-29-402, the district directors shall call an election to be held not less than ninety (90) days nor more than one hundred twenty (120) days after the filing of the plan of dissolution or liquidation for the purpose of submitting to the voters of the district the question of whether the district shall be dissolved, its indebtedness liquidated and its assets disposed of in accordance with the plan proposed. No election shall be called until the consent of all known holders of valid indebtedness against the district is obtained or provision is made in the plan for payment of the nonconsenting holders. The notice of the election shall contain a brief summary of the plan of dissolution and liquidation and state that the plan of dissolution is available for examination at the office of the county clerk.

(b) This election shall be conducted in accordance with W.S. 22-29-113 through 22-29-117.

22-29-405. Trustees for dissolved district; records to county clerk; limitation on further elections.

(a) Upon canvassing the vote after the election, if it appears that a majority or more of the votes on the proposition approve dissolution, the district directors shall declare the district dissolved. The directors shall thereupon constitute a board of trustees under the supervision of county commissioners,

who shall pay the debts or procure releases thereof and dispose of the property of the district. If the dissolved district was located wholly within the limits of one (1) county, the board of the dissolving district may designate the county commissioners as the board of trustees for the purpose of winding up the affairs of the district. If a majority of the votes cast on the proposition is against dissolution, the district directors shall declare the proposal defeated and cause the result of the vote to be made a part of the records of the district. In either case, the results of the election shall be certified to the county commissioners immediately after the canvass of the vote.

(b) If dissolution is approved after the affairs of the district have been fully settled all books and records of the district shall be deposited by the board of trustees in the office of the county clerk of the county in which the greatest area of the district was located. At the same time, the board of trustees shall execute under oath and file with the county commissioners a statement that the district has been dissolved and its affairs liquidated. From the date of the statement, the corporate existence of the district is terminated for all purposes.

(c) If a majority of the votes cast on the proposition are against dissolution, no further election for dissolution shall be called by the directors, upon petition or upon a resolution of the commissioners, prior to the expiration of one (1) year from the date of the election on dissolution.

22-29-406. Power of trustees to convey assets.

(a) The board of trustees may convey to another district all assets of the dissolving district:

(i) If the other district assumes all debts and obligations of the dissolving district and undertakes to continue to furnish the service provided by the dissolving district pursuant to the plan of dissolution and liquidation; and

(ii) If the written consent of all the known holders of valid indebtedness against the district has been obtained, or provision has been made in the plan for payment of the nonconsenting holders.

22-29-407. Disposition of assets.

(a) Any surplus funds remaining to the credit of the district, after payment of the indebtedness of the district, shall be transferred to the county treasurer. If the assets of the district are insufficient to pay the indebtedness, the board of trustees shall levy taxes, within the limits of the authority of the district, for the liquidation of the indebtedness.

(b) Notwithstanding subsection (a) of this section, if the property of a district is located within the corporate limits of a city, the property shall, upon dissolution of the district, vest in the city in which located and the property of the district lying outside the corporate limits of any city shall vest in the county until the formation of a city embracing the territory, at which time it shall vest in the city.
